The Ninety-Fifth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa Corporation, was held in the City of Seattle, Washington on the dates of July 1, 2, 3, 4, 1969, in the Grand Ballroom of the Olympic Hotel.

Saunders, Imperial Recorder, announcing the holding of the Ninety-Fifth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America at the Olympic Hotel, Seattle, Washington, on July 1, 2, 3, 4, 1969 were duly mailed to each member of the Council.

The Public Opening Ceremonies of the Ninety-Fifth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America was held in the Grand Ballroom Olympic Hotel, Seattle, Washington, on June 30, 1969, commencing at 3:30 o'clock p.m.

PUBLIC OPENING CEREMONY

MONDAY, JUNE 30, 1969

THREE-THIRTY O'CLOCK P.M.

DIRECTOR GENERAL AURIE J. THOMPSON: Ladies and gentlemen, I would like to call this Opening Session to order.

We would now like to start by having the Parade of State Flags, carried by the Nile Temple Patrol.

(The Parade of State Flags, carried by the Nile Temple Patrol, ensued.)

DIRECTOR GENERAL AURIE J. THOMPSON: I will now call upon the Nile Temple Color Guard to present the colors.

THE IMPERIAL COUNCIL

(Whereupon, the Nile Temple Color Guard entered with the flags of the United States, Canada, Mexico, Imperial Council and Imperial Potentate.)

DIRECTOR GENERAL AURIE J. THOMPSON: I would now like to ask all of you to join with me in extending the Shriners Pledge to our Flag.

(The Shriners Pledge to the flag of the United States ensued.)

DIRECTOR GENERAL AURIE J. THOMPSON: We will now have the National Anthems of the United States, Canada and Mexico.

(Whereupon, the three National Anthems of these countries were rendered by the Shrine Band.)

DIRECTOR GENERAL AURIE J. THOMPSON: I would now like to call upon our Imperial Chaplain, The Reverend Randall Larson, for the Invocation.

THE REVEREND RANDALL LARSON (Imperial Chaplain): Let us unite our hearts and our minds as we pray.

O God, who enlightens the minds of those that seek you, who inspires the hearts that love you and strengthens those that serve you, behold us as we come to you from the four corners of this world. We all gather with a prayer at the center of our lives that you would grant us wisdom, courage and love for the living of these days.

We are grateful to you for the mercies we have known, for this day of splendor with all of its beauty. We are reminded once again of your glory and of your greatest creation, the making of man.

We invoke your continued blessings upon this Imperial Session as it gets under way. How much we need Thy guidance that can come only from you.

We would uplift the one who is our Imperial Potentate. We would ask that he might be sensitive to your will and your being as he guides us these days in the deliberations and decisions and the direction that the Shrine shall go.

We ask for your continued presence in the activities of the Shrine, that in the days that lie before us we might continue our noble work for children with broken bones and burned bodies.

This week we plan to have a lot of fun but may there be uppermost in our minds the desire that we might serve Thee with renewed effort, zeal and enthusiasm.

These things we pray in your glorious and gracious name. Amen.

(The singing of the "Lord's Prayer" by the Nile Chanters ensued.)

DIRECTOR GENERAL AURIE J. THOMPSON: Thank you for being so patient. You may now be seated.

I would like very much at this time to thank the Chanters of Nile for their participation here and also the Bands of Nile, Afifi and El Katif Temples. (Applause)

Imperial Sir, Imperial Sirs, Senator Jackson, honored guests, Illustrious Sirs, Nobles, ladies and friends: Just a short word of welcome to this Ninety-Fifth Imperial Shrine Session.

Many have come to our great State for this event, which is the beginning of another great Shrine year. Yes, we did turn on the charm of our weather and now you are seeing "Hogan's Country" at its best. (Laughter and applause.)

Just another word because I think we should say something here about the cooperation we have received from the City, State and County officials and their personnel; also the tremendous support from our leading stores, the Central Association, the Seattle Visitors Bureau and the Convention Bureau.

In all, Seattle does welcome all of Shrinedom this week.

Your news media has been the greatest. So we are happy to be here and we are happy that Seattle has this Imperial Session.

We want you all to enjoy what we have here. If you can, take a look around you and see what we have in this great State and in this great City.

Again I say welcome to all of you to "Hogan's Country." (Applause)

As you know, this Convention is hosted by three Temples in the State of Washington—Afifi Temple at Tacoma, Nile Temple at Seattle and El Katif Temple at Spokane.

I would now like to present the three Potentates of these Temples to you.

First of all I would like to present Illustrious Sir Neil D. Gray, Potentate of Afifi Temple, which is the Temple to which our Imperial Sir belongs. I will call on the other two in sequence but I would like to present to you now Illustrious Sir Neil Gray. (Applause)

NOBLE NEIL D. GRAY (Potentate, Afifi Temple): Imperial Sir, Imperial Sirs, Honorable Senator Jackson, Nobles, Ladies and Friends: On behalf of Afifi Temple we would like to welcome you to the Pacific Northwest and our "Evergreen" State.

Our Temple is located in the southern portion of the State. Although we are small in numbers, during these coming five days we shall sincerely attempt to afford you excellent hospitality and we will bring it forth with enthusiasm.

We are extremely proud of our Imperial Sir. Speaking, personally, I think this is possibly the greatest thrill that could be afforded any Potentate of his Temple, to have the honor and privilege of serving our Imperial Sir during this year.

Again, welcome to the State of Washington and may you enjoy your stay here. (Applause)

DIRECTOR GENERAL AURIE J. THOMPSON: Thank you very much, Neil.

Now, I would like to present to you and call upon Vernon E. Bell, the Illustrious Potentate of Nile Temple, Seattle.

NOBLE VERNON E. BELL (Potentate, Nile Temple): Imperial Sir, Imperial Sirs, Senator Jackson, Honorable Mayor, Illustrious Sirs, Nobles and Ladies: I likewise am honored to be one of the Potentates this year of the great State of Washington and I am sure you have by now seen what a great State we have.

Nile Temple's jurisdictional area is the northwest section of the State. We have a lot of water and we also have Alaska.

I know that many of you are going to journey through that great State of Alaska when you leave here or maybe some of you have already been there. Likewise, I am sure many of you are going to visit this State and, further, I am sure that this great State is going to leave an everlasting impression upon you when you leave.

Now, there is one other thing I would like to say and that is that while you are here I wish you would use the same phrase we use in Seattle at Nile Temple—"Smile with Nile."

Thank you very much. (Applause)

DIRECTOR GENERAL AURIE J. THOMPSON: And now, last, but certainly not least, I would like to present to you and have you know the Illustrious Potentate of El Katif Temple in Spokane, Ward J. Walker.

NOBLE WARD J. WALKER (Potentate, El Katif Temple): Imperial Sir, Imperial Sirs, Distinguished Guests, Nobles and Ladies: Yes, there are three sister Temples in this State and I think we act like sisters. We try to cooperate with each other.

I would not mislead you—we are just as anxious from our part of the State that you have a wonderful time. We would want you to realize that although there is perhaps a larger population in this part of the State, the other part of the State is a little bit larger geographically, especially where we come from, the Spokane area. We have a grand bunch there.

When the folks come to the need for lumber, then they come over to our side of the State. Therefore, we feel quite equal.

We hope that if you have an opportunity you will perhaps visit some more of our State and really get acquainted with the great northwest. El Katif Temple stands ready and willing to help in any way they possibly can to make your stay here a very, very enjoyable one.

Welcome to Seattle. Thank you very much. (Applause)

DIRECTOR GENERAL AURIE J. THOMPSON: Now, Nobles and Ladies, you have seen some dignitaries sitting on the stage up here. I would like, however, at this time, to have some people sitting down here in front just stand up and turn around and face you. Now, you have heard about Hogan's Country and you have heard all the good things about Chester. However, I would like to have them just stand up here in the

front and say "Hello" to you Mrs. Hogan and their twin sons, Carl and Charlie, and their wives with them. Will you all just stand up and let the people see you. (Applause)

Now, we have with us some very important guests. I am just going to have them stand and say "Hello;" they doing this just by standing, and then I will ask that our Honorable Mayor, Floyd Miller of the City of Seattle, represent this group of honored gentlemen.

First of all I will have stand to say "Hello" with a bow the Honorable Floyd Miller, Mayor of Seattle. (Applause)

Next we have Honorable Robert Brewer, Mayor of the City of Puyallup, Washington. This, as you know, is Hogan's Town. (Applause)

Then we have the Honorable A. L. Rasmussen, Mayor, City of Tacoma. (Applause)

We likewise have with us the Chief of the Seattle Fire Department, Gordon Vickery. (Applause)

We also have with us a man who has quite a task these days, our Chief of Police, Frank C. Ramon. (Applause)

A contemporary job in this business of police action is that of Sheriff and we have with us Sheriff Jack Porter of King County. (Applause)

I would now ask that our Honorable Mayor say a few words at this time.

HONORABLE FLOYD MILLER (Mayor, City of Seattle): Imperial Sir, Imperial Sirs, Senator Jackson, Illustrious Sirs, Nobles and Ladies: As a member of Nile Temple as well as being Mayor of the City of Seattle, I am happy to welcome all of you to Seattle for the Ninety-Fifth Imperial Council Session.

As Shriners, you are all aware of the pride we have in the accomplishments of this organization but the transcending importance in my mind is the privilege of being a member of a brotherhood which has demonstrated its human concerns for others by offering needy medical care to medically destitute children.

Our brotherhood is not a theory, it is a practice. The work of the Shriners in serving the community and the Nation can be looked at with pride and distinction.

The accomplishments of the twenty-two Shrine Hospitals for Crippled Children in Canada, Mexico and the United States are a real and visible demonstration of what this fine organization has contributed and continues to contribute as an expression of the Shriners' love for all mankind.

The citizens of Seattle and the Nation recognize the contribution you have made to the welfare of our people. We appreciate the public service you have so generously given and we commend you.

Your presence here today brings honor to the City of Seattle and the Pacific Northwest. I am greatly pleased to extend the hospitality of the City and our heartiest welcome to all of the Delegates and Visitors to the Ninety-Fifth Imperial Council Session.

Thank you very much. (Applause)

DIRECTOR GENERAL AURIE J. THOMPSON: Thank you very much, Mayor Miller.

I would now like to call on Illustrious Noble and Brother, Ford Q. Elvidge, who has earned many, many titles in his life, to introduce the Masonic guests here.

NORLE FORD Q. ELVIDGE: Thank you, Aurie.

Imperial Sir, Imperial Sirs, Senator Jackson, Mayor Miller, Distinguished Guests, Nobles, Ladies and Friends all: I deem it a great privilege to present and introduce to you this afternoon the distinguished Masonic guests who have graced us with their presence here this afternoon.

First of all, I should like to introduce to you the number one top-ranking Mason in the State of Washington, Most Worshipful Brother and Noble Frank E. Ulin, Grand Master of Masons of the State of Washington. (Rising applause.)

Most Worshipful Sir, on behalf of the Imperial Potentate of the Shrine of North America, I welcome you here today and thank you for being here because I know that you have a very busy and heavy schedule as you grace us today with the honor of your presence.

WORSHIPFUL BROTHER FRANK E. ULIN (Grand Master of Masons, State of Washington): Most Worshipful Sir, Imperial Sir, Honorable Senator Jackson, Imperial Sirs, Nobles and Ladies: I might say that it is indeed my pleasure and my privilege to be here at this Imperial Council Session today.

As Grand Master of Masons comprising the States of Washington and Alaska, and on behalf of those 62,000 Masons, Blue Lodge Masons, I would like to extend to you a very warm welcome and we hope that you thoroughly enjoy yourselves in this great State, especially in the City of Seattle.

Also, in the not too distant future, may the Shrine of North America look again to the West and favor us with another Imperial Session in this fair City.

Thank you all very much for coming. (Applause)

NOBLE FORD Q. ELVIDGE: Thank you, Most Worshipful Sir.

Now, we have some other very distinguished Masons here of high rank.

I should like to present and introduce to you Most Worshipful Brother Robert P. Joyce, Grand Master of Masons in Indiana. (Applause) We thank you for being here today.

Also, Most Worshipful Brother Herbert H. Jaynes, Grand Master of Masons in Massachusetts. (Applause) We also thank you for being present here. You have certainly come a long way.

Most Worshipful Brother Albert W. Abramson, Grand Master of Masons in Rhode Island. (Applause) Perhaps he has not been able to make it.

Most Worshipful Brother John W. Chandler, Grand Master of Masons in Kentucky. (Applause) We likewise thank you for being here.

Most Worshipful Brother J. Guy Smith, Grand Master of Masons in Texas. (Applause)

Most Worshipful Brother Hugh W. Eisenhart, Grand Master of Masons in Nebraska. (Applause) Thank you, Most Worshipful Sir.

Right Eminent Arnold L. Johnson, Grand Commander, Knights Templar of Washington. (Applause)

Illustrious Brother V. G. Francis, Sovereign Grand Inspector General for the State of Washington, Southern Jurisdiction of Supreme Council of the Scottish Rite, representing the Grand Commander, Luther A. Smith. (Applause)

Worshipful Brother Henry Roberts, representing the Sovereign Grand Commander of the Supreme Council of Scottish Rite of the Northern Masonic Jurisdiction. (Applause) Thank you also, Sir, for being here.

Anton L. Marek, Grand High Priest, Grand Chapter of Royal Arch Masons in Washington. (Applause)

C. L. Ward, Grand Master of the Council of Royal and Select Masters in the State of Washington. (Applause)

And now my friends, particularly of Seattle and King County, I have the pleasure of presenting to you, and he needs no introduction, the senior living Past Potentate of a Temple of the Shrine in North America and also the Senior Intendant General of the Red Cross of Constantine, who has been here for ninety-two birthdays, Illustrious Brother Daniel B. Trefethen. (Rising applause.)

I might add that Dan is the daddy and the granddaddy of all of the Nobles of Nile Temple.

Thank you, Director General.

DIRECTOR GENERAL AURIE J. THOMPSON: I would like to borrow a moment of your time and ask our Illustrious Sir, Virgil G. Francis, if he would like to extend a word of greeting to us here. We call him "Vic," and so I will say, "Vic, will you come up here and say a few words please."

BROTHER VIRGIL G. FRANCIS: Illustrious Sirs, Nobles and Ladies: I was promised this would not happen but I do appreciate being able to come to you and say to you that we in the Scottish Rite think the Shrine is a pretty wonderful institution and we

like it very much when we are able to say that most of the Scottish Rite members are also Shriners and that, of course, is the way it should be.

Thank you very much. (Applause)

DIRECTOR GENERAL AURIE J. THOMPSON: We have with us today a very distinguished guest. I don't think I have to go into a long introduction regarding him because so many people are constantly reading about this man. He is one of the greatest and, of course, I mean that sincerely. His actions are terrifically political.

I would like to present to you just a "great" Senator, The Honorable Henry M. Jackson. (Rising applause.)

THE HONORABLE HENRY J. JACKSON (Senator, State of Washington): Thank you, Aurie.

Imperial Sir, Chic Hogan, Imperial Sirs, Illustrious Sirs, Nobles, our Distinguished Mayor, Distinguished Guests, Ladies and Gentlemen: I am honored to have the privilege to participate in this Opening Ceremony. It is not only a delight to be here but it is a delight to be away from Washington D. C. (Laughter and applause.) It is certainly a pleasure to come back here to this cool weather and to be away from the hundred-degree temperatures we have been having in Washington, D. C. in order to extend a word of greeting to all of you who have come from all over North America.

I am especially proud to be here on this occasion because we in the Northwest have nothing but the greatest respect for Chic Hogan, if I may speak so informally in relation to this pomp and ceremony fit for a king. However, we are honored that he has served so faithfully and well as the Imperial Potentate.

I started out in the DeMolay a few years back. We in the DeMolay had nothing but the greatest admiration for the founder of this Order, Frank Land of Kansas City, who is a Past Imperial Potentate of the Shrine. This is the fiftieth anniversary of the Order of DeMolay and in February of this year I had the privilege of speaking at the Breakfast in Washington, D.C., an annual affair, presided over by our Imperial Potentate, Chester Hogan.

One of the many, many great things about Shrinedom is the fact that the Shriners are dedicated to the conservation of the youth of America. Shriners have been active in this area for over a half-century and at a time when we didn't have the urban unrest that we have today. This organization has done much for urban conservation by helping the underprivileged youth of America through the Crippled Children's Hospitals and now through the Hospitals that are available for the treatment of burns. They have rendered, in my judgment, an invaluable service, I will say, to the public in this all-important area of current national concern.

One other word. If there is anything that identifies Freemasonry, it is dedication to freedom to individual liberty. All through the centuries, Freemasonry has been in the forefront of the fight for individual liberty, for the preservation of individual freedom and the extension of individual freedom. This indeed identifies Freemasonry, which is the prerequisite body of Shrinedom. Whenever Freemasonry flourishes, freedom flourishes and the first order of every tyrant, whether a Hitler or a Mussolini or Stalin, has been to eliminate Freemasonry.

Therefore, this organization, as a part of Freemasonry, is dedicated to the greatest problem we face in the world today, as we have in centuries past, the preservation of individual liberty.

I am honored to be a member of this great body and I want to join all of my colleagues in wishing you a warm welcome to Seattle and to the Northwest, because, as I understand it, you are housed all the way from my home town of Everett and north of there to Tumwater.

Also, while you are here, I hope you will take advantage of our many outdoor opportunities for within an hour and a half we do have three of the greatest National Parks in the United States, Mount Ranier, Olympic National Park and the North Cascades National Park. Also, lest I get into trouble with El Katif Temple across the mountains, I want to recommend to you that you see Grand Coulee Dam and the great conservation effort across the mountains where we are in the process, because of Grand Coulee, of irrigating a million acres of land. Now, I am sure you are all familiar

with the "Hot Sands" and all I would like to say is that we are turning the "Hot Sands" over there into flourishing crops and, therefore, it is an area I want you to see.

Again, I am proud and pleased to welcome you to Seattle and to the entire Pacific Northwest and I know that you will stay well beyond the period of this Convention so that you can truly know our people, know our great outdoors and that you will come back often to be with us.

Thank you very much. (Rising applause.)

DIRECTOR GENERAL AURIE J. THOMPSON: And now comes the time when we introduce the Past Imperial Officers who have served Shrinedom so well and for so many years. I would like at this time to present them. I hope that we have them here in their proper sequences but we are going to present them just as the names appear on our list for introductions.

All of these men have worked tremendously hard to make Shrinedom grow.

We will start with Thomas F. Seay, Imperial Potentate, 1967-1968, Medinah Temple of Chicago. (Applause)

Imperial Sir Orville F. Rush, Imperial Potentate, 1966-1967, Kena Temple, Alexandria, Virginia. (Applause)

Imperial Sir Barney Collins, Imperial Potentate, 1965-1966, Anezeh Temple, Mexico City. (Applause)

Imperial Sir O. Carlyle Brock, Imperial Potentate, 1964-1965, Zem Zem Temple, Erie, Pennsylvania. (Applause)

Imperial Sir George M. Klepper, Imperial Potentate, 1962-1963, Al Chymia Temple, Memphis, Tennessee. (Applause)

Then we have Imperial Sir George A. Mattison, Jr., Imperial Potentate, 1960-1961, Zamora Temple, Birmingham, Alabama. (Applause)

Imperial Sir Thomas W. Melham, Imperial Potentate, 1957-1958, Tripoli Temple, Milwaukee, Wisconsin. (Applause)

Imperial Sir Gerald D. Crary, Imperial Potentate, 1956-1957, Naja Temple, Deadwood, South Dakota. (Applause)

Imperial Sir Walter Guy, Imperial Potentate, 1955-1956, Scimitar Temple, Little Rock, Arkansas. (Applause)

Imperial Sir Robert Gardiner Wilson, Jr., Imperial Potentate, 1951-1952, Aleppo Temple, Boston, Massachusetts. (Applause)

Last on this list but not least, Imperial Sir Harold Lloyd, Imperial Potentate, 1949-1950, Al Malaikah Temple, of Los Angeles. (Applause)

Now, we would like to present to you the Imperial Divan that is with us here in Seattle for this Session.

I will start with Imperial Sir Harvey W. Smith, Imperial Outer Guard, Sudan Temple, New Bern, North Carolina. (Applause)

Imperial Captain of the Guard, Imperial Sir, Peter Val Preda, Cairo Temple, Rutland, Vermont. (Applause)

Imperial Marshal, Imperial Sir W. W. Bennett, Ararat Temple, Kansas City, Missouri. (Applause)

Imperial Second Ceremonial Master, Imperial Sir Jack M. Streight, Gizeh Temple, Vancouver British Columbia. (Applause)

Imperial First Ceremonial Master, Imperial Sir Jacob A. Wingerter, Salaam Temple, Newark, New Jersey. (Applause)

Imperial Recorder, Imperial Sir George M. Saunders, Ararat Temple, Kansas City, Missouri. (Applause)

Imperial Treasurer, Imperial Sir Thomas W. Melham, Tripoli Temple, Milwaukee, Wisconsin. (Applause)

Imperial Oriental Guide, Imperial Sir Henry B. Struby, Hadi Temple, Evansville, Indiana. (Applause)

Imperial High Priest and Prophet, Imperial Sir C. Victor Thornton, Moslah Temple, Fort Worth, Texas. (Applause)

Imperial Chief Rabban, Imperial Sir Aubrey G. Graham, Khedive Temple, Norfolk, Virginia. (Applause)

Deputy Imperial Potentate, Imperial Sir J. Worth Baker, Murat Temple, Indianapolis, Indiana. (Applause)

And now it is with great pleasure and I know you will enjoy hearing from him too, that I am most privileged to present to you our Imperial Potentate, Imperial Sir Chester A. Hogan of Afifi Temple of Tacoma. (Rising applause.)

IMPERIAL POTENTATE CHESTER A. HOGAN: Thank you very much, Director General Aurie Thompson, Past Potentate of Nile Temple.

I am happy to see so many of our Past Imperial Potentates here. I am also most certain that our Imperial Officers are happy to see United States Senator Jackson here who flew in from Washington, D. C. today just to be here with us. I think that is great.

Now, let me also say that everyone has been introduced up here at the rostrum with the exception of one Noble and so at this time I would like to introduce to you a very dedicated, a most hard-working gentleman, one who made all the preparations for this great Convention. At this time I would like to have you give a nice big hand of applause to our Director General, Past Potentate Aurie Thompson. (Applause)

You know, when you become Imperial Potentate it is your privilege to select the Director General of your Convention. I selected Aurie and, of course, I am real happy that I made this selection. He is doing a great job and I am certainly deeply appreciative to him.

It is also your privilege to select the State in which you desire to have your National Convention. Naturally, being a Washingtonian and born and raised in Tacoma, now a resident of Puyallup and most certainly a resident of this great State, I wanted to bring it home. We have it here and I am happy for the hospitality and the wonderful favors we are getting from our Mayors, particularly from Seattle, Mayor Floyd Miller, the Mayor of Puyallup and the Mayor of Tacoma. I am sorry to say that our Mayor from Spokane could not attend but I am grateful for the wonderful way in which they have cooperated and for the extension of their hospitality. We are all certainly happy to enjoy this friendly feeling and are looking forward to a great Convention.

May I say again that as Imperial Potentate of the Shrine of North America it has been a tremendous privilege to serve—a tremendous responsibility to do the job that has to be done—and I hope that we now have, at least during my year, brought the prerequisite bodies, Masonic Lodges and the Shrine a little closer together. This, after all, is what I was striving to do.

Of course, I am happy to have our Grand Master, Most Worshipful Brother Frank E. Ulin, here, as well as the other Masonic dignitaries who were previously introduced.

May I also say that tomorrow morning at nine-fifteen we step off with our Morning Parade. We are looking forward to a 5½-hour Parade through downtown Seattle. Also, on Thursday night we will have the Night Parade. This will be a little different from the Morning Parade because of the lights, etc.

Tomorrow at three o'clock we will open the Imperial Council Session, in connection with which we will transact business for the coming year. Also, on Wednesday morning we are going to elect a new Imperial Potentate for the year 1969-1970 and this will take place at the Opera House and immediately after this election, the doors will be opened to the public to see the fine ceremonies he will put on. Therefore, I hope you will plan to attend at the Opera House and give J. Worth Baker a nice send-off for his year as Imperial Potentate.

Now, I understand it is four o'clock and that the session lasts just an hour. Aurie has told me not to close and so at this point I will ask him for his reason.

DIRECTOR GENERAL AURIE J. THOMPSON: I have a real good friend of yours sitting back here who would like to say a word to you if he may.

NOBLE WARD (Nile Temple): Imperial Potentate Chester, in behalf of the members of the organization which I represent and of which you are a member, I am very pleased to present to you this gavel.

The wood from which this gavel was made came from a George Washington Elm which grew on the University of Washington Campus for sixty-three years and which was grown from a slip taken from the elm tree under which Brother George Washington stood when he took command of the Continental Army.

(Presentation of gavel and applause ensued.)

IMPERIAL POTENTATE CHESTER A. HOGAN: Let me say that Ward and I have worked hard through the years for the Commandery. He is a Past Grand Commander and now head of the Council from the State and a wonderful Mason and wonderful Shriner, a real dedicated fellow.

Ward, may I say, in behalf of the Imperial Potentate of the Shrine, that I am grateful to have this beautiful gavel. It contains all of the insignias of the Shrine and you name it. God bless you and thank you. (Applause)

Now, at this time we will close until tomorrow afternoon at three o'clock.

(The Public Opening Ceremonies terminated at four-fifteen o'clock p.m.)

AFTERNOON SESSION
TUESDAY, JULY 1, 1969
THREE-FIFTEEN O'CLOCK P.M.

The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., convened in the Grand Ballroom, Olympic Hotel, Tuesday, July 1, 1969, at 3:15 o'clock p.m., Imperial Potentate Chester A. Hogan presiding.

IMPERIAL POTENTATE HOGAN: Nobles, will you please be seated.

To open this session, I should like to call upon our Imperial Chaplain, Reverend Larson, for the Invocation.

REVEREND LARSON: Nobles, let us pray

O God, our God, this day we come from the four corners of this continent, having traveled many miles, and we give Thee thanks for our safe arrival. There are so many things that we are thankful for—the fun that we are having, the Fraternity of which we are a part and, above all, we give Thee thanks for being men.

We would ask that these hours that we are together might make us ever mindful of who we are and to whom we belong.

As we continue with our business, may we find here wisdom to know that which is right, strength to do that which is right. O God, enlighten our minds with your truth, warm our hearts with your love and fill our lives with your power that we may go out to live for you

This we pray in your glorious and gracious name. Amen.

IMPERIAL POTENTATE HOGAN: Nobles, we would like to have your cooperation and we would ask each and every one of you to kind of keep your voices down so that we can get on with our meeting. We want to do this kind of hurriedly. Of course, I know you want to go to other places and, therefore, it is most serious now that we open the Ninety-Fifth Annual Session for business. Now, waiving all formal ceremonies, we are open for business.

We will first have the report of the Committee on Credentials, Noble Howard Millington, Chairman.

NOBLE HOWARD MILLINGTON: Imperial Sir, Members of the Imperial Divan and Representatives of this Session of the Imperial Council: I will not read the entire list of the Representatives but will give you total figures and the names will be on file with the Imperial Recorder.

NOBLE MILLINGTON: This report is respectfully submitted and signed by the members of the Committee. I move for the adoption of the report

(The motion was severally seconded.)

IMPERIAL POPEMATE HOGAN: It has been moved and seconded that the report of the Credentials Committee be adopted.

All those in favor will vote by the usual sign of a Mason; contrary, same sign. The motion is adopted.

I will now recognize our Imperial Recorder, George M. Saunders, for a motion to elect Representatives as Members of the Colorado Corporation.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, in order to transact the business of the Colorado Corporation, I move that the Representatives of the Imperial Council and Iowa Corporation, including all Ad Vitam and Emeriti Representatives, be elected to membership in the Colorado Corporation for the ensuing term.

(The motion was severally seconded)

IMPERIAL POTENTATE HOGAN: You have heard the motion and the second. All those in favor will vote by the usual sign of a Mason; contrary by the same sign. The motion is adopted.

I now proclaim the Session open for business to be transacted in both the Colorado and the Iowa Corporations and it will remain open until the Session is adjourned.

Now, are there any vacancies to be filled? I believe, George, you have one.

NOBLE SAUNDERS: As a matter of record, there is one vacancy in the Finance and Accounts Committee and the Imperial Potentate has appointed, to fill that vacancy, Illustrious Noble Fred Wilvers of Affi Temple.

IMPERIAL POTENTATE HOGAN: This is merely an announcement, no action is required.

Now, Nobles, if you will give me your attention, I will try to give you hurriedly my report. I am hopeful it will be of interest because this has been both a year of experience and frustration and most certainly a fruitful year.

IMPERIAL POTENTATE'S REPORT

Imperial Sirs, Illustrious Sirs, Representatives assembled for the Ninety-Fifth Imperial Council Session and my fellow Nobles: Never has a year gone so quickly, nor have I ever experienced a year filled with so many wonderful memories. It is as difficult for me, as it has been for all previous Imperial Potentates, to tell you how proud and grateful I am for this unforgettable Imperial year.

This has been the greatest year of my life! The trust and authority you placed in me to lead you for the year 1968-1969 has been guarded zealously. Every trip, every visitation, every seminar, every participation in Shrine Association meetings, every get-together of the Imperial Divan and Board of Trustees was undertaken with one thought in mind—to put Shrinedom in the best possible light at all times, to conduct the business of both the Iowa and Colorado Corporations with the most possible efficiency and to protect and promote our Fraternal and philanthropic activities.

Nor was anything ever done this past year in any attempt to promote myself, an individual. Instead, the year was programmed and appearances made always with the thought of bringing both dignity and credit to Shrinedom, to the Office of Imperial Potentate and to Shriners Hospitals for Crippled Children.

Deep in my heart I know that much has been accomplished. You have evidence of that progress yourself. My only regret is that the year went too quickly and that we could have accomplished still more in every field.

You charged me with the responsibility of traveling as far as possible and doing as much as possible on a personal basis with our Temples and Hospitals throughout North America. This was truly a fantastic experience, but exhausting.

Never will I be able to forget the warmth and fellowship, the millions of courtesies and the beautiful gifts both Helen and I received from you Nobles on our visitations.

We traveled from Coast to Coast—in Canada, in Mexico, Hawaii, the Canal Zone and throughout Europe. Everywhere, and on each occasion, the smiles and the genuine handclaps warmed me and made me so very proud to be a Shriner.

While every visitation was like being received in your own home, some far-flung appearances were most memorable, either because of the place or because of the size of the audience. I remember vividly the appearances on national television at the Milwaukee Bowl, where Tripoli Temple staged a great Chicago Bears-Green Bay Packers Game. Then there was that fine Shrine Bowl of Nebraska in Lincoln, Nebraska, staged by Sesostri, Tehama and Tangier Temples—the Oyster Bowl in Norfolk—the North-South Game in Miami on Christmas Day, the Shrine Bowl of the Carolinas and the famous East-West Islam Shrine Game in San Francisco. It was a thrill to participate in each and every one of them, all staged to support our Shriners Hospitals for Crippled Children.

My 250,000 miles of travel took me to meetings and sessions of all kinds. One that will always be close to my heart was the Football Writers Luncheon in San Francisco, when it was a privilege to present a plaque honoring the National Collegiate Athletic Association for its support of American college football. The occasion marked the observance of one hundred years of American college football and our token of appreciation will forever be enshrined in the Football Hall of Fame at Rutgers University.

That was Noble Andy Kerr's last game and we have given Islam Temple a portrait of the fine Shriner who worked so hard for the glory of the East-West Shrine Game to place in Islam Temple's East-West Shrine Game Hall of Fame.

This year marked the passing of two other great Shriners who were so close to us—C. P. "Chick" MacGregor, Imperial Assistant Rabban, and Trustee Emeritus Walter G. Seeger. My life has been enriched for having known these men and having worked so closely with them throughout the years. Their dedication and loyalty were inspirational, for both were loyal and true Masons and Shriners without peers.

It was at the numerous Shrine Association meetings and Ceremonials that I felt we were closer to the "grass roots" of Shrinedom and Masonry. Efficient, business-like and impressive in both conduct and pageantry we congratulate the officers and Nobles of the Southeastern Shrine Association, the Northeastern Shrine Association, the Central States Shrine Association, the Great Lakes Shrine Association and the Pacific Northwest Shrine Association. It was my privilege and honor to attend all of them.

Members of my Imperial Divan were wonderful "stand-ins" for me at other Shrine Association meetings and I am deeply indebted and very grateful to them for their excellent roles of representing me and serving Shrinedom so admirably.

There were other visits, too, that stood out. One was the Shrine Directors' meeting at Syracuse, and I will never forget the Imperial Ceremonials, with Aahmes Temple

as host, in Frankfurt, Germany, at Garmisch, Germany and the Ceremonial between the paws of the Sphinx in Cairo, Egypt. At these great Ceremonials it was my privilege to take part of the Ritualistic Potentate, and the many Ceremonials named in my honor are like bright jewels, vivid and precious to me.

My program at the start of the year was based on building a bigger, better and stronger international Fraternity. There has been much progress in our Masonic relations through a closer liaison between Shrine Temples and Masonic Lodges. My year as Master of Corinthian Lodge Number 38 in Puyallup was most helpful to me to understand the problems of understanding and membership. It is my hope that this work will continue to grow, for it is so vital for us in our goal of "A Million and Two by Seventy-Two." The National Membership Committee, headed by Imperial Sir Peter Val Preda, National Chairman, has worked hard and undoubtedly you are going to see another increase in Shrine membership this year.

We have worked hard, too, in the field of Wills and Gifts. Again, the National Committee, under the chairmanship of Past Imperial Potentate Walter C. Guy, did a masterful job. This is an activity that must continue to prosper. It means dedication and a lot of work, but it is one of the most important activities we have and must not be neglected—for the sake of our philanthropic program.

My "Look to the West" theme had a ring of youth to it and this phase of the year's program was directed to DeMolay. Nobles, let me say now that unless we give more and more attention to DeMolay and encourage them in every possible way that we will find it increasingly difficult and near impossible to find the new members for Masonic Lodges and also for Shrinedom. Temples must be encouraged to take an even more active role in working with these youth—to find more activities where Nobles and DeMolay can work shoulder to shoulder. These "young men on the go" are our hope and our future.

It was a happy coincidence to extend a hand to DeMolay during their fiftieth anniversary and your Imperial Potentate was delighted to have participated in both the fiftieth anniversary observance in Kansas City, as well as the annual Frank S. "Dad" Land Memorial Breakfast in Washington, D.C. The Breakfast was an inspirational one, for we were able to break bread with members of Congress and others in high-ranking offices in our government. It was also a thrill to have the Grand Masters of Masons in all of our fifty States participate with us in this meaningful Memorial.

Any help for DeMolay is good for it is building for tomorrow. I want to express by sincere appreciation to Imperial Sir Henry Struby, our National Chairman, for a magnificent job well done.

Our building program also took another direction. We set up a National Committee for the building of new Mosques and there has been excellent progress in this field. The dedication of the new Al Koran Mosque was a memorable event, as was the dedication of Sabbar's Mosque. What a thrill it is to take part in such fine programs and one of the stand-outs of the year was the dedication of a Shrine Burns Institute in Boston, where an outstanding program was beautifully conducted by Past Imperial Potentate Gardiner Wilson, Jr, who was the Chairman of this wonderful dedication there.

Our Imperial Shrine News featured the plans of several Temples who have blueprints under way for even more new Mosques, and it is my hope that more and more Temples will become actively engaged in positive plans for a new Mosque. It will be one of the greatest shots in the arm for gaining membership, as well as excellent community relations.

One of the most recent ceremonies of note was the cornerstone-laying for the new San Francisco Unit, and it was another great experience to participate in this event. Every time there is a ground-breaking, a dedication or a cornerstone-laying, it is another forward step for Shrinedom. It means we are not standing still and that we are always looking for improvement, which is as it should be, to give substance to our Fraternity.

I cannot emphasize too strongly how very proud I am of our Shriners Hospitals for Crippled Children, which include the miracle work being performed in our Burns Institutes at Galveston, Cincinnati and Boston. This year has taken me to many of

the Units during my Temple visitations. Everywhere, in every Unit visited, the work is being done efficiently and with great dedication. Every Shriner can be justly proud with me of what is being accomplished in our twenty-two Hospitals. Almost every day I received word from our Imperial Public Relations of a lecture given by one of our Chief Surgeons or our Director of Medical Affairs, or of stories of patients being sponsored by Temples, of emergency cases being flown to one of the Burns Institutes. It is absolutely fantastic the amount of public attention these Shrine cases are getting in the national press. It was food for the soul to be at Galveston on the third anniversary of the Galveston Unit and to learn that they had cared for 1,000 patients since they opened.

The excellence of care and the quality of staffs in our Hospitals is most impressive. Such projects as the Burn Bed, Boston's portable isolation ward, Cincinnati's marvelous serum that is being used, delicate skin grafting and the new pilot program on spina bifida at the San Francisco Unit are medical advances that are almost unbelievable. I swell with pride every time one of these advances comes to my attention for it tells me that Shriners Hospitals for Crippled Children are the finest hospitals anywhere in the world and we can take credit for giving North America and the medically destitute children one of the greatest all-around programs of helping children and training residents in the world. Isn't it great to be a Shriner? (Applause)

While we are on the subject of hospitals, I do not want to overlook the tremendous work done by our National Hospital Evaluation Committee, under the national chairmanship of Imperial Sir Vic Thornton. Out of a year of hard work has come a valuable evaluation report and the very first Public Relations Manual for use by each and every one of the twenty-two Hospital Units. So you see, we do not sit on our hands but we keep looking for ways in which we can improve all facets of our philanthropy and our Fraternity. Our image has been greatly enhanced this year.

One of the most important of the national Shrine committees is the Patient Recruitment Program to keep our Hospitals filled. This is the time, too, to continue this work before patient census drops too much, and so I am hopeful that the program will be continued. I give great credit to the dedication and hard work on this project that has been done by Noble Walt Woodburn of Nile Temple, National Committee Chairman, and to Noble Hale Rollins of Gizeh Temple as Vice-Chairman. They have certainly kept the ball rolling. While I am talking about this, I might say that our Chairman from Vancouver every year gets between 6 and 700 patients for the Hospital at Spokane and we are likewise getting some 120 out of Alaska. Therefore, I take my hat off to all of these fine Nobles who are helping in connection with our Hospitals' census and I am hopeful that all over America each Temple will take upon themselves the responsibility of recruiting patients for our Hospitals.

This year's accomplishments have been possible through the cooperation and loyalty of a great staff at Headquarters in Chicago. I personally want to extend my heartfelt thanks and appreciation to our Imperial Recorder, George M. Saunders, for his tremendous help. Every member of his staff has been wonderful to work with and our Imperial Recorder has been a contributing factor in making my year easier and more enjoyable.

Every department head in the Central Offices in Chicago is an expert—all Nobles, experienced and valuable to Shrinedom on their own merit.

In addition to the Office of Imperial Recorder, there are the offices of General Counsel, Noble Clarence Phillips and his able assistants, Noble Paul Ibach and Noble Dick Weisman.

There is also the Imperial Treasurer's Office under the capable hand of his fine assistant, Noble Lewis Molnar.

We have a Public Relations Department, headed by Noble Bob Sconce. We also have a very important department, that of Data Processing, under the supervision of Noble Don Peirce.

Until you have had an opportunity to work closely with these Nobles you little realize what talent we have. Personally, I have experienced a great association with our Assistant Treasurer and admire the manner in which the work of both the Imperial Treasurer's Office and the General Accounting is handled.

The same is true for the Office of General Counsel, who is wise, patient, efficient and most helpful. His assistants and staff are doing a great job and you have every reason to be so very proud of all of them. It was my privilege to name Noble Clarence Phillips and to receive his ratification as General Counsel from the Board. He served as Chairman of the Board of Governors of the Portland Unit for many, many years and has been responsible for bringing in millions of dollars in wills and gifts for our Hospitals. He is also a Past Grand Master of Masons for the State of Oregon. Noble Clarence Phillips has unselfishly dedicated his valuable legal services over the years for this work on Wills and Gifts at no expense to the Shrine.

I would be remiss not to include our Imperial Auditor in my "Thank You's." This important work is in very able hands and we are indeed fortunate to find the caliber of Shriner and craftsman that we have in Noble Jim Hendrix. Following the retirement of Noble Arthur Upleger, Emeritus Auditor, we were fortunate to get the services of his associate, Noble Hendrix, because of his great background and ability. It was my privilege to honor Noble Upleger with the title of Emeritus Auditor.

Shrinedom is rich in outstanding talent and outstanding men. Nowhere will you find such an array of individuals who are a credit to home, to country and to God. One such Shriner is our Imperial Chaplain, Randy Larson, of my home town, Puyallup. Thank you, Noble Randy, for the excellent year you have given us.

I have found this year that because we have such tremendous Shriners all around us that all one has to do is give them a job and it will be done expeditiously, efficiently, with dignity and with credit to their Temple, their Hospitals and to themselves.

May I say that I am grateful to all of my Imperial Officers and I wish to take time to thank them individually because, in relation to my report, we did not get them in there.

Therefore, I want to thank our Deputy Imperial Potentate, J. Worth Baker, for his wonderful cooperation in helping me and representing me at many places.

I want to thank Imperial Sir Aubrey Graham, our Chief Rabban, who has been so kind and helpful with his wisdom in helping me to operate the Shrine and helping to make peace and harmony prevail in the Temples and also on a national basis.

I want to thank Imperial Sir Tom Melham, our Imperial Treasurer, who has been a good watchdog of our funds and who does a great job.

I want to thank Imperial Sir Jacob Wingerter. He was the Chairman of our Transportation of Patients Committee all over the country and he didn't spend any more than he had to. However, he did a fine job.

I also want to thank our Counsel, our lawyer from Canada, Imperial Sir Jack Streight, my neighbor and colleague, for his fine cooperation this year and I appreciate his willingness to represent me at many, many places I was unable to go.

I want to thank Imperial Sir Woody Bennett. You know, one of the reasons this Convention is operating so smoothly is not only because of the efforts of the Director General and his Staff but also the Imperial Marshal's efforts, who likewise has a lot to do with keeping it running smoothly. Woody has done this and has also been in charge of the Committee in connection with our National Headquarters Building. He has taken good care of all the things that have to do with the National Headquarters and I am grateful to him.

I am likewise grateful to Harvey Smith for the fine cooperation that he shows when we can find him. (Laughter) I just said that for fun. I might say to you that our Imperial Recorder and your Imperial Potentate tried finding him for three months and we finally caught him. Therefore, if we can find Harvey, he does a good job. Harvey is dedicated, he is a good Shriner and a dedicated Mason.

Now, hopefully, in the near future, when funds are available, I pray that the next Shrine Burns Institute will be built on the West Coast. In 1968, the Sites Committee selected the West Coast for the next Burns Institute. Then the Boards felt that we should have a year's moratorium because of the tremendous costs we were experiencing in the Burns field. Seattle is an ideal location for the next Burns Institute, because of its proximity to the fine medical school at the University of Washington and also

because of the fine transportation facilities available. The Seattle area is the focal point for excellent air travel to Alaska, Canada, the Orient, to Honolulu and to the entire West Coast. Establishing a Burns Institute in Seattle will not only greatly reduce the costs of transporting patients to Boston, Galveston and Cincinnati from western cities, but will enlarge the territory from which the Shrine is able to draw its burns patients. I say this, Nobles, when and if, in maybe a year or two years, even five years, we are able to do this, I hope we will take a good look at the Pacific Northwest for a Burns Hospital.

Both Helen and I are deeply thankful to each and every one of you for the honor and opportunity to have served you as your Imperial Potentate. I trust that Shrinedom has not found my Imperial year too burdensome or disappointing. There is still a lot of work ahead and perhaps some rest for me.

We thank you for the fellowship, the dedication and the loyalty heaped so bountifully upon me. With a full heart, it is time to conclude this report and to return to the ranks.

Thank you, Nobles all.

(Rising applause.)

Officers

\$507.4 (d) Treasurer. The Treasurer has the following duties: (1) To arrange at the General Offices of this corporation for the receipt from the Secretary of all monies, property and assets of the corporation and the deposit thereof in such depositories as the Board of Directors may from time to time approve.

1969 IMPERIAL COUNCIL SESSION

The next Session of the Imperial Council will be held in Seattle, Washington, the week of June 29, 1969. The Director General is Aurie J. Thompson, 519 6th Avenue South, Seattle, Washington 98104. Telephone Area Code 206, MA 3-5060.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in Seattle as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Seattle, Washington. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, *and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee, and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith*, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1969 Session in Seattle, Washington.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered, contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Seattle, are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Seattle is contacted through the Director General, Aurie J. Thompson, 519 6th Avenue South, Seattle, Washington 98104. Telephone Area Code 206, MA 3-5060. The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

Mrs. Hogan will accompany Imperial Potentate Hogan on his visitations unless notified otherwise. It is suggested that no breakfast or morning engagements be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resume of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Imperial Recorder) as

far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE IMPERIAL RECORDER.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples, chartered by the Imperial Council operate, i.e., United States, Canada and Mexico. These three National flags should also be properly displayed at all Shrine meetings.

Information concerning the proper display of these national flags may be obtained from the Office of the Imperial Recorder.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. THIS IS NOT PROPER. No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

GENERAL ORDER NO. 2

Series of 1968-1969

Office of the Imperial Potentate
Chicago, Illinois, October 4, 1968

To the Representatives of the Imperial Council, Potentates, Recorders of the Subordinate Temples, and the Nobility of the Order:

"ES SELAMU ALEIKUM"

At the 94th Annual Session of the Imperial Council held in Chicago, Illinois, the Imperial Council adopted the report of the Special Committee on Shrine Tours and Cruises which in part recommended the issuance of a General Order concerning Shrine tours and cruises. Pursuant to that action of the Imperial Council and the authority vested in me as Imperial Potentate of the Shrine of North America, I hereby issue this General Order for the government of subordinate temples and the nobility.

1. The Potentate of any Temple which intends to sponsor a tour the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall give notice in writing to the Imperial Recorder of such intent; and the notice shall include the proposed dates and itinerary of such tour.
2. No tour the itinerary of which includes any point outside the continental United States, Canada, or Mexico shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours, cruises, and pilgrimages.
3. The Potentate of any Temple which intends to sponsor a tour the itinerary of which includes any point outside the continental United States, Canada, or Mexico shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.
4. The Potentate of any Temple which intends to sponsor a tour by supplemental air carrier, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tour shall clearly state the limits of liability of such carrier and/or its insurer for injury to and loss of life of each pas-

senger, the total for each occurrence, and for damage to or loss of personal property.

IT IS DIRECTED that this General Order No. 2 be read to the Nobility of each Temple at the first session following its receipt, and that a record of its receipt and reading be made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council this 4th day of October, A.D., 1968, and of the Order A.H. 1388.

SERIES OF 1968-1969

COMMUNICATION

The subject of communication between the Imperial Potentate and the Temple Potentate must be developed so that an open line is maintained to all Nobles of each Temple.

PATIENT RECRUITMENT

We have a great need for active interest and help from each Temple Potentate on this subject if we are to insure patients in the beds in our Units. We need more than 30% increase in hospital patients to utilize efficiently our present hospital facilities.

To date approximately two-thirds of all Temple Potentates have not named their Temple Chairman on the Patient Recruitment Committee, nor set the committee to work. We urge this be done at once and report to the Imperial Council office the name and address of the Chairman. The National Committee Chairman is Noble Walter Woodburn of Nile Temple in Seattle, Washington, and the Vice Chairman-Secretary is Noble Hale Rollins of Gizeh Temple in Vancouver, B. C., who want to make a good progress report at the next Imperial Council Session.

The Temple Committee Chairman should contact the crippled children agencies of city, county, state and government, as well as any other crippled children referral

agency to inspire them to refer crippled children to Shriners Hospitals. All Shriners should be alerted to be on the watch for patients for our hospitals. We can only keep our hospital full and working if each Noble and Temple will exert the proper interest and time to our charitable work.

MEMBERSHIP

This is a subject that must have the help of all Temple Officers and all Nobility. We will soon be in our Centennial year as a fraternal organization, and at that time we want to report a million active Shriners on the membership rolls. It is not too much to ask of each Noble that "Each One Bring One." This can be done by a Noble bringing a friend through Masonry to the Shrine, or by bringing in a Mason who is already eligible, or by getting one who is a Noble carrying a demit from his Temple to reaffiliate, or one who is suspended to reinstate to active membership.

It takes effort and this must flow from the Temple Potentate to his Nobles as inspiration to get the job done for his Shrine Temple. You are asked to organize your Nobles and get the job done. Let us know the name and address of your membership Chairman and we will send him information.

It is directed that this General Order No. 3 be read to the Nobility of each Temple at the first session following its receipt, and that a record of its receipt and reading be made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council this 1st day of March, A.D., 1969, and of the Order A. H. 1388.

GENERAL ORDER NO. 4
SERIES OF 1968-1969

OFFICE OF THE IMPERIAL POTENTATE
Chicago, Illinois, March 1, 1969

*To the Representatives of the Imperial Council, Potentates, Records of
Subordinate Temples, and the Nobility of the Order:*

"ES SELAMU ALEIKUM"

It appearing that the interests of the several Temples and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

I. MOTOR VEHICLES

1. No Temple, nor any Unit of the Temple or Shrine Club in the jurisdiction of the Temple, shall acquire, use or sponsor the use of any motor vehicles, other than those of customary design and equipment, unless the written consent for such use has first been given by the Potentate of the Temple.

2. When motor vehicles of types, kinds and designs other than of customary design, or having thereon other than customary equipment, are being used by Shrine Temples, Units or Shrine Clubs in parades they shall maintain formation and be kept within the line of march and shall in no event be driven nearer than five feet of the curb or of onlookers observing the parade, provided, however, that this prohibition shall not apply to motorcycles driven by Nobles engaged in maintaining open streets or other policy duty. The throwing or handing of candy, nuts, souvenirs or other articles from motor vehicles is prohibited.

3. No person except Nobles of the Mystic Shrine shall be permitted to ride in, or on any motor vehicle of other than customary type or design. No motor vehicle shall be driven into the lobby of any hotel or into any other building, or part of a building where motor vehicles are not customarily driven.

4. No motor vehicle of other than customary type or design shall be used or operated except with the permission of or under the direction of the Potentate. Temple Potentates are admonished that the cruising of these unorthodox motor vehicles, particularly at night, is not generally in the best interest of the Shrine.

II. LIABILITY INSURANCE

In particular, the public liability policy should be broad enough to include INJURIES OCCURRING AT CEREMONIALS, injuries to members, guests, licensees or trespassers on Temple property, and injuries occurring to the public as a consequence of street parades and the like.

 50,000 Property Damage
 5,000 Medical Payments Per Person

This policy should provide defense for Bodily Injury and Property Damage for limits shown on all owned, non-owned, leased or hired automobiles. In addition, provision should be made for Medical Payments' coverage for passengers, Medical expenses incurred for injuries resulting from an auto accident within one year of date of accident.

This policy should be endorsed to provide protection per State statute where, in an accident, our driver is not held responsible and the other driver does not have insurance.

- C. It is further suggested that every Temple investigate the so-called "Umbrella" Liability Coverage over and above your basic policies. You will find the cost very reasonable for substantial extra protection.

The term motor vehicle as used herein shall include, but not to the exclusion of, other types and kinds of such vehicles, all power-driven equipment such as scooters, break-aways, and all specially built and rebuilt vehicles; and so far as may be pertinent, to vehicles drawn by animals. This Order is issued as a safety measure and shall be applied as may best achieve that end. Temple Potentates are responsible for the compliance with this Order by his Temple, its Units, and by the Shrine Clubs and Nobles within its jurisdiction. Violations will be followed by disciplinary action.

Each Temple Potentate shall require the head of every Shrine Club, Unit or other Shrine organization under the jurisdiction of his Temple to be informed of these provisions and shall be responsible for strict compliance with them.

III. ILLEGAL LOTTERIES

The practice of raising funds in Temples by means of programs which were held to be illegal lotteries has greatly diminished. Only occasionally is there any resort to such methods of financing Shrine projects. Temple Potentates are directed to avoid and prevent all such illegal practices and to request a ruling whenever any doubt arises as to the legality of any proposed venture.

IV. PARTICIPATION IN SHRINE FUNCTIONS

Temple officers and Nobility are again reminded that the Imperial law provides that only Nobles shall participate in Shrine Parades. Females and female impersonators are prohibited from appearing in public functions of the Order. The appearance in public of candidates or Nobles in costume or attire, or engaging in activities which bring reproach upon the Order, is prohibited.

V. USE OF NAME

"SHRINERS HOSPITALS FOR CRIPPLED CHILDREN"

THE NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" CAN NOT BE USED IN ANY PROMOTION WITHOUT THE PERMISSION OF PAST IMPERIAL POTENTATE HAROLD LLOYD, CHAIRMAN OF THE BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

You may address Imperial Sir Lloyd in care of the Office of the Imperial Recorder.

VI. SHRINE HOSPITAL GIFTS

Potentates and Records of Temples are directed to send prompt notice to the Imperial Recorder of all gifts or bequests of which they may obtain knowledge and which has been made to or for the benefit of Shriners Hospitals for Crippled Children, and shall give full information as to all such gifts or bequests.

The required notice and information is necessary in order that full records may be maintained and so that the General Counsel may take proper steps to protect the interests of our charity.

VII. TEMPLE BY-LAWS

Your attention is directed to Section 331.5 of the Imperial By-Laws, which reads as follows:

"331.5 Change in Imperial Council laws; effect on Temple By-Laws.

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the By-Laws of any Temple, the By-Laws of the Temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every Temple to make this change in its By-Laws immediately upon receiving the printed copy of the Proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation."

All Temples, who have not already complied with the above provisions of the Imperial By-Laws, are requested to do so as soon as possible and to include in, change, delete, or add to present Temple By-Laws the provisions of the Imperial By-Laws revised as of July 12, 1968, including 1968 amendments adopted at the Imperial Session in Chicago, Illinois.

Temple By-Laws should be brought up-to-date and obsolete provisions should be deleted therefrom without delay so that Temple Officers and Nobles may be advised correctly as to their rights, duties, and obligations under the current applicable provisions of the Imperial Council and Temple By-Laws as revised and corrected.

It is suggested that a By-Laws Revision Committee be appointed by the Temple Potentate to review Temple By-Laws, make necessary conforming revisions in Temple By-Laws, and forward three copies of the new revised Temple by-laws to the Imperial Recorder at once as required under paragraph (c) of Section 331.5 of the Imperial By-Laws.

VIII. TEMPLE BUDGETS AND ACCOUNTING

NOTE SECTION 334.5 OF IMPERIAL LAW—Potentates, Recorders and Treasurers of Temples are required to see that the books of record and account are so kept as to conform to the Uniform Chart of Accounts published as an appendix to the 1968 Revision of the By-Laws of the Imperial Council. Temple budgets must be adopted and followed as required by the Imperial Council By-Laws.

Copies of complete Temple and affiliated organizations audit reports and the budget report must be sent to the Imperial Recorder's office.

IX. CONSTRUCTION PROGRAMS

NOTE SECTION 334.7 OF IMPERIAL LAW—Temples which desire to engage in construction programs, either of new buildings or of additions or improvements to existing structures, are reminded of the necessity of obtaining advance approval of the Imperial Potentate. No commitments are to be made or obligations incurred until this approval has been obtained.

X. PROTOCOL

Temple Potentates and Divan members should acquaint themselves with Shrine protocol practices and customs as are set forth in the Protocol section of the Imperial Council directory, and see to the observance thereof on all occasions, particularly upon the visitation of the Imperial Potentate.

XI. COMPLAINTS AND CORRESPONDENCE

In order that complaints and inquiries be efficiently handled in an orderly way, it is necessary to insist upon a compliance with Section 338.1 of the Imperial By-Laws, which provides:

"(a) Complaints and correspondence to the Imperial Potentate from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate.

(b) If the Potentate of the Temple refuses or neglects to forward a communication, the complainant may transmit it directly to the Imperial Potentate.

(c) A Representative may communicate directly with the Imperial Potentate."

It is directed that this General Order No. 4 be read to the Nobility of each Temple at the first Session following its receipt, and the entire Order be made a part of the records of such Session.

Given under our hands and the seal of the Imperial Council this 1st day of March, A.D., 1969, and of the Order A. H. 1388.

SPECIAL NOTICE TO RECORDERS

In order that proper tribute may be paid to our departed Nobility, Recorders of Subordinate Temples are requested to immediately send direct to Imperial Sir Aubrey G. Graham, Chairman of the Necrology Committee, P. O. Box 719, Norfolk, Virginia 23501, memoranda relative to distinguished Nobles of their membership who have died since the last session of the Imperial Council. The Committee on Necrology is dependent on the cooperation of the Recorders for this information.

EMERITI MEMBERS

Please advise the office of the Imperial Recorder immediately the name of any Representative of your Temple who will become eligible for Emeritus membership by attendance at the 1969 session of the Imperial Council so that the Chairman of the Committee on Emeriti Members may be notified.

ARTICLE 3, SECTION 203.4 EMERITI REPRESENTATIVES

No nominations for Emeriti Representatives shall be considered by the Committee unless the same is received by the Imperial Recorder at least 30 days prior to the date of the convening of the Imperial Council Session at which said nominations are to be acted upon.

NOTICE TO POTENTATES AND RECORDERS

The Imperial Recorder's office in the Williamsburg Room of the Olympic Hotel, will open on Friday morning, June 20, 1969. In order to expedite the work of the office and facilitate the preparation of the necessary reports to the Imperial Council, it would be a great accommodation if the Potentates and Recorders would forward any changes in Representatives so as to reach the Chicago office on or before June 20, 1969.

With reference to the matter of appointing Representatives, PLEASE NOTE THAT SECTION 325.14 of ARTICLE 25 STATES "IF THE VACANCY IS IN THE OFFICE OF AN ELECTED REPRESENTATIVE, AND TIME IS NOT SUFFICIENT TO CALL A SPECIAL ELECTION, THE POTENTATE SHALL APPOINT A REPRESENTATIVE, AND NOTICE OF THE APPOINTMENT, BY LETTER OR TELEGRAM, MUST REACH THE IMPERIAL RECORDER'S OFFICE BEFORE 9:00 A.M. ON THE 5TH DAY PRECEDING THE NEXT OPENING SESSION OF THE IMPERIAL COUNCIL, IN ORDER TO QUALIFY THE REPRESENTATIVE." THIS MEANS THAT SUCH APPOINTMENT MUST BE RECEIVED BY THE IMPERIAL RECORDER ON OR BEFORE 9:00 A.M. ON THURSDAY, JUNE 26, 1969.

RECEPTION FOR NEWLY ELECTED IMPERIAL POTENTATE

The reception and inauguration pageant for the newly elected Imperial Potentate will take place in the Opera House at the Seattle Center, immediately after his

election on Wednesday morning, July 2, at 9:15 A.M. All Nobles and their ladies are invited to attend and honor our newly elected Imperial Potentate.

ROLL CALL

The Imperial Potentate advises that there WILL be roll calls of Representatives at any time during the sessions of the Imperial Council.

Please take due notice and maintain constant attendance at all business sessions of the Imperial Council. Mileage and Per Diem are paid for this purpose.

COMMITTEE LIST

Appointed by Imperial Potentate Chester A. Hogan

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular matter. Embarrassing situations have resulted.

The reports of the Committees are to be made to the Imperial Potentate or to the Imperial Council. There should be no discussions of pending matters with persons not on the committee unless at the direction of the Committee for the sole purpose of obtaining information.

The careful observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

The Night Parade will start promptly at 7:30 P.M. on Thursday, July 3. The route and dispersal area will be the same as the Day Parade.

Potentates will instruct commanders of their Uniformed Units that all movements in both Parades must be forward movements. This regulation will be enforced.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Aurie J. Thompson, Director General of the Convention, whose office is located in Room 231, Olympic Hotel, Seattle, Washington 98111, Area Code 206, MU 2-5266 or MU 2-5267. The attention of all Potentates and heads of Uniformed Units

is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamor of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" nearer the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Seattle, Washington, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Seattle, Washington will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers

of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Seattle, Washington, the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than **ONE CAR for the officers of each Temple with uniformed units in the parades**. Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. The Reviewing Stand will be in the Seattle Center Coliseum for the Day Parade and for the Night Parade. At the Reviewing Stand, Temple Divans will give hand salute, or eyes right, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for eyes right or salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, Uniformed Bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

If your Uniformed Units attend the Imperial Council Session in Seattle, Wash., it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple, to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Captain Lyle LaPointe. Provost Headquarters during the Convention will be in the Convention Office at the Olympic Hotel. Each Potentate will kindly advise Noble Captain Lyle LaPointe the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. The members of the Provost Guard are to be instructed that they will meet with Noble Captain Lyle LaPointe for instructions, etc. on Monday, June 30, at 9:00 A.M. at his headquarters in the Olympic Hotel. Correspondence with Noble LaPointe prior to June should be addressed to Room 231, Olympic Hotel, Seattle, Wash. 98111.

IMPORTANT

FOR THE PURPOSE OF AVOIDING POSSIBLE CRITICISM AT THE SEATTLE 1969 IMPERIAL COUNCIL SESSION, NO NUBIAN SLAVE COSTUMES OR BLACK-FACED CLOWNS, OR ANY SIMILAR COSTUME OR MAKE-UP, WILL BE PERMITTED IN PARADES, ON THE STREETS OR IN HOTELS OR OTHER PUBLIC PLACES IN SEATTLE, WASHINGTON.

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various Temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

Now, Nobles, I understand that Past Imperial Potentate William H. Woodfield, Jr., is not with us and, therefore, at this time I would like to call on Past Imperial Potentate Gardiner Wilson, Jr. to give us the report of the Committee on Transactions of Imperial Officers.

NOBLE ROBERT G. WILSON, JR. (Past Imperial Potentate): Imperial Potentate and Nobles, it has been stated that due to the absence of our beloved senior Past Imperial Potentate, I have been granted the privilege of presenting this report. (Reading)

To the members of the Imperial Council, A.A.O.N.M.S.:

Your Committee on Transactions of Imperial Officers, to whom the report of the Imperial Potentate, Chester A. Hogan, was referred, submits the following recommendations:

1. That all matters relating to finance, revenue, budgets, expenditures and bonds be referred to the Committee on Finance and Accounts.
2. That all matters relative to edicts, orders, decisions and recommendations as to Statutes and Laws be referred to the Committee on Jurisprudence and Laws .
3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.
4. That all matters pertaining to dispensations and charters be referred to the Committee on Dispensations and Charters.

5. That all matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

Your Committee on Transactions of Imperial Officers is glad to express sincere compliment to Imperial Sir Chester A. Hogan and his gracious Lady, Helen, for their year of unselfish service to the Shrine. His contributions to Masonry and our organization throughout past years has meant much to a tranquil and most enjoyable year of administration in his own name as our leader.

Each of them have given unselfishly of themselves in the year's work now coming to a close, and the Shrine Diadem glows much brighter because of their efforts expended in our behalf. We enjoyed great gains forward in our Masonic relationships because of this grand exemplification of brotherhood.

He has enjoyed many special occasions during the year; included in the events are the Ceremonials in Germany and Egypt, where great showmanship in the lighted presentation of the Pyramids and the Sphinx were so graphically given.

Your Committee is glad to speak for the entire Imperial Council in extending in your name a warm and personal greeting to Imperial Sir Hogan with great appreciation for such valued service and with all good wishes for future years.

This report is respectfully submitted by the Committee on Transactions of Imperial Officers, in whose behalf I now offer this report and would move for its adoption.

(At this point the gavel was tendered to Deputy Imperial Potentate Baker.)

NOBLE J. WORTH BAKER (Deputy Imperial Potentate): Nobles, you have heard the motion and the second. All in favor of adopting the report of the Committee on Transactions of Imperial Officers indicate by saying "Aye," contrary by the same sign. It is so ordered.

(At this point, the gavel was again returned to the Imperial Potentate.)

IMPERIAL POTENTATE HOGAN: At this time I would like to ask any having announcements to present them.

(Announcements as to various committee meetings ensued.)

IMPERIAL POTENTATE HOGAN: I will now recognize Imperial Sir Jack Streight, who has a resolution.

NOBLE JACK STREIGHT: I wish to present the following resolution:

"RESOLVED, That this Ninety-Fifth Imperial Council Session go on record in congratulating Past Imperial Potentate Marshall M. Porter of Calgary, Alberta, and his charming wife, Lillian, on their fiftieth Golden Wedding Anniversary and that the Imperial Recorder, by wire, express our heartiest congratulations of this assembled body."

I move the adoption of this Resolution.

(The motion was severally seconded and, there being no discussion, the motion to adopt the resolution was voted upon and declared to be unanimously carried.)

IMPERIAL POTENTATE HOGAN: At this time I would like to recognize the Potentate from our new Temple at Pensacola, Potentate Ray H. Schmidt.

NOBLE RAY H. SCHMIDT (Potentate, Hadji Temple): Imperial Sir, Chester A. Hogan, and Imperial Sirs, Illustrious Potentates and Delegates and Members all: It is my pleasure to be able, as the baby Temple Potentate, to be the first to be recognized. You know, normally we are wagging the tail at the other end but this time we do have the honor of being able to make a presentation.

We were honored last year by having our Imperial Potentate make his first official visit to the world's most beautiful country, Hadji Country, and we did have a good time and we certainly enjoyed your visit. We were certainly appreciative of that honor and likewise the honor of having been able to have you in our home while you were there.

Now, at that time you expressed a wish for something you saw in my home and, therefore, it is now my pleasure to present to you this gift from Hadji Temple. I hope you will enjoy it and think of us often.

(Gift presentation and applause.)

IMPERIAL POTENTATE HOGAN: Thank you, Ray. Shall I open it?

(Cries of "Yes.")

NOBLE RAY H. SCHMIDT: Let me say, fellow Representatives, this is a bronze plaque indicating that Imperial Sir Chester A. Hogan is a Thirty-Third Degree Honorary Member of the Southern Supreme Council, presented to him by Hadji Temple. (Applause)

IMPERIAL POTENTATE HOGAN: Noble Schmidt, may I thank you from the bottom of a grateful heart for this lovely gift. You can rest assured it will have a prominent place in my office where everybody can see it. Thank you very much and God bless you.

I would like to recognize Nobel John T. French.

NOBLE JOHN T. FRENCH (Chief Rabban, Zenobia Temple): Imperial Sir, I would like to announce that our Potentate had a heart attack in Spokane, Washington and he is in the Deaconess Hospital. This happened to him on Friday, on his way up here.

IMPERIAL POTENTATE HOGAN: We are certainly very sorry to hear about that. Will you please convey this message to our Imperial Recorder so that he can take the appropriate action.

While they are handling that matter, I would like to call on Noble Clyde Oliver, Chairman of the Committee on Election Tellers, Judges and Clerks, who has some instructions for all of you.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives: Tomorrow, as you know, is election day. I cannot tell you how to vote but I can tell you a few of the procedures we would like to have you follow.

First of all, as each of you registered, in your envelope you received a booklet of ballots. It is most important, Nobles, that you keep this with you at all times during the Sessions.

Tomorrow morning the meeting will reconvene at the Grand Opera House and following the election of the Imperial Potentate and the advancement of the other Imperial Officers, we will take the first secret ballot for Imperial Captain of the Guard. At that particular time, the Imperial Potentate will designate the ballot to be used and the ballot will be taken up immediately following the tabloid at the podium.

Now, usually, the election will follow at the very tail end of the morning session. We will then recess for lunch and reconvene in this room tomorrow afternoon. During the noon hour, the ballots will be tabulated and the report given you at that time.

It is important that you come back to this room as soon as you can following the luncheon hour so that should there be a need for a second ballot, you will be here to vote on that.

The way we will proceed to vote in this room is that the ballot boxes will be passed down the various aisles, through the various rows from the aisles, and you will vote from the position where seated. Then the votes will be picked up.

Tomorrow, possibly, it will be necessary to take the vote from the rear of the room. We don't know exactly what the locations of the aisles will be at the Opera House or how they will be used. We will be taking the first secret ballot tomorrow morning and it will be tabulated during the lunch hour.

Thank you very much. You will receive further instructions tomorrow as we take our ballot.

IMPERIAL POTENTATE HOGAN: Thank you, Noble Oliver.

Are there any questions?

Tomorrow morning, at nine o'clock sharp, we reconvene at the Opera House over at the Civic Center and for those of you that do not have automobiles, you can catch the monorail, take it right out there. We will start our meeting promptly at nine o'clock.

Following the brief opening, we will have the election for Imperial Potentate and then we will recess, we will let the public in and have them likewise observe the Pageant that has been planned and then, following that, we will immediately go back into session. We will then elect all of the other Officers and take the first ballot on Imperial Captain of the Guard.

Are there any questions? If not, let me again remind you, please do not forget your ballot books.

I would now like to ask our Imperial Recorder if he has any special announcements.

NOBLE GEORGE M. SAUNDERS: I don't have anything special other than again to remind the Representatives that the election starts tomorrow at nine o'clock sharp at the Opera House. Again, don't forget your ballot books. Further, it only will take approximately five minutes to elect the Imperial Potentate and then the meeting will be open to the public, the ladies will be permitted to enter. Also, please don't forget, after you leave there, that you come back to the Spanish Ballroom for your luncheon. You also have the luncheon tickets in your envelopes and then, after the luncheon, you again return to this room for the next session and from there on out the balance of the sessions will be held in this room. Also, please don't forget that the Representatives are to sit in the red-backed chairs forward; the non-Representatives behind the wall in the back of the house, so that the Imperial Potentate can determine the ballot in relation to any question he may take a vote on.

Imperial Sir, I think that finishes all of the announcements except that I would like to move that the Imperial Recorder be instructed to send telegrams of greetings to the Past Imperial Potentates and the Emeritus Members who are absent from this meeting.

(The motion was severally made, seconded and unanimously carried.)

IMPERIAL POTENTATE HOGAN: Is there anything further on your desk George?

NOBLE GEORGE M. SAUNDERS: That is all on the desk for today's session, Imperial Sir.

IMPERIAL POTENTATE HOGAN: Very well, we are now recessed until nine o'clock tomorrow morning. Thank you very much.

(The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-fifteen o'clock p.m. to reconvene at nine o'clock a.m., Wednesday, July 2, 1969 in the Opera House, Civic Center, Seattle, Washington.)

MORNING SESSION WEDNESDAY, JULY 2, 1969 NINE-FIFTEEN O'CLOCK A.M.

The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Opera House, Civic Center, Seattle, Washington, Wednesday, July 2, 1969, at 9:15 o'clock a.m., Imperial Potentate Chester A. Hogan presiding.

IMPERIAL POTENTATE HOGAN: Nobles will you please take your seats so that we can get under way.

I now declare the Imperial Council in session.

At this time I will call on our Imperial Chaplain, Reverend Larson, for the Invocation.

REVEREND LARSON: O God, our God, we are glad for another day, with its opportunities, with its privileges, with its responsibilities.

This day has many blessings, beauty and inspiration for us.

As we share together in the great Fraternity of Shrinedom, may our hearts thrive as men working together for the good of all mankind.

This morning we would ask for Thy wisdom, understanding, openness and acceptance as we seek to hear what each other is saying, communicate with one another and to touch the hearts of the Divine.

This morning we would pray and ask, in behalf of our Hospitals and our magnificent staff, Thy guidance so that all might be sensitive to your spirit as we seek to bring healing and health and happiness to children everywhere.

We trust that throughout the sessions of today that your name might be in our thoughts. These things we pray out of the deep concerns facing us in behalf of the welfare of all mankind. Amen.

IMPERIAL POTENTATE HOGAN: Thank you, Reverend Larson.

The next order of business will be electing the Imperial Potentate for the ensuing term. Therefore, at this time, I will recognize the Potentate of Murat Temple, Richard Hunt.

NOBLE RICHARD HUNT (Potentate, Murat Temple): Illustrious Sir, Illustrious Sirs, Nobles all: It is with a great deal of pleasure for the 18,000 members of Murat Temple that I would like to place in nomination a man with ideas. As a matter of fact, the man I am going to tell you about originated the Five Hundred Festival which, in thirty days in Indianapolis, has brought in some \$100 million.

I am sure this man will put forth his best efforts during the year 1969-1970 in the Office of Imperial Potentate for Shrinedom.

I would like to place in nomination my friend, Murat Temple's friend and your friend for the Office of Imperial Potentate—J. Worth Baker.

(Applause)

IMPERIAL POTENTATE HOGAN: I will now recognize the Recorder from Murat Temple, Karl L. Friedrichs.

NOBLE KARL L. FRIEDRICHS: Imperial Potentate, hearing no further nominations, I move that the nominations be closed, the rules suspended and that our beloved Imperial Recorder be authorized to cast a unanimous ballot of this Assembly for J. Worth Baker for the Office of Imperial Potentate for the year 1969-1970. Thank you.

(The motion was severally seconded and, there being no further nominations, was voted upon and declared to be unanimously carried.)

NOBLE GEORGE M. SAUNDERS: Imperial Sir, it is with a distinct pleasure that I cast the unanimous vote of this Imperial Council Session for J. Worth Baker as Imperial Potentate for the ensuing term.

IMPERIAL POTENTATE HOGAN: Thank you, George.

Imperial Potentate-Elect, J. Worth Baker, do you accept?

NOBLE J. WORTH BAKER (Imperial Potentate-Elect): Imperial Sir, Imperial Sirs, Fellow Imperial Representatives, my fellow Nobles and Friends: The last time there was an Imperial Session at Seattle was in 1936 and the Deputy Imperial Potentate did not accept. However, I am going to shock you, I am going to be a little different and I am going to accept. (Laughter and applause)

I might add that my heart is loaded with humility and gratitude. This is a great thrill for me. I appreciate the support and the friendship from all of you through the years and I will endeavor to serve my Office as best I can.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: We will now recess for the purpose of the Imperial Potentate-Elect's Pageant. Therefore, at this time I would like to invite the public in and J. Worth Baker and Murat Temple will now take over. Let me announce, before doing so, that we will reconvene at eleven o'clock for the election of the balance of the Imperial Officers and, as you were informed yesterday, take the first ballot for Imperial Captain of the Guard.

(At this point, a recess ensued with the Murat Temple Band playing various numbers as the Hall was opened to the public and the various guests entered and assumed their respective seats.)

NOBLE RICHARD HUNT (Potentate, Murat Temple): Imperial Potentate, Imperial Sir, fellow Representatives, Distinguished Guests and Ladies: It is a pleasure for Murat Temple to have one of its members elected the Imperial Potentate of the Shrine. We, the "action" Temple of Shrinedom are proud to be here and I would like to thank the Host Temples for the fine time that we have had.

Now, for your pleasure, I would like to present "Murat Temple In Review."

Our first Unit I would like to present is the Murat Concert Band. It was organized in 1899 and it is presently celebrating its 70th year. I present to you Noble David Thrasher, its Conductor. (Applause)

Next I have the pleasure of presenting the Murat Arab Patrol—organized in 1903, it was the second uniformed patrol in all Shrinedom. Zuhrah Temple in Minneapolis

organized the first Arab Patrol. It is under the direction of Noble Robert Shelton, President and Jack Carbaugh, Captain.

(The Murat Arab Patrol passed in review across the stage.) (Applause)

NOBLE HUNT: We next present the Murat Gatling Gun Club, which became a Murat Unit in 1916, under the direction of Major Wes Kidwell.

(The Murat Gatling Gun Club passed in review across the stage.) (Applause)

NOBLE HUNT: In 1969 and 1970, whether you know it or not, you have a singing Imperial Potentate. The next Unit I would like to introduce is Imperial Sir J. Worth Baker's Unit, the Murat Chanters. This Unit was organized in 1918. The President of this Unit is Noble Keith Wilson and the Director is Noble Walter Shaw.

(The Murat Chanters passed in review across the stage.) (Applause)

NOBLE HUNT: The next Unit I would like to introduce is the Murat Oriental Band. Organized in 1941 it has as its President Noble Eugene Taylor.

(The Murat Oriental Band passed in review across the stage.) (Applause)

NOBLE HUNT: The next Unit I am going to introduce is near and dear to my heart because I happen to be one of them. I will have to apologize because these boys cannot march too well. (Laughter)

I now present to you the Murat Horse Patrol. It was organized in 1947, Noble Ira Williamson is President; Noble Walt Shelton is Parade Marshal and Noble Neil Placke is Drill Captain.

(The Murat Horse Patrol walked in review across the stage.) (Applause)

NOBLE HUNT: I would like to add that these boys brought twenty-eight horses almost 3,000 miles out here and a lot of them are now getting ready for the drill competition.

The next Unit, in order to belong to it, a Noble has to be more than six feet in height. I would also like to tell you that out in Las Vegas, at our Ceremonial in the Spring, they tore the whole town open. That, of course, is pretty hard to do in a place like that.

I present to you our Murat Highlanders. They were organized in 1951 and Noble Jake Weber is President.

(The Murat Highlanders passed in review across the stage.) (Applause)

NOBLE HUNT: I next present to you our Murat Reception Unit. This Unit was organized in 1950 and its President is Noble Garland Bryson.

(The Murat Reception Unit passed in review across the stage.) (Applause)

NOBLE HUNT: Our next Unit, the Murat Dramatic Cast, was organized in 1953 under the direction of Past Potentate A. Marshall Springer. Its President is Noble Robert Stone. They put on all the work because members of our Divan really don't have pretty good memories and could not do a good job anyway. (Laughter)

At any rate, I am happy to now present to you in review our Murat Dramatic Cast.

(The members of the Murat Dramatic Cast passed in review across the stage.) (Applause)

NOBLE HUNT: Our next Unit is the Murat Ceremonial Directors' Staff. This was organized as a Unit in 1941 and its present Chief Director is Noble Bennie Roberts and its President is Noble Robert Anderson. I told them some time back, in connection with our Las Vegas Ceremonial, that we would give them the largest class in Shrine-dom. They indicated to me that they could handle it, which they very well did.

I am happy to present to you the Murat Ceremonial Directors Staff.

(The members of the Murat Ceremonial Directors Staff passed in review across the stage.) (Applause)

NOBLE HUNT: Our next Unit is the Murat Police Club. This Unit was organized in 1944 and its President is Noble George Lee.

I might add they made their first appearance in the Parade at this Session, with eighteen new motorcycles.

I am happy to present to you the members of our Murat Police Club.

(The members of the Murat Police Club passed in review across the stage.)
(Applause)

NOBLE HUNT: In connection with our next Unit let me say, you know, that sometimes you have a fire to put out and, as a result, we have a Murat Firemen's Club. This Unit was organized in 1949 and is presently under the direction of Noble George Greenwalt.

(The members of the Murat Firemen's Club passed in review across the stage.)
(Applause)

NOBLE HUNT: We have two other Units that I would like to recognize but who are not out here.

The first of these is the Murat "Five Hundred" Club. They made their first appearance out here, brought nine of their race cars. However, the clutches came out of a couple of them. They are all working on them. They are all mechanics.

Noble Wally Greer is their President.

Now inasmuch as they are not here, let's give them all a hand anyway and we will tell them about it.

(Applause)

NOBLE HUNT: We have one other Unit, the Murat Flying Fezzes. The members of this Unit are all airplane pilots. I think there are two of us present here—Grand Master Bob Joyce and myself. Some of them fly Piper Cubs and your mountains, Imperial Sir, are a little high for those.

(Applause)

NOBLE HUNT: In 1970, Murat Temple of Indianapolis, will be the Host here at your Convention. For those of you who are interested, I might announce at this time that we picked up 1700 additional rooms and I will tell you how we did it. Therefore, if you are planning on attending, get your reservations in early.

We would now like to take this opportunity to show you a film about Indianapolis and our new Imperial Potentate, Imperial Sir J. Worth Baker.

(There followed the showing of a film depicting Indianapolis and its surroundings and also various pictures of Noble J. Worth Baker's apartment and discussion between him and other distinguished Nobles. Following the conclusion of the film the curtain was drawn back, revealing the Murat Chanters, with Imperial Potentate-Elect Baker in the center, singing "Hey, Look Me Over," following which Imperial Potentate-Elect Baker approached the rostrum.)

IMPERIAL POTENTATE-ELECT BAKER: Imperial Sir, Imperial Sirs, Distinguished Guests: The man I am about to present needs very little introduction to you but I am nevertheless proud to present to you my good friend, the former Governor of Indiana, Noble Harold Handley. (Applause)

NOBLE HANDLEY (Former Governor, Indiana): Well, Bake, this is a great day for all of us. I could not help, in watching the film, getting such a tremendous pride out of it, not only in relation to our Temple, but also being a part of the great City of Indianapolis. We wanted to show you this film so that we could show all of the Nobles of North America present here just where they are coming next year.

Now, Bake, perhaps you already know, as the Potentate here tried to indicate, Murat Temple is well represented. In fact, we had several plane-loads full of people come out here, plus five semi-tractors and trucks to bring all the equipment and we do want you to know, in relation to these 726 Nobles and their Ladies who came out here, that this was done because they think highly of you and they likewise wanted to see this great investiture because they get the same pride you are getting out of it and which I know the other 18,000 Nobles of Murat Temple are sharing today.
(Applause)

I would also like to say that this is the first time a Republican has been asked to do anything since the inaugural and, as you can see, we are getting back into form here.
(Laughter)

I would also like to tell you one other thing—that I appreciate you taking me out of the category of just another Governor because one of my predecessors, many years

ago, after he went out of office, had a hard time finding a job and soon found himself having to go to the employment office asking for help.

After talking to the fellow, he said to my former predecessor, "Well, I don't know whether we can help you or not, you are a former Governor, you just can't do anything."

The gentleman replied, "Well, I'll take the next job that comes in on the telephone."

Well, the phone rang, the man in the employment office answered and, after a brief listening pause, said, "I am not certain we have anybody here who can answer that description." Whereupon, the former Governor, grabbed the phone, and said, "I'll take the job." The voice at the other end then said, "This is the zoo, one of our babboons out here died and we want somebody to get into a babboon skin and take his place so that we do not disappoint the public." Well, my predecessor said he would take the job.

He went out to the zoo, donned his costume and proceeded down the rear cage corridor heading for the babboon cage. He soon came to a door which he thought was the door to the cage, opened it, entered, and, much to his dismay, found himself in the lion's cage.

As the lion came toward him slowly, he started screaming for help. As the lion came closer he heard a voice saying "Shut up, you damn fool, do you think you're the only Governor in the zoo?" (Laughter)

Well, at any rate, Imperial Sir, we have up here the members of the Divan of your Temple and I would ask that you be so kind as to be seated with them for the present.

You know, all Shrinedom, I am sure, pays honor and homage to the man of every Temple who, because of time, dedication and loyalty required to get to the Temple and the Nobility, earns the respect and standing he deserves in each and every community. It is, of course, also the wife of every Potentate, as you all know, in Shrinedom, who has had to share her husband over a period of nine long years with we, the members of the A.A.O.N.M.S. After all, it is a nine-year stepladder to the top and, therefore, you have to be patient because it just takes time.

This reminds me of the checkout counters in these big grocery stores. I am sure many of you fellows have gone shopping in them and know what I mean.

Invariably, when you are ready to check out, you find only one of the checkout aisles open. This was the case with one individual standing in line. When he got to the line he found he was about half-way up the store. Finally, after the line had moved slowly, he yelled to the manager, "Open up another counter, we have a pregnant woman standing back here." The manager replied, "How long has she been in line?" to which the fellow replied, "Well, she wasn't this way when she got in line." (Laughter)

Well, that is our line. (Applause)

I would now like to introduce to you the members of the Divan and Past Potentates of Murat Temple.

The first fellow I would like to introduce is the Outer Guard, who is known around our town as "The Youngmobile from Oldsmobile." I am happy to present our Outer Guard, Robert P. Dellen. (Applause)

Our next Divan member is a member of the Oriental Band Unit, Captain of the Guard, Vice President of the Carlson Trucking Company, a Past Master of his Lodge and now present Secretary of his Lodge.

Somebody asked him how he keeps up with his business and with his Lodge work, especially being Secretary of the Lodge, being out with the Band and at the same time keeping his wife happy, to which he said that this reminded him of the story of the pastor down in Southern Indiana who was giving a sermon on creation.

He said: "The Lord made heaven and earth. The Lord was a little lonely, so he decided to fashion man. So he made Adam and after making him, he leaned him up against a fence to dry."

A fellow way in the back then got up and said, "Wait a minute, Pastor, did you say Adam was the first man?" The Pastor replied, "I did, brother."

"Then," asked the man, "who built the fence?" (Laughter) The Pastor thought for a couple of seconds and then he said, "Brother, those are the kind of questions that hurt religion." (Laughter)

Edward M. Evans, Captain of the Guard. (Applause)

A member of the Horse Patrol Unit and Marshal; Murat Temple's Representative to the Crippled Children's Hospital Burns Unit at Cincinnati and, in fact, this gentleman is a very great Republican. He says, in fact, that he has some very good Democratic friends, that singly they are fine but collectively they are a menace—the Marshal of Murat Temple, Lee B. Towmley. (Applause)

The next gentleman is our Second Ceremonial Master and is an investment banker. You know, these investment bankers, they all want to take a chance and speculate a little bit and they all follow the same pattern. It is something like the Australian bushman who wanted to buy a new boomerang but didn't know how to give the old one away. (Laughter) I am happy to present to you our investment banker and Second Ceremonial Master, Joe E. Woodfill. (Applause)

Our First Ceremonial Master, a member of the Chanters, is also a banker—with the Indiana National Bank of Indianapolis. I understand that things were quiet back there yesterday because they did not raise the interest rates. Getting a loan from him is about as impossible as the couple who got married—he was 98 and she was 96. They drove to the Greenbrier and spent their honeymoon getting out of the car. (Laughter)

Our First Ceremonial Master, Donald Edwards. (Applause)

Our next gentleman is Edwin K. Steers, a Past Potentate and Treasurer and also a former Attorney General of Indiana. He was here last night and had to leave to attend a very important meeting back in Indianapolis. He said, "Send my best regards to all." He wanted me to indicate he was very disappointed he could not be here. This reminds me of the woman who went back to the druggist, and said, "Do you mind if I change the rest of these pills for three dozen diapers?" It is that bad. (Laughter and applause.)

We next come to Illustrious Sir Karl L. Friedrichs, Recorder of Murat Temple and has been for the past thirty years. He is also a Past President of the Recorders Association of North America and we have had a gain every year in membership since Karl Friedrichs has been in this position. We at Murat think he is the best Recorder in all Shrinedom. Our good friend, Illustrious Karl Friedrichs, Recorder of Murat Temple. (Applause)

The next man I am about to introduce is our Oriental Guide. He is always interested in the welfare of his fellow man. He is a great fellow, a good friend of ours.

In fact, he has a great deal of compassion for people and started a new movement known as Nicotine Anonymous. When you get the urge for a cigarette, they will send over a guy who gets drunk with you. (Laughter) I give you our Oriental Guide, Richard B. Alexander. (Applause)

Here is another gentleman, a great fellow and a good friend of mine and good Republican. He belongs to the Arab Unit and is one of the toughest gin rummy players in the midwest and, of course, I know. He has not been lucky at the track and, of course, that is because they do not allow him to shuffle the horses. (Laughter)

I am happy to present to you our High Priest, John R. Barney. (Applause)

The next gentleman belongs to the Ceremonial Directors' Unit. He is also the Assistant Rabban. Years ago, when I first went into the Shrine, he gave me the Blackstone Degree. As you gentlemen know, he pulled me over the hot sands and I really didn't know he had so many tricks up his sleeve.

You know, he reminds me of the young fellow that went into the drugstore and said, "I've got a real hot date tonight and we are going to have a party. We are going to be all alone, her parents are going to the Ballet. I would like to make a little purchase." Well, the druggist winked at him, went to the back of the drugstore and soon came back with his purchase.

That night, after he had been presented to the girl's mother and father by the young girl, the mother said, "We are going to the Ballet tonight but I am sure you children don't want to go along, that you want to spend a night without the old folks around."

The boy replied, "I certainly would love to go to the Ballet." His girlfriend looked at him and said, "John, I didn't think you liked the Ballet?" To which he replied, "I don't and I didn't but I also didn't know your father was the druggist." (Laughter)

I am happy to present to you our Assistant Rabban, William I. Coons, Jr. (Applause)

The next gentleman I wish to present is our Chief Rabban, Noble C. Kyle Hughes. You know, every Chief Rabban is always impatient about getting into the top chair. However, as we all know, they have to take their time and they cannot be in a hurry. This reminds me of the story of the little boy who was watching television and saw one of these old-time films with Liz Taylor and Richard Burton, with him tearing at her blouse and saying to her, "I want what I want when I want it." A short time later he was alone with his little girlfriend and began saying the same thing—"I want what I want when I want it," after which she stopped him and said, "You'll get what I've got when I get it." (Laughter)

At any rate, our Chief Rabban, Brother C. Kyle Hughes. (Applause)

Now, for our last and most important introduction. You already have seen this gentleman. As you probably noticed, we were on that film together.

At any rate, here is one of the most energetic and dynamic young men ever to grace the Office of Potentate of Murat Shrine Temple. As you know, as has been told you, last Spring Murat Temple took to Las Vegas for a Ceremonial the largest class in its history, over 1369 candidates.

He is the Director General of the 1970 Imperial Council Session and also the largest Chevrolet dealer in Indianapolis and, in fact, the State of Indiana. He also owns a fleet of taxicabs in Indianapolis and I am sure he has learned, from being here and observing these taxicabs, how to charge us when we get back home. (Laughter)

Somebody said to Dick the other day, "Who carries your life insurance?" He replied, "I don't know, but when I go, they go." (Laughter)

I present to you our good friend, the Potentate of Murat Shrine Temple, Richard Hunt. (Rising applause.)

NOBLE HANDLEY: I now want to take a moment to introduce the Past Potentates of Murat Temple. They all belong to the same draft classification—4-X. This means "Don't call them up even if we are invaded." (Laughter)

The first of these gentlemen is Past Potentate Howard Foley, 1968. (Applause)

Past Potentate C. William Lantz, 1967. (Applause)

Past Potentate F. E. Thornburgh, 1966. (Applause)

Past Potentate Charles H. Ellis, 1965. (Applause)

I have saved this fellow for a few remarks coming up now. He is the former Mayor of Indianapolis, also a Republican and, further, all of you know he was the best Mayor that money could buy—he was a great Mayor. (Laughter) I am happy to present Past Potentate Charles H. Ellis, 1965. (Applause)

Here is another very unpredictable fellow, an individual with a great deal of energy. He has one bright spot in his otherwise speckled career. He was on the train not long ago and, of course, you can never tell what he is going to say. While riding along, a girl in the upper berth leaned over and said to him, "I am cold, will you get me a blanket." He asked, "Are you married?" She replied, "Oh, no." "Would you like to play married," he asked. She replied, "I'd love it." He then replied, "Well, then go get your own blanket." (Laughter)

I am happy to present Past Potentate Alex M. Clark, 1964. (Applause)

Past Potentate George Stalker, 1959. (Applause)

Past Potentate Cecil M. Byrne, 1955. (Applause)

Past Potentate Max A. Blackburn, 1949. (Applause)

Past Potentate William E. Bodenhamer, 1947. (Applause)

Past Potentate F. L. Tompkins, 1943. (Applause)

And now, as I read these names, I would ask they be escorted to the platform.

Illustrious Robert L. Van Dyke, 33; Executive Secretary of the Scottish Rite, Valley of Indianapolis; the largest Valley of Nobles in any Masonic Jurisdiction, with over 31,750 members. (Applause)

Illustrious John H. Jefferson, 33, Past Grand Master of the Grand Lodge of Indiana and Right Worshipful Grand Treasurer of the Grand Lodge of Indiana; Grand Prior of the Council of Deliberation, Scottish Rite District of Indiana and now the Imperial Chaplain. (Applause)

Illustrious W. Henry Roberts, 33; Active Member of the Supreme Council, Ancient Accepted Scottish Rite for the Northern Masonic Jurisdiction; Past Deputy, District of Indiana, Ancient Accepted Scottish Rite; Past Grand Master of the Grand Lodge of Indiana and Active Member of the International Supreme Council of the Order of DeMolay. (Applause)

Illustrious Robert P. Joyce, 33, Past Most Wise Master of Indianapolis Chapter of the Rose Croix, Scottish Rite and now Most Worshipful Grand Master of the Grand Lodge of Free and Accepted Masons of Indiana. (Applause)

Now, we have some important presentations to be made to you, Imperial Sir. If you will come forward to the microphone, I will call upon L. Parker Baker, who has a very important presentation to make to you, Imperial Sir.

NOBLE L. PARKER BAKER: Worth, several years ago, when you were twenty-one years old, you were made an Entered Apprentice and since that time you have worn the Purple of the Fraternity and your foot has stood on almost every rung of the ladder and you have received almost every shade of purple. In fact, I presented you with one of those shades a few years ago and was very happy to do so.

Today, I am real happy to present you with the deepest shade of purple ever, this beautiful Fez.

(Fez presentation and applause ensued.)

NOBLE HANDLEY: I would now like to present for another presentation Past Potentate Patterson of Al Malaikah Temple.

NOBLE PATTERSON: Imperial Sir, may I first congratulate you on your elevation and also present to you this swagger stick. This is one we have carried in the Al Malaikah Shrine Patrol and has gone with us everywhere.

The bands of the stick signify that you have a long and glorious career in Masonry.

On behalf of Al Malaikah Temple, I present you with this swagger stick and hope you carry it with you at all times and on many visitations.

IMPERIAL POTENTATE-ELECT BAKER: You know, for many years I have watched this presentation being made and I can assure you that this will be one of the cherished things I carry with me. Thank you very much. (Applause)

NOBLE HANDLEY: I would now like to call to the podium Past Potentate Max Blackburn for a presentation.

NOBLE MAX BLACKBURN: Imperial Sir, Imperial Officers, Nobles all and Ladies: Just twenty years ago I had the privilege of appointing J. Worth Baker in the Line of Murat Temple and what a thrill it is for me to stand up here and see him elected the Imperial Potentate of the A.A.O.N.M.S.

Now, we have about 18,000 members and I know I speak for every member of our Temple when I say that our hearts are beating with pride to know that our own Worth Baker has been elevated to the highest office you can give to any man in Shrinedom, that of Imperial Potentate.

Now, I have a presentation to make. This is a Past Imperial Potentate's Fez and, of course, I know you are going to wear it with pride. Congratulations to you. (Applause)

NOBLE HANDLEY: I would now like to call on Past Potentate C. William Lantz.

NOBLE C. WILLIAM LANTZ: Governor, as usual, you got things screwed up. (Laughter)

NOBLE HANDLEY: Well, I'll tell you one thing—I'm a little bit like that cross-eyed discus thrower—he wasn't very good but he kept everybody alert. (Laughter)

NOBLE LANTZ: Imperial Sir, it is a pleasure for me to be out here with you today.

As you remember, back in 1946, when we went to the San Francisco Convention, Bake, Marian, Bob and Ruth and Jim, Bill, Tommy and Florence—we formed a little group called the “Dirty Dozen.” Now, after that, Bake became Potentate, Ellis became Potentate; I became Potentate; but we always stuck together.

Well, today it is a real pleasure to be with you. Come on out here, Bud. Bud is going to pin this pin on him. Bake, this is from the “Dirty Dozen.” Needless to say, we wish you a lot of success during the coming year and, of course, we will stand in back of you as we have in the past. (Applause)

NOBLE HANDLEY: And now, backing up a bit, our Imperial Recorder, George M. Saunders, has a presentation.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, Representatives to this Imperial Council, Distinguished Guests and Ladies: I am grateful for the privilege to momentarily share the stage for the purpose of presenting to the Imperial Potentate-Elect the Imperial Potentate's Flag.

As leadership of the Shrine moves from the beautiful land of this great Northwest to the romantic banks of the Wabash River, may this banner of royal purple and pure gold continue to fly with great honor and dignity at the head of the ever-growing Army of Nobles of the Mystic Shrine. May it reflect joy and happiness to you personally, Imperial Sir, as you lead this mighty phalanx of God's Nobility during your own year of Shrine leadership.

I congratulate you most sincerely. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: Thank you very much, George. I assure you it will be flown high and proudly.

NOBLE GEORGE M. SAUNDERS: And now, I have another little duty. I have a letter from Noble J. Edgar Hoover, the Director of the Federal Bureau of Investigation at Washington, D. C., United States Department of Justice.

“Imperial Sir George, I am enclosing a letter to Mr. J. Worth Baker congratulating him on being installed as Imperial Potentate, A.A.O.N.M.S. on July 2nd at the Seattle Central Opera House, Seattle, Washington. Your offer to deliver this letter to him personally is deeply appreciated.”

Now, the letter from the Director, who is not only a Shriner, an active Shriner himself, but also a member of the Supreme Council of the Order of DeMolay and a very interested worker in the DeMolay program is as follows: This letter is dated July 2nd, to Mr. J. Worth Baker, Imperial Potentate, A.A.O.N.M.S., Seattle Center Opera House, Seattle, Washington:

“Dear Imperial Sir:

“I would like to take this opportunity to congratulate you on being elevated to the position of Imperial Potentate. This honor is certainly an expression of your ability and a clear indication of the high esteem in which you are held. Please accept my very best wishes for every success during your tenure of office.

“Fraternally.”

And that is signed, “J. Edgar Hoover.”

It is a pleasure, Imperial Sir, for me to present this to you. (Applause)

NOBLE HANDLEY: I would like to recognize Past Potentate Cecil M. Byrne.

NOBLE CECIL M. BYRNE: Imperial Sir, I am indeed happy to be able to pinch-hit in presenting to you this American Flag which has been flown over the Capitol of the United States. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: Thank you very much, Cecil.

I also wish to announce to all of you good people out there that this is the man that directed the whole tabloid that you viewed here this morning. (Applause)

NOBLE HANDLEY: I would now like to present back at the podium Potentate Richard Hunt.

NOBLE RICHARD HUNT: Imperial Sir, it is a pleasure for me, on behalf of Murat Temple, to tell you that we have a 1969 Cadillac waiting on you. However, I would

like to say one thing and with no apologies to Peter Val Preda—that we of Murat Temple know they are all made out of Chevrolet parts. (Laughter) We have decided to go along with our philosophy—"You bring the best deal and we will beat it."

Therefore, in addition to the keys to the Cadillac, we have an alternative for you—we have a 1970 and 1971 Chevrolet Caprice if you would like them. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: You know, I have worked under a great teacher, Chester A. Hogan. The other evening he was presented with a choice of one of two lovely white dogs. Upon being asked which he wanted, he replied, "I will take both of them." Well, I will give you the same answer. (Applause)

NOBLE HANDLEY: And now, for the final presentation, your cousin, Tom Baker.

NOBLE TOM BAKER: Let me first say that this small group of Bakers here represents only a few of many, many relatives of our new Potentate. I know of no man prouder of his heritage than Worth Baker. Therefore, those who are here as representatives of those who are not, wish to present Worth with a token of family esteem.

I would like to read the inscription on this plaque if I may.

"To J. Worth Baker, the Imperial Potentate of the A.A.O.N.M.S., from your Baker relatives everywhere:

Accept this token as a tribute to your dedication and competence and as a symbol of affection and admiration. You have added honor and distinction to a proud family name. You have proven worthy and well-qualified."

(Presentation of plaque and applause ensued.)

I also want to mention one other thing—that I am a Baker from Baker's Corner. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: Tom, that was very nice of you. I am so proud of that and I am proud to be a Baker. Thank you very much.

NOBLE HANDLEY: At this time I would like to recognize Imperial Potentate Chester A. Hogan and his Divan and also the Past Imperial Potentates. Will you all please stand. (Applause)

You know, Imperial Sir, I know how you feel going out of office because I went out of office as Governor and I lost a lot of these fringe benefits, I can tell you. (Laughter) Of course, I am trying to keep active as I know you will keep active and all of the Past Imperial Potentates are endeavoring to keep active because I am sure none of us want to be in the position of the fellow who went down into the furniture store in Southern Indiana and asked the proprietor, "Where's Elmer?" The proprietor replied, "Elmer doesn't work here any more." The man then asked, "Elmer surely must have left a vacancy." The proprietor replied, "Elmer didn't leave any vacancy."

Worth, I have some telegrams here that I do want to read to you. I am not going to read all of them but just a couple.

We have a wire from Senator Vance Hardke. (Applause) For you folks who are not from Indiana, he beat me in 1958. (Laughter)

We also have one from Congressman Rotterbush; from Congressman John Myers; from Andy Jacobs (Congressman) and from Bill Braley. These gentlemen all want to be remembered and send you their best wishes and congratulations.

I also have a wire here which I think is quite touching and I know you want to keep this:

"DEARIE, CONGRATULATIONS ON ACHIEVING YOUR HEART'S DESIRE. LOVE. MOTHER."

(Applause)

I also have a wire from the Mayor of Indianapolis:

"CONGRATULATIONS ON YOUR ELECTION AS IMPERIAL POTENTATE OF THE SHRINE OF NORTH AMERICA. THIS IS A GREAT HONOR FOR YOU AND FOR INDIANAPOLIS AND MYSELF AND WE ARE VERY HAPPY FOR OUR GREAT CITY AND VERY PROUD OF YOU."

This is signed by Richard G. Lugar, Mayor of Indianapolis. (Applause)

"CONGRATULATIONS UPON YOUR BEING ELECTED IMPERIAL POTENTATE OF THE A.A.O.N.M.S. IN NORTH AMERICA AND ON BEHALF OF THE CITIZENS OF INDIANA AND MY OWN PERSONAL COURT, I WISH TO EXTEND TO YOU EVERY WISH FOR CONTINUED SUCCESS IN THE PROMOTION OF YOUR MOST WORTHWHILE CHARITY AND A SUCCESSFUL YEAR OF LEADERSHIP."

That is signed "Edgar D. Whitcomb, Governor of Indiana." (Applause)

Now, here is an award we would like to make and I will make it in behalf of the Governor. It is from the State of Indiana and indicates, by Certificate, that you are now entitled to sit in the teepee on the Wabash and drink firewater. (Applause)

Well, I think it is time now that we have a few words from our Imperial Sir. Oh, wait a moment. Thank you. Don't tell anybody or I'll never get that appointment. (Laughter)

"PLEASE ACCEPT MY WARM BEST WISHES AS YOU ARE ELEVATED TO THE PRESTIGIOUS POST OF IMPERIAL POTENTATE OF THE SHRINERS. I NEED NOT EXPAND ON YOUR QUALIFICATIONS FOR THIS COVETED HONOR. YOUR PAST RECORD SPEAKS FOR ITSELF. YOUR LONG YEARS OF DEVOTION TO THE HIGHEST IDEALS OF SHRINEDOM, YOUR SELFLESS COMPASSION FOR THE LESS FORTUNATE AND YOUR ABILITY TO LEAD AND TO ACCOMPLISH HAVE ALL EARNED YOU THIS HONOR.

"CONGRATULATIONS AND MAY YOUR FLAME FURTHER ENRICH THE NATION WHICH SHRINERS SERVE SO WELL."

That is signed "Richard M. Nixon." (Applause)

I am sure I will never live that down.

Now, Worth, I am sure they would all like to hear a few words from you and you may want to introduce your family at the same time. Therefore, Imperial Sir, please take over. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: Harold, first I want to thank you for taking from your busy life to come out here and make this long trek to Seattle and to do the wonderful job you did. (Applause)

I would like to introduce my family.

First there is my sister, Ruth Mary Roberts and her husband, Len. (Applause)

My sister, Dolores and Parker Baker. (Applause)

I am fortunate in having with me here today three families—my family that I just introduced, the family from Murat, and I am flattered beyond words that 726 of them came out here, the furthest trip we have made in many, many years and we broke all records insofar as numbers that came out. Therefore, I consider this a personal compliment. I had many people tell me they were coming just because I was going to be Imperial Potentate. I do appreciate it very much.

The other family is all of the Imperial Representatives and their Ladies and members of the Temples that are here. They are the ones who elected me and, certainly, their predecessors nine years ago, some of whom are still here, and we are likewise very grateful to them.

We hear a great deal out here in this area about "Hogan." They call it "Hogan's Country," "Hogan Weather," "Hogan People," "Hogan Music" and the night before last we wore our new blue jackets and these are called "Hogan Jackets." I am getting kind of fed up with this name of Hogan. (Laughter) Of course, you know that I am kidding because no Deputy Imperial Potentate has ever loved anyone more than I do Chic Hogan and I can tell you that. Well, at any rate, Chic, during the next year, I am going to try to update you for a while.

You know, some fifty years and twenty days ago Murat Temple, the Imperial Council, retired the other Hoosier who was Imperial Potentate and it may be, after I serve this year, that it may be that long or longer before we have another. (Laughter) I know, of course Indiana is going to have another Imperial Potentate within another two or three years, my other Indiana colleague, Henry Struby. They refer to the two of us as the "Hoosier Hot-Shots."

It has been a great experience working up through the Line through these years, certainly a lot more fun than grief. However, there have been some battles, most of them have been fun, particularly running around here these past few days, especially getting up early for breakfast meetings, working through the day in connection with meetings, having pictures taken with most of the Chief Rabbans and Potentates, etc. I promise you that after all of this I shall never forget the "Battle of Seattle."

I wish that you will all endeavor to come to Indianapolis next year for, as has been indicated to you, we will try to make you feel just as happy and welcome there as we have all felt here.

Thank you very much. (Applause)

NOBLE HANDLEY: Now, ladies and gentlemen, I certainly want to thank all of you for coming this morning. I think it would be well if I were to present to you the producer of the show, Past Potentate Cecil Byrne. Will you step out here, please, Cecil. Let's give him a hand, I think he deserves it. (Applause)

I also wish to present our good friend, Ed Landis, who was Stage Director. (Applause)

Well, in closing, I think I would be very remiss if I did not say on behalf of Murat Temple that we certainly have appreciated and enjoyed the terrific hospitality of the three Host Temples out here. This is a most beautiful, majestic City. The sweep of the countryside is awe-inspiring. It is a beautiful, wonderful place to visit. It is a real thrill to be here and we of Murat Temple, Imperial Sir, thank you and your Host Temples for a most delightful stay in your fair City and we only hope that we can come close to matching your hospitality and the beauty of your City in Indianapolis next year.

Until next year, we will all be looking forward to seeing each one of you. Thank you very much. (Applause)

(The Pageant Ceremony was concluded with a selection by the Murat Temple Chanters.)

They told me this is the only way I am going to get that gavel and, therefore, I accept with pleasure and it is a privilege to be with you on this occasion and I hope I will have the further opportunity on many other occasions. Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: We next come to the Office of Imperial Treasurer and I will now recognize Noble Ralph F. Roussy of Tripoli Temple.

NOBLE RALPH F. ROUSSY (Potentate, Tripoli Temple): Imperial Sir Hogan, Imperial Sirs and Fellow Representatives and Nobles all: It is a real honor for me and a privilege to present the name of Tripoli Temple's most famous Potentate and our Past Imperial Sir, Thomas W. IMPERIAL POTENTATE HOGAN: For the Office of Imperial Recorder I now recognize W. Howard Millington.

NOBLE W. HOWARD MILLINGTON: Imperial Potentate, Imperial Divan and Representatives of the Ninety-Fifth Imperial Session: I want to nominate for the position of Imperial Recorder of this august body a man who has served you some twenty-one years. I submit to you the name of George M. Saunders.

If there are no other nominations, I would move that nominations be closed, that the rules be suspended and that Past Potentate and Emeritus Recorder of India Temple, Les Swan, cast a unanimous ballot for the election of George M. Saunders.

IMPERIAL POTENTATE HOGAN: For the Office of Imperial First Ceremonial Master, I will recognize Noble Marvin E. Monk, Jr.

NOBLE MARVIN E. MONK, JR.: (Potentate, Ararat Temple): Imperial Sir, Imperial Sirs and Fellow Representatives to this Imperial Council Session: It is a personal privilege to present to you and to nominate for the next Imperial First Ceremonial Master a Past Potentate of Ararat Temple, our mutual friend and great future Imperial Potentate-to-be, W. (The motion was severally seconded, voted upon and was declared to be unanimously carried.)

NOBLE WELLAND S. HORN (Potentate, Cairo Temple): Imperial Sir, Imperial Sirs, Representatives and Nobles: It gives me a great deal of pleasure to have the honor of casting one unanimous ballot for our Noble of Cairo Temple, Peter Val Preda, for the Office of Imperial Second Ceremonial Master for the ensuing term. (Applause)

IMPERIAL POTENTATE HOGAN: Imperial Sir Peter Val Preda, do you accept?

IMPERIAL SIR PETER VAL PRED: Imperial Sir, Imperial Sirs and Nobles: I do accept the Office of Imperial Second Ceremonial Master. It is a pleasure to serve you. (Applause)

IMPERIAL POTENTATE HOGAN: We next proceed to the Office of Imperial Marshal and I now recognize Noble Roy Lord of Morocco Temple.

NOBLE ROY LORD: Imperial Sir, Imperial Sirs, Representatives to this Imperial Council: One year ago we stood on this stage in another city and asked that the Representatives select a man from the Deep South, inasmuch as our Imperial Potentate was from the Far West. The man we elected has served his apprenticeship well for one year and it is my pleasure at this time to again present his name for the Office of Imperial Marshal. It is therefore with great pleasure that I nominate Imperial Sir Harvey W. Smith for the Office of Imperial Marshal for the ensuing term.

Imperial Sir, hearing no other nominations, I move you, Sir, that the nominations be closed, the rules be suspended and the Recorder of Sudan Temple, his friend of many years, cast a unanimous ballot for his election.

(The motion was severally seconded, voted upon and declared to be carried.)

NOBLE NELSON B. BANKS (Sudan Temple): Imperial Sir, Imperial Sirs and Representatives: It is a great pleasure to have accorded me to cast a unanimous ballot of this Imperial Council for Harvey W. Smith to serve in the Office of Imperial Marshal for the coming year.

IMPERIAL POTENTATE HOGAN: Imperial Sir Harvey, do you accept?

IMPERIAL SIR HARVEY W. SMITH: Imperial Sir and Nobles here assembled: I sure do accept. I worked too hard to get this job to give it up now. (Laughter and applause.)

IMPERIAL POTENTATE HOGAN: We have been advised by the Temples that the following are candidates for the Office of Imperial Captain of the Guard and Imperial Outer Guard. I will ask, as I call these names, that these candidates come to the rostrum:

Dr. F. T. H'Doubler, Jr., Abou Ben Adhem Temple.

Noble Charles J. Claypool, Antioch Temple.

Noble Fred R. Morrison, Moslem Temple.

Noble David H. Cochran, Nur Temple.

Noble Warren F. Weck, Jr., Zuhrah Temple.

If there are any other candidates, please make yourselves known.

I will call upon our Imperial Recorder for some instructions.

NOBLE GEORGE M. SAUNDERS: I would like to explain that you are going to vote on Imperial Captain of the Guard now. We will draw from the Fez for position of nomination of the different candidates. I am informed that Noble Charles J. Claypool is only going to run for Imperial Outer Guard and so we have four individuals here running for Imperial Captain of the Guard.

IMPERIAL POTENTATE HOGAN: I am going to have the Imperial Recorder pull the numbers as to nominating speeches.

Further, I would like to inform the nominators that their speeches cannot exceed five minutes and that there will be no seconding speeches. (Applause)

I hope Noble Clyde Oliver is close by. Do you want to say something before we get going or wait until last?

Noble Oliver has indicated that he will wait.

(The drawing for nominating position then ensued.)

NOBLE GEORGE M. SAUNDERS: The first one you have, Imperial Sir, is Noble Marvin Lane for Noble Fred R. Morrison.

IMPERIAL POTENTATE HOGAN: I will recognize Past Potentate Marvin Lane, who will be making the nomination for Fred Morrison.

NOBLE MARVIN LANE: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives to the Ninety-Fifth Imperial Council Session: The responsibility bestowed upon you as Representatives of your Temples demands that you select, and select well, the outstanding and best-qualified men for the awesome responsibilities of the Imperial Offices.

Moslem Temple of Detroit, Michigan presents and proposes to you, for the Office of Imperial Captain of the Guard, an exceptional man, who is well qualified by ability, tremendous vitality, wisdom, character and endowed with an untiring zeal to further our great Fraternity—Illustrious Past Potentate, Fred R. Morrison. Fred, last year, in his campaign for Imperial Outer Guard, received 219 votes and was the runner-up for that Office.

Fred has visited well over 100 of the 170 Temples in Shrinedom and has attended virtually every Shrine Association meeting.

Most of you have had an opportunity to meet our candidate and to evaluate his qualifications.

You have had the opportunity to be inspired by his vitality, enthusiasm and devotion to the Shrine and to feel the warmth of his personality.

Fred is a self-made and extremely successful businessman, being the founder and owner of the Morrison Carbonic Company and its subsidiaries.

He is a Past President of the Michigan Ice Cream Manufacturers Association; Past President of the Michigan Drug Travelers Association; Member of the Greater Detroit Board of Commerce; and a Member of the Wayne County Youth Council.

Fred started his Masonic affiliation as a member of DeMolay at the age of seventeen and is a life member of that organization. He was raised a Master Mason at twenty-one and has been an active Shriner for over twenty years. Fred is a member of both the York and Scottish Rite bodies and a member of the Royal Order of Jesters.

He has served and is serving his Temple as a member of the Finance Committee. He is of Scottish and Irish ancestry. He is fifty-four years old and has a charming wife and family. Both of his sons and son-in-law are Shriners. He is a member of the Lutheran Church.

Seldom, in a man's lifetime, does he have the opportunity to propose to his beloved organization the man in whom you, with true confidence, can place the responsibility of the high Office of Imperial Captain of the Guard.

Imperial Sir, I now offer in nomination for the Office of Imperial Captain of the Guard, Moslem Temple's incomparable candidate—Illustrious Sir, Fred R. Morrison. (Applause)

IMPERIAL POTENTATE HOGAN: I will now recognize for a nominating speech for Noble David H. Cochran, the Illustrious Potentate of Nur Temple, Noble Milton L. Draper.

NOBLE MILTON L. DRAPER (Potentate, Nur Temple): Imperial Sir, Imperial Sirs and Representatives to this Ninety-Fifth Imperial Council Session: I am your 1969 Nur Temple Potentate of Delaware, the first State. It is my privilege and pleasure to present David Harvey Cochran as a candidate for our Imperial Divan.

We have the responsibility here at this Ninety-Fifth Imperial Council Session to select two men to serve on our Imperial Divan, men who will, by normal progression, be elected Imperial Potentate in 1976 and 1977.

Dave Cochran is a self-made man. He was eleven years old when his father passed away. Thus he was called upon and accepted the added family responsibilities placed upon him by this untimely event. Still, he continued his efforts to obtain an education and, in 1948, became a registered professional engineer.

He has been employed by duPont since 1941 and is presently principal electrical estimator in their expansive engineering department. Also, he owns and operates a popular catering firm serving the northern Delaware area.

He is a member of both the York and Scottish Rite bodies.

He has served his Temple as Chairman of all major Committees and in all Divan Stations since he was appointed Second Ceremonial Master in 1962. He was one of the most diligent workers among the Nobles whose efforts resulted in Nur Temple being constituted in 1953.

He will be fifty-six years old on Friday, July 4th. About this hour, thirty-five years ago, he was being married to the charming Hazel Elizabeth Rigby in Mississippi.

They have one daughter and two sons, both of whom are Shriners—and eight grandchildren.

You have received a brochure giving his life history and his accomplishments. Time did not permit Noble Cochran to visit with all of you in your Oasis. However, you have had an opportunity to meet him since you arrived in Seattle. I can recommend him as worthy of your confidence.

It is my pleasure to place in nomination the name of David Harvey Cochran, Past Potentate of Nur Temple from Delaware, the first State, for Imperial Captain of the Guard. (Applause)

IMPERIAL POTENTATE HOGAN: I will now recognize Potentate John R. Hendrickson of Zuhrah Temple, who will make the nomination for Warren F. Weck, Jr., for Imperial Captain of the Guard.

NOBLE JOHN R. HENDRICKSON (Potentate, Zuhrah Temple): Imperial Sir, Imperial Sirs and Representatives to this Ninety-Fifth Session of the Imperial Council: It is a privilege and honor to place in nomination for your consideration Past Potentate Warren F. Weck, Jr. of Zuhrah Temple of Minneapolis, Minnesota, the man from Minnesota, for the Office of Imperial Captain of the Guard.

I shall not take your time to recount his many qualifications for this important Office. This was done quite thoroughly at the Imperial Session in Chicago last year.

Since that time, Warren has traveled the width and breadth of the United States, visiting your various Temples and attending your Shrine Association meetings. Most, if not all of you, have met him personally and are in a far better position than I am in a short nominating speech to judge his qualifications for this important office.

Suffice it to say that in our opinion Warren embodies all of the qualifications that you would want to have in a man that you elect to Imperial Office.

He has served worthily and well in his Blue Lodge, in both the York and Scottish Rites and as a Past Potentate of Zuhrah Temple.

He is highly regarded in his home community and in his chosen profession.

His reputation, his ability and his integrity are above reproach.

He has led an exemplary home life.

I am proud to offer you my friend and the friend of everyone, the man from Minnesota, Warren F. Weck, Jr. (Applause)

IMPERIAL POTENTATE HOGAN: I will now recognize Dr. James T. Brown of Abou Ben Adhem Temple, Springfield, Missouri, who will nominate Dr. F. T. H'Doubler.

NOBLE (DR.) JAMES T. BROWN: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I know that each of our well-qualified candidates have found the campaign trail to be exhilarating as well as exhausting but for my candidate it has been even more difficult. You see, being a celebrity in his own right he has had to fight larger and larger crowds wherever he has gone.

Seriously, in my own mind, he is a true celebrity. If fame be measured by success and accomplishments, then he is already famous; if character be measured by modesty, morals and devotion to God and family, then he is of the highest character; if success be measured by a wealth of accomplishments and friendships then he is truly a success. If a leader be measured by his ability to combine the talents of others with his own and promote the betterment of mankind, then he is a true leader. If graciousness, charity, intelligence, youth, energy and dedication describe an unusual man, then he is truly an unusual man.

Have I then painted a picture to you of a true celebrity? No, not at all. I have described to you a successful, dedicated leader of men—a man among men, Dr. F. T. H'Doubler.

Gentlemen, these are times of uncertainty—these are times of change and our Shrine leaders have seen that these dramatic changes are necessary if we are to continue the greatest philanthropy in the world and to operate our Hospitals to full capacity.

What better man can we select than one who is a member of the medical profession as well as a devoted Shriner. In Chicago, one year ago, the outgoing Potentate, just

prior to balloting, cautioned that we keep two things in mind—first, that we were voting for the good of the Shrine and, secondly, that we were voting for the good of the Colorado Corporation and our Hospitals.

Nobles, with this in mind, I place in nomination the name of a man to whom you can point with pride, Dr. F. T. H'Doubler, Jr. (Applause)

IMPERIAL POTENTATE HOGAN: Are there any other nominations? If not, I would welcome someone moving that nominations be closed.

(Whereupon, it was severally moved, seconded and unanimously carried that nominations be closed.)

IMPERIAL POTENTATE HOGAN: At this point I will call upon Noble Clyde Oliver to give you instructions as to balloting.

NOBLE CLYDE OLIVER: Imperial Sir and Representatives: In a few moments we will be voting and as I am making these few announcements, I would appreciate it very much if the members of the Elections Committee would assume their assigned stations. The Imperial Potentate, in a few moments will announce the ballot that will be used. Your ballots are numbered from 1 to 6.

There will be no other ballots counted other than the one declared to be used at that particular time.

Now, Imperial Sir Hogan would like to have me announce that Ballot Number 1 will be used. The Number 1 ballot is the yellow one.

Now, as you leave this theater, the members of the Elections Committee will await you at the head of each aisle. Do not use the exits on the sides. At the exits at the head of the aisle where you are seated there will be ballot boxes awaiting your pleasure. We ask that you cast your ballots there and then, during the luncheon hour, we will attempt to tabulate them and give you the results right after the reconvening of the Session.

As previously indicated, Ballot Number 1, the yellow ballot, will be used. We will tabulate them during the luncheon hour and report to you as the first order of business following the luncheon.

IMPERIAL POTENTATE HOGAN: Nobles, may I have your attention.

We will reconvene in the Grand Ballroom at one-thirty. Also, luncheon will be served in the Spanish Ballroom. I hope you all have your tickets.

(At this point there was a brief pause while balloting on the various candidates ensued.)

IMPERIAL POTENTATE HOGAN: Now, is there anyone who has not balloted? If not, I will now declare the ballot box closed for the Office of Imperial Captain of the Guard.

We are now in recess until one-thirty p.m.

(The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 12:20 o'clock p.m., to reconvene at 1:30 o'clock p.m., Wednesday, July 2, 1969, in the Grand Ballroom, Olympic Hotel, Seattle, Washington.)

AFTERNOON SESSION WEDNESDAY, JULY 2, 1969 ONE-FIFTY O'CLOCK P. M.

The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Grand Ballroom, Olympic Hotel, Seattle, Washington, July 2, 1969 at 1:50 o'clock p.m., Imperial Potentate Chester A. Hogan presiding.

IMPERIAL POTENTATE HOGAN: Nobles, will you kindly take your seats. We do want to end up a little early this afternoon and so I hope we can have some quiet so we can proceed with our business.

I am now calling the Session to order.

At this time I will call on the Chairman of the Election Tellers, Judges and Clerks Committee, Noble W. Clyde Oliver.

NOBLE W. CLYDE OLIVER: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure I give you the results of the first ballot for the Office of Captain of the Guard.

There were a possibly 759 votes. 702 actually voted. There were no spoiled ballots. Necessary for choice, 352. Vote distribution is as follows:

David H. Cochran	6
Dr. F. T. H'Doubler	55
Noble Warren F. Weck, Jr.	119
Noble Fred R. Morrison	522

(Cheers and Applause.)

NOBLE WARREN F. WECK: Imperial Sir, Imperial Sirs and Representatives: I move that the ballot be unanimous for Noble Fred Morrison.

(The motion was severally seconded, voted upon and was declared to be carried.) (Applause)

IMPERIAL POTENTATE HOGAN: Imperial Sir, Noble Fred Morrison, do you accept?

NOBLE FRED MORRISON: Imperial Sir, Imperial Sirs, Fellow Representatives and Nobles: Most of you know that I have lost my voice during the last couple of days but I am certainly not going to walk out of here without thanking the Nobility from Moslem Temple, my Divan, my Potentate for, believe me, without that Temple I would never be here.

I also want to thank Chuck Kaufman and Marv Lane for he did a marvelous job in nominating me. In fact, I wondered for a moment whom he was talking about. (Laughter)

However, gentlemen, from the bottom of my heart, I want to thank each and every one of you. You were wonderful to me during my campaign. You treated me just tremendously. To each and every one of you, I will promise you I will do my best to win the confidence you have placed in me.

Imperial Sir, you asked me a question—as to whether or not I would accept. Well, Imperial Sir, with a humble heart, I do accept. (Applause)

IMPERIAL POTENTATE HOGAN: Nobles, I think we will let Fred sit down, he is a little tired. (Laughter)

We are now going to vote for the Office of Imperial Outer Guard and as I call the names of the candidates, I want them to come to the rostrum.

Dr. F. T. H'Doubler, Jr. from Abou Ben Adhem Temple, Springfield, Missouri.

Noble David H. Cochran of Nur Temple.

Noble Warren F. Weck, Jr. from Zuhrah Temple.

Noble Charles J. Claypool from Antioch Temple.

Are there any other candidates?

We do have another candidate, Noble William H. Spector of Tigris Temple, Syracuse, New York.

(The above-mentioned Nobles approached the podium and drawing for position of nomination again ensued.)

IMPERIAL POTENTATE HOGAN: Nobles, let me have your attention. At this time I will recognize Noble John R. Cooke, Jr. of Oleika Temple, who will make a nominating speech for Noble Charles J. Claypool.

NOBLE JOHN R. COOK, JR. (Potentate, Oleika Temple): Imperial Sir, Imperial Sirs, Fellow Representatives and Members of the Nobility: It is an extreme pleasure for me, on behalf of Oleika Temple and Antioch Temple, to present to you an outstanding Shriner for the Office of Imperial Outer Guard, Chuck Claypool.

He is a self-made man who, when in the seventh grade, went to work to help support his widowed mother and sister.

He was born in West Virginia and soon moved to Dayton, Ohio where, at the age of twenty-eight years, he formed his own company and was successful enough at the

age of forty-four to sell his company and to retire and to do the thing that he likes to do best—serve Shrinedom.

He is a member of the prerequisite bodies of the York and Scottish Rites, a member of the Cabiri, Royal Order of Jesters and, of course, a Past Potentate of his Temple, Antioch Temple.

He is a member of many other clubs and organizations such as the Elks, and attends the Baptist Church.

As Potentate he worked long and hard but before he became Potentate he was well aware of what Shrinedom meant to him and he worked tirelessly to the best of his ability in behalf of Shrinedom.

He has also been conscious of the needs of the Shrine Hospitals as well as the children and on one occasion I saw him raise enough money to purchase two television sets for the children at our Hospital just because he heard one of the youngsters say he would like to have a color television set.

As Potentate of Antioch Temple, he had one of the most successful years in the history of this Temple. In his year he achieved the biggest growth since the year 1947 and only eight Temples in all of Shrinedom have had such a similar growth.

He is a proven and able administrator and, at the same time, is always conscious of the needs of the Nobility and wants to see that they have a good time. He took them to the Imperial Council Session with one of the largest delegations and yet when he left office he turned over the biggest profit in the history of Antioch.

We are most impressed by the affection shown by the members of his own Temple for him. It is because of that warmth and the help that he and his lovely family have given to the Shrine that we heartily support him.

I know that you are not interested in statistics and so, as a result, I have tried to stay away from statistics. However, this man wants to devote his life to the things that he and we hope are dear to our hearts, Shrinedom, and I am sure he will do that. He will go anywhere to meet with Shriners.

Therefore, on behalf of Antioch Temple, it is an extreme pleasure and privilege for me to nominate Past Potentate Charles Claypool for the Office of Imperial Outer Guard. (Applause)

IMPERIAL POTENTATE HOGAN: I will now recognize the Potentate from Nur Temple, Potentate Draper, who will nominate David H. Cochran for Imperial Outer Guard.

NOBLE MILTON L. DRAPER: Imperial Sir and Imperial Sirs and Representatives to this Ninety-Fifth Imperial Council Session: I am sure it is not necessary for me to reiterate the words I used this morning in presenting and nominating our Past Potentate for the Office of Captain of the Guard.

It is a pleasure for me again to place in nomination the name of David Harvey Cochran as a candidate for Imperial Outer Guard. (Applause)

IMPERIAL POTENTATE HOGAN: I will now recognize the Assistant Rabban, Dr. Jim Brown, from Abou Ben Adhem Temple. He will nominate Dr. F. T. H'Doubler.

NOBLE (DR.) JAMES BROWN: Imperial Sir, Imperial Sirs and Representatives all: First may I take this opportunity to congratulate Imperial Sir Fred Morrison on his well-deserved victory. I say "well-deserved" for we found him always a gentleman during the campaign.

May I next express deep gratitude for Dr. H'Doubler and his staff for the confidence that you have shown in him on the first ballot. It exceeded our expectations and can only indicate that you as Representatives have a strong feeling for the fact that your Temples sent you here to make this great decision. It would also indicate to me that you recognize the full meaning of Shrinedom, an organization with a heart that has become truly so large and such a big business as to strongly demand the very best we have to offer.

May I tell you again that in Dr. H'Doubler we do have such a leader. He seeks not the honor of this position but simply the opportunity to serve. Gentlemen, seldom will we have the opportunity of ever casting a vote again for a man of his talents, willing to share them with us at a sacrifice of time and money.

Therefore, I take great pleasure in placing in nomination for Imperial Outer Guard a man to whom we can all point with pride, Dr. F. T. H'Doubler. (Applause)

IMPERIAL POTENTATE HOGAN: I would now like to recognize the Illustrious Potentate from Nile Temple, Vernon Bell, who will nominate Potentate William Spector from Tigris Temple, Syracuse, New York.

NOBLE VERNON E. BELL (Potentate, Nile Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs, Imperial Representatives and Nobles all: It has been my privilege to have observed and known through the past year the work of one of our Illustrious Sirs. Through his work, he has advanced the cause of Masonry throughout North America by conducting the greatest Shrine Directors Association Convention ever held in Shrinedom. Through his efforts, all the Masonic Lodges, Scottish Rite, Knight Templar activities and Shrine activities have surged forward and brought the spirit of Masonry throughout his own whole area and throughout his own New York—Ontario Shrine Association. Every Temple of his Association have benefited by his work.

All of us who have seen this Illustrious Sir have known and witnessed his ability with children, crippled children and burns patients, as illustrated just as recently as last week, when in the midst of one of the great events of his Temple and this country, he left the Tenth Anniversary of the St. Lawrence Seaway Rededication Ceremony arrangements, which the President of the United States and the Prime Minister of Canada were attending to administer aid to a burned child.

His leadership and dedication of his Masonic efforts have gone over into his civic leadership.

He is a former President of the Manlius School Alumni, one of the foremost military prep schools in the United States, and a former member of its Board of Trustees.

In so serving his school, he became a guardian to two boys from South America, not only sponsoring these two young men through prep school, but also through college, where they have exemplified, since graduation, his character in carrying out his work in Venezuela, where one of them has now risen to Assistant Director of Sears in Venezuela, and the other one has become an official of the Venezuelan Transit Authority. He was Chairman of the Muscular Dystrophy Campaign in his area.

Through his civic work, he has brought credit to all of his Masonic affiliations.

In 1956, this Illustrious Sir demitted from his mother Temple, Zenobia of Toledo, Ohio and joined Tigris Temple of Syracuse, New York, where he has since become its Potentate.

One will realize it is an unusual privilege to place an active Potentate in nomination. However, I feel that the ability of this man should be brought before the Imperial Representatives of this Session.

I hereby place in nomination the name of William H. Spector, the Illustrious Potentate of Tigris Temple, Syracuse, New York, for the Office of Imperial Outer Guard.

IMPERIAL POTENTATE HOGAN: I will now recognize Noble John R. Hendrickson, Potentate of Zuhrah Temple, who will nominate Noble Warren F. Weck, Jr. for Imperial Outer Guard.

NOBLE JOHN R. HENDRICKSON (Potentate, Zuhrah Temple): Imperial Sir, Imperial Sirs and Representatives to this Ninety-Fifth Imperial Council Session: The Office of Imperial Captain of the Guard has now been filled and we too would like to take this opportunity to offer our sincere congratulations and best wishes to Imperial Sir Fred Morrison and to wish for him the most happiness and success as he serves the Imperial Council and proceeds up the line.

I also again take great pride and pleasure in placing into nomination the name of Past Potentate Warren F. Weck for the Office of Imperial Outer Guard. (Applause)

IMPERIAL POTENTATE HOGAN: Are there other nominations? If not, I will entertain a motion to close nominations.

(Whereupon, it was severally moved, seconded and unanimously carried, that nominations be closed.)

IMPERIAL POTENTATE HOGAN: Nobles, before we proceed, I want to recognize Noble William H. Spector of Tigris Temple.

NOBLE WILLIAM H. SPECTOR (Potentate, Tigris Temple): Imperial Sir, Imperial Sirs, Delegates and Nobles all: I appreciate the honor bestowed upon me in having my name placed in nomination.

On January the 3rd I took an oath and obligation to serve as Potentate of Tigris Temple for the year 1969. I feel that I can observe the best traditions of Masonry, the best traditions of the Shrine by serving the Shrine for the rest of this year much better as Potentate of my Temple. However, I will see you next year. Therefore, at this time, I officially withdraw my name from nomination. (Applause)

IMPERIAL POTENTATE HOGAN: I will now recognize Noble Clyde Oliver.

NOBLE CLYDE OLIVER: Imperial Sir, Imperial Sirs and Representatives: The Imperial Potentate has designated that Ballot Number 2 be used for this election.

We will follow the same instructions as given you this morning.

(Whereupon balloting on the candidates ensued.)

IMPERIAL POTENTATE HOGAN: Now, is there anyone who has not balloted? I now hereby declare the ballot box closed for the Office of Imperial Outer Guard.

Now, while they are counting the ballots, we will continue on with our business and, therefore, please let me have your attention.

(At this point, the election of Trustees, Directors and Officers for the Colorado Corporation ensued. See Colorado Proceedings.)

IMPERIAL POTENTATE HOGAN: I believe we have a couple of presentations. There are two individuals who have asked to make their presentation and so at this time I would like to recognize Noble Reginald D'Alton of Karnak Temple.

NOBLE REGINALD D'ALTON: Imperial Sir, Chic, Imperial Officers, Delegates and Nobles all: When Chic was at Montreal last March the party who does all of the lettering on our Honorary Membership Certificates was sick and therefore not available. Therefore, it was thought the best thing to do was to come down here to Seattle and make the presentation officially instead of doing it at a later date or sending it by mail.

Imperial Sir, Chic, it is with a great deal of pleasure that I present to you this Honorary Membership in Karnak Temple and I hope that in the future you will come back to see us again. We did, when you were in Montreal, give you all kinds of weather—sunshine, rain, snow and we know you had a great time up there.

Thank you very much for honoring us. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you very much.

I would next like to recognize Noble Marvin E. Monk, Jr., the Potentate of Ararat Temple.

NOBLE MARVIN E. MONK, JR. (Potentate, Ararat Temple): Imperial Sir, Imperial Sirs, Representatives and Nobles all: It is a great deal of pleasure that I have in making this presentation to our outgoing Imperial Sir.

Perhaps I might let you in on a word of explanation here.

On Monday, four of the Potentates, with many Nobles from various Temples, assembled on the deck of the U. S. Battleship Missouri and presented this to the Admiral in command of the Navy Yard. This is a distinctive presentation It is a Resolution.

Now, the significant point about this Resolution, honoring the service of the men on the Battleship Missouri, is that it was signed by the individual who was President of the United States at the time this Ship was given its critical service and, of course, that is none other than former President of the United States, Harry S. Truman.

Now, Imperial Sir, it is with a great deal of devotion and respect that we present this Resolution to you and also, at the same time, convey our congratulations to you on the wonderful year of service you have had.

(Presentation of Resolution and applause ensued.)

RESOLUTION PRESENTED TO IMPERIAL SIR HOGAN

WHEREAS: The U.S.S. Missouri was the mightiest battleship in combat during World War II; and

WHEREAS: The U.S.S. Missouri was the meeting place for the United States to accept the surrender of the Japanese Empire during World War II; and

IMPERIAL POTENTATE HOGAN: Thank you very much, Noble Monk. This is presented to me by the four Temples in Missouri and, needless to say, fellow Nobles, I am deeply appreciative of this fine gesture on your part and this likewise shall have a place of honor for all to see. May I thank you all from the bottom of a grateful heart for the thought behind this beautiful certificate. I will always remember the wonderful Ceremonial we had down your way, all the candidates, what a good Ceremonial it was. I might add that my wife comes from Missouri and so we do have a soft spot in our hearts for Missouri.

Thank you, Nobles, again. (Applause)

Now, Nobles, if we may have your attention, I will call upon the Jurisprudence and Laws Committee for their reports.

In order to get the matter before this Ninety-Fifth Imperial Council Session, I move the adoption of this report.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried.)

NOBLE BROMLEY: I have a further report.

In the Call you will find two Amendments offered by one Thomas E. Lucas, a Past Potentate and a Representative of Al Chymia Temple. Now, he writes in and indicates it is his desire that these Amendments be withdrawn and not considered for any further action at this Session of the Imperial Council. He asks that the Jurisprudence and Laws Committee be so advised.

I don't think, Imperial Sir, that this requires any action.

IMPERIAL POTENTATE HOGAN: As I understand it, the Amendments will then be considered withdrawn.

NOBLE BROMLEY: Also, in the Call, there is an Amendment by John D. Cochran, Chairman of the Jurisprudence and Laws Committee, the Committee report in relation to which is as follows:

To the Representatives of the Imperial Council:

NOBLE BROMLEY: I might say a word of explanation seems to be in order because there was some confusion as to whether a person had to be a member of the Temple in order to run and this, of course, clarifies this point.

In order to get the matter before the Representatives and this Imperial Council session, I move, Imperial Sir, the adoption of this report.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

NOBLE ELMER BROMLEY: (Reading)

Dr. F. T. H'Doubler	129
Warren F. Weck, Jr.	499

(Cheers and Applause.)

NOBLE ~~F. T. H'Doubler, Jr.~~ *David H. Cochran* Imperial Sir, I would like to move that the vote be made unanimous for Noble Warren Weck. I will be back next year.

(The motion was severally seconded, voted upon and carried.)

NOBLE CHARLES J. CLAYPOOL: Imperial Sir, at this time I would like to thank everyone who supported me from the bottom of my heart and I also want to thank Antioch Temple and their Divan for working so hard. Thank you very much and I likewise will be back again next year.

IMPERIAL POTENTATE HOGAN: Noble Warren Weck, do you accept?

NOBLE WARREN F. WECK, JR.: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: I do accept and I do want to thank you so much for the support and confidence which you have placed in me. I will do my best to serve you and all of the Delegates in connection with what the Shrine stands for.

Secondly, I would be very remiss if I did not thank the members of my Temple who have worked so hard for me during the last two years.

(Business was transacted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE HOGAN: At this time, Nobles, I would like to recognize Noble White from Nur Temple.

NOBLE WHITE: On behalf of the children in the Philadelphia Unit I would like to present you with this picture painted by one of the boys who really had a very disabling injury but he is going to try to walk.

(Presentation of picture and applause ensued.)

IMPERIAL POTENTATE HOGAN: I thank you from the bottom of a grateful heart for this wonderful painting. Please express my appreciation to the patients for this wonderful gift. Thank you very much. (Applause)

Now, we do have a number of distinguished guests at the Convention and may I present to you Noble and Sovereign Grand Inspector-General of the Scottish Rite, State of Washington, who has a few remarks he would like to make, Noble V. G. Francis.

NOBLE V. G. FRANCIS (Sovereign Grand Inspector-General, State of Washington, Southern Jurisdiction of the Supreme Council of the Scottish Rite): Illustrious Sir—and I do use the term “Illustrious Sir” from the standpoint of the Scottish Rite as well, because Chic has proven to, I think, many, many people what it means to put Masonry in a position of working together in all its categories. He has been a terrific supporter of both the York and Scottish Rite

Therefore, in bringing greetings to you from our Grand Commander, Illustrious Luther A. Smith and the 575,000 Scottish Rite Masons of the Southern Jurisdiction, as a fellow Shriner, I challenge the Shrine, along with both the York and Scottish Rites, to take up the burden of being good Americans and give your service not only for those things which you hold dear in Masonry but in relation to those things we hold dear as American citizens.

Of course, we in the Scottish Rite often say that we hope that all Scottish Rite members may be Nobles and that all Nobles may be good Scottish Rite neighbors also.

Thank you very much for this privilege. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you very much.

Nobles, I would now like to have you give your attention to Most Worshipful Brother J. Guy Smith, Grand Master of Masons in Texas.

MOST WORSHIPFUL BROTHER J. GUY SMITH: Thank you, Imperial Sir. Imperial Sirs, Representatives and Nobles: I am indeed honored to have the privilege of attending this Session. It is with pleasure that I bring to you greetings from the Masons in Texas and all of the Nobles who could not be with you here. I am thoroughly enjoying this and my thanks to each and every one of you. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you very much.

I would now like to recognize the Grand Master of Royal and Select Masters, State of Washington, Noble Cecil M. Ward.

NOBLE CECIL M. WARD: Imperial Potentate and Nobles of the Shrine: I would like to express to you the great pleasure we have had in having you with us in the State of Washington.

Speaking for my own organization and for all of the York Rite, I bring to you the special remarks to say that we hope you will enjoy yourselves and that you will be returning again some other time to see us.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: Let me say, fellow Nobles, that Cecil Ward is a Past Grand Commander of the State of Washington; a Past Grand High Priest of Royal Archmasons of Washington; and probably also has a lot more titles that I cannot remember. Thank you very much. (Applause)

At this time I would like to recognize Noble Bob Turley of the Jurisprudence and Laws Committee.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: It has been my pleasure, for some time now, to serve as a member of the Board of Governors

of your Cincinnati Shriners Hospital. The Imperial Potentate mentioned in his report yesterday the development of a serum at the Cincinnati Unit which we on the Cincinnati Board thought you would like to know about. Of course, our doctors published a report on this but, as you can well imagine, it is in medical language and beyond the comprehension of the average layman. Therefore, we asked that Dr. Bruce Mac-Millan, who is the Chief Surgeon at the Cincinnati Unit, write for presentation to you at this Session just a very brief report in layman's language. Therefore, what I shall read you is a doctor's best approach to layman's language.

I quote from his report. (Reading)

"Pseudomonis infections have been a serious problem for many years in patients with large thermal injuries. Until recently, approximately one out of every three patients with burn injuries of over twenty per cent have died as a result of invasive pseudomonis infection.

"During the past fourteen months pseudomonis vaccines have been developed and evaluated under the direction of J. Wesley Alexander, who is Associate Director of Research of the Cincinnati Unit in the Department of Surgery and the Shriners Burn Units in a group of sixty patients. In this group of patients, immunized by combined intradermal and subcutaneous or combined intradermal and intramuscular injections, only three who had sustained burns over twenty per cent of their total body surface died. Two of the patients were done early in their stay and were immunized with what is now considered to be suboptimal doses. The third patient died of a combined infection with another organism which was considered to be the cause of death.

"The success of this vaccine in reducing mortality in burned patients where pseudomonis has been a major cause of death in the Shriners Burns Institutes has stimulated further investigation of this vaccine to prevent complications from pseudomonis sepsis in patients who have leukemia, chronic respiratory diseases in children and severe battle injuries in the military service."

Now, let me tell you just this, which doesn't appear in the report—that our doctors are really more modest than you would think they would be. This appears to be the greatest breakthrough in burns therapy that has ever been developed. Further, it was done by a doctor in one of our Hospitals.

To give you an example, in the first forty patients that were tested, 40 per cent of those who did not receive the vaccine contracted pseudomonis infection. Thirty-five per cent of those who did not receive the vaccine died. Of those who received the vaccine, not one contracted pseudomonis infection. Five per cent or one of the twenty died from pseudomonis that had been contracted before he got to our Unit and before he got the vaccine.

I thought you would want to know about this and it is a great pleasure, in behalf of the Cincinnati Board, to report to you on the work that is being done by our Hospital there.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you, Bob, for a wonderful report and for bringing us up to date in relation to this matter.

May I thank all of you Nobles out there who worked so splendidly today. You have done a lot of work and cooperated and, as a result, we have accomplished quite a bit. Therefore, I wish to thank you for your wonderful cooperation.

I wish to announce that tonight at seven o'clock the Civic Center will be open for the purpose of entering the Banquet Hall. The Banquet will start promptly at eight o'clock. I am hopeful all of you are going to be there.

Tomorrow morning we will reconvene at ten o'clock. (Cheers and applause.)

I would at this point like to ask the Imperial Recorder if he has any announcements. I understand they have been taken care of.

Nobles, we are now in recess until ten o'clock tomorrow morning.

(The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 3:05 o'clock p.m., to reconvene at 10:00 o'clock a.m., Thursday, July 3, 1969, in the Grand Ballroom, Olympic Hotel, Seattle, Washington.)

BANQUET SESSION
WEDNESDAY, JULY 2, 1969
EIGHT O'CLOCK P. M.

The Imperial Potentate's Banquet of the Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., was convened in the Civic Opera House, Civic Center, Seattle, Washington, Wednesday, July 2, 1969 at eight o'clock p.m.

(The Session was opened with the introduction by Director-General Aurie J. Thompson of the various civic and Masonic dignitaries, Past Imperial Potentates, Imperial Divan and their Ladies, with Imperial Potentate Chester A. Hogan presiding.)

IMPERIAL POTENTATE HOGAN: Nobles and Ladies, may I have your attention.

At this time we will have the Invocation by our Imperial Chaplain, Reverend Randy Larson.

REVEREND LARSON: May we unite our hearts and our minds as we pray.

Tonight, O God, our hearts are filled with gratitude. We have been blessed exceedingly abundantly above all we can ask for or even think.

Tonight we are grateful to Thee for the men of the Shrine but specifically we give Thee thanks for our ladies. Also, for this year of achievement we are eternally grateful. For our Imperial Potentate and his lady, we are most happy. Tonight we have gathered here in honor of them and as we break bread together tonight we would ask that we would never forget those who are patients in our twenty-two Hospitals, the children with broken bones and burned bodies.

May we never forget those who are less fortunate than we are. For all of life's bounties and blessings we give Thee thanks. We likewise ask that blessing upon this food which nourishes our bodies and the fellowship which enriches our lives.

For all of this, in Thy gracious and glorious name, we pray. Amen.

(The serving of the banquet dinner ensued.)

IMPERIAL POTENTATE HOGAN: Nobles and Ladies: I am hopeful that all of you have had your food and dessert and so at this time I am going to ask everyone to stand while we have played our National Anthems—those of the United States, Canada and Mexico.

(The National Anthems of the United States, Canada and Mexico were then played.)

IMPERIAL POTENTATE HOGAN: Nobles and Ladies, the hour is getting late and we do have a program and a speaker. Therefore, if you want to visit, I hope you will do it quietly. Therefore, may I ask those of you who are talking loudly to cut your voices down just a little bit.

Nobles and Ladies, as long as we have talked about "Hogan's Country" for the last three days, may I at this time present to you the Hogan family. I would like to have them all stand so you can see them.

(The assembly applauded as the Hogan family arose.)

IMPERIAL POTENTATE HOGAN: Let me say, Nobles and Ladies, that they are small but they are mighty.

Now, I would like to pay tribute to a wonderful Noble who has worked his heart out for more than two years to get continuity to this wonderful Convention. We have nothing but compliments for his fine leadership and planning of this great Convention.

Therefore, I would like to introduce our Director-General of this great Convention, Past Potentate Aurie J. Thompson and his wife, Esther. (Applause)

Now, I am going to ask our Director-General to present to you the distinguished guests, Noble Aurie Thompson.

NOBLE AURIE J. THOMPSON (Director-General): Thank you, Imperial Sir. Actually, I am working under a little bit of a handicap. I borrowed some glasses. I dropped mine and broke them.

Imperial Sir and Imperial Sirs, Governor and Mrs. Evans, Illustrious Honorable Mayors of our other Cities, Senator Jackson and you who are with us here tonight: We are so happy to have you here. I would now like to make these introductions and

I am sure you will enjoy seeing these people because they are a part of our great Shrine family.

First of all, Carl Rahn and Mrs. Rahn. Noble Rahn is a member of the National Board of Trustees of the Shriners organization. Will you please rise. (Applause)

Next we have Clarence Phillips and Mrs. Phillips. Noble Phillips is the General Legal Counsel for the Shrine of North America. (Applause)

Now, as you all know, we have three Temples who are co-hosts in relation to this Convention of ours. We hope that you have enjoyed what they have done for Shrine-dom during the past two weeks.

First of all I would like to present the Potentate of Affi Temple at Tacoma, Illustrious Sir, Neil B. Gray and his lovely wife. (Applause)

Next we have, from Nile Temple, Seattle, our Illustrious Potentate, Vernon Bell and his lovely wife. (Applause)

Next we have the Potentate of El Katif Temple, Spokane, Illustrious Potentate Ward J. Walker and Mrs. Walker. (Applause)

I would now like to present to you the Chief of the Seattle Fire Department and his lovely wife, Gordon Vickery. (Applause)

We also have with us tonight the Honorable Mayor of the City of Puyallup, Robert E. Brewer and his lovely wife. (Applause)

I would now like to present to you if I may, the Masons and dignitaries who are visiting with us here in Seattle.

First I wish to present a Noble who was Potentate of my Temple in 1912. He is ninety-two years of age. He has a tremendously keen mind. He is Intendant General, Dominion of Washington of the Red Cross of Constantine. I can give you many more Masonic titles but I would just like to have him stand up because he is really known here as "Mister Mason."

I present to you Noble Daniel B. Trefethen. (Applause)

Next we would like to have you greet the Grand High Priest of the Grand Chapter of Royal Arch Masons of the State of Washington, Anton L. Marek and Mrs. Marek. (Applause)

And now we have the Grand Master of Royal and Select Masters of the State of Washington, Cecil M. Ward and Mrs. Ward. (Applause)

We have with us now representing the Grand Commander of the Supreme Council of the Scottish Rite of the Northern Masonic Jurisdiction, Henry Roberts and Mrs. Roberts. (Applause)

Also, one of our native sons, Sovereign Grand Inspector-General for the State of Washington, Southern Jurisdiction of the Supreme Council of the Scottish Rite, representing the Grand Commander, Virgil F. Francis and Mrs. Francis. (Applause)

We are also pleased to present to you Arnold H. Johnson and Mrs. Johnson. Arnold is Grand Commander of the Knights Templar of Washington State.

And now last but not by any means least, the number one man in the State of Washington, our Grand Master, Frank E. Ulin and Mrs. Ulin. (Rising applause.)

Now, Nobles and Ladies, as we go through this business of holding Conventions, working them out, planning them and so on, as you will note, there have been many people involved. I have been very fortunate to have with me a friend of mine for many long years who has been helping me and who has really been cordial in the things we have tried to do together. I have had a great Deputy Director-General and I would like to present him to you just to take a bow—Cecil B. Walrath. Before you applaud, let me say that he is presently the new Royal Director of the Royal Order of Jesters and also is leading the Red Cross of Constantine in their Court here in Seattle. I give you Cecil B. Walrath. (Applause)

I would also like to present to you at this time one of the great men in the City of Seattle, who has done so much and through his helpfulness we have been able to do so many of the things that are so important to the success of a Convention such as we have had here. Without the support of the City of Seattle, its various departments and especially from the Mayor's Office all the way down to the Police, we would

not have had the successful Convention we have had thus far. Their cooperation has been one of the best things we have had.

I would now like to present, if I may, and I am sure you will enjoy seeing the Honorable Mayor of the City of Seattle, Floyd Miller and his wonderful wife. (Applause)

Now, Imperial Sir, that concludes the list of our dignitaries tonight and I thank you for the privilege of introducing them.

IMPERIAL POTENTATE HOGAN: Thank you, Director-General.

I would like to now express to you and to the three host Temples of Washington—Affi, Nile and El Katif, who are hosting this Convention, our extreme appreciation for this great Convention. We likewise wish to thank all of the various committees that were involved. God bless you and thank you.

Now, it gives me extreme pleasure to present to you a former DeMolay, a Noble of Nile Temple, the Honorable Henry F. Jackson, United States Senator, and his wife, Helen. (Applause)

And now, Nobles of the Mystic Shrine, it gives me great pleasure to present to you the Honorable Daniel J. Evans, Governor of the State of Washington, who will speak to us at this time. (Rising applause.)

THE HONORABLE DANIEL J. EVANS (Governor, State of Washington): Imperial Potentate, Chic Hogan; Delegates to this 1969 Shrine Convention: Ladies and Gentlemen: On behalf of the State of Washington, I do welcome all of you here to the City of Seattle and to your 1969 Convention. Chick, I don't know how fortunate we could have been, especially here in the City of Seattle, and this goes also to you, Mayor Miller, to have founded this City just thirty miles away from Puyallup. You helped put us on the map and we are thankful.

I remember the last time the Convention was held here in the City of Seattle, in 1936, at which time I was a young lad. I sat on the banks of the Canal and watched a water parade which I remember to this day. Now, thirty-three years have passed since that time and many things have taken place.

I have to say that in times of adversity and in a world where sometimes it seems that problems outnumber the population, it is a pleasure to see so many people in one place having a good time. (Applause) However, besides this good time and fun there is a good purpose. Many more Americans should be aware of the selfless acts of charity which have characterized the Shrine for nearly a century. Your contribution to the children of this country, to those afflicted with disease, with burns and with crippling injuries, is one of the truly moving experiences of our generation. Moreover, it stands as a great light in a time of significant darkness—a time when millions of Americans have become dissenters and millions more have become doubters.

However, it is really no act of convention hospitality that has brought me here today. When Chester Hogan asked me to deliver the keynote address, I accepted in the belief that here in this place we could explore together the problems of America.

I accepted not because you are the largest Convention ever to be held in Seattle—or in Washington—but because the Shrine has come to stand for the essence of the volunteer citizen; the man who plays hard but works harder—the man who believes in the tenets so clearly stated by one of your Past Imperial Potentates:

"Pleasure without intemperance.

"Hospitality without rudeness.

"And jollity without coarseness."

I accepted, therefore, not because of your numbers, which are impressive. I accepted because of the quality of your work, because of the dedication which you have brought to the task of service and because the spirit of charity which is the foundation of the Shrine is the same spirit which this Nation need for all of its citizens. (Applause)

We should not be deceived here in Seattle. You have come to this City from the far corners of a deeply troubled country, a country which stands in great peril even as we meet today. The conflict which consumes us, both at home and abroad, is a deadly one. It eats at the heart of America, a cancerous assault upon the fabric of an entire society.

And those who ignore the realities of the conflict, those who assign the troubles of a great Nation to the youth, to the Black, to the Hippies and the Yippies and the Leftists and the Rightists — miss a very fundamental point. (Applause)

For it is not the radicals and the militants who pose the greatest threat to America. It is the great silent majority, the people whom Vice President Agnew termed the "effete society" — the legions of affluent Americans who sit idly by while the Nation fights for its future.

I think it is about time that the citizens of this country began to take stock of themselves. I think it is about time that we stopped yelling "Law and Order" and "Victory at any cost" at the top of our lungs and began to assess our problems with candor and honesty. (Applause) I think it is about time we recognized that this democracy can survive violence and protest, but it cannot survive ignorance and war and poverty and, above all, the citizen who says, "Protect me, but don't involve me." (Applause)

If there is a tragedy in America today, it is not that of dissent. The tragedy is non-involvement, the feeling on the part of too many citizens that individual contribution is no longer necessary to the well-being of the Nation; that government owes not only a good life but a secure life to its prosperous citizenry and that, in return, the only thing the citizen owes to his country is the minding of his own business.

Now, I don't think many here today would question the fact that the United States is engaged in a difficult period of trial. Having conquered the frontier in a little short of two centuries, we now find ourselves confronting the difficult and devious problems of rapid urbanization. However, these are part of the reality of Twentieth Century America and they touch each citizen more deeply than we realize. For there is no escape from reality; there is no refuge apart from the Nation's urgent problems. It is the primary test of America to find itself again, to undertake new and bold steps which will secure in this century a reasonable and renewed hope for liberty, peace and personal happiness. (Applause)

History is strewn with the wreckage of society which proved unable to cope with the demands of change. At some point in time, at some indefinable place, each in turn lost the confidence of its citizens and was consumed by the unalterable course of progress.

We have been fortunate in our country. We have been fortunate that the fabric of our open society has been resilient enough to absorb the punishment of a devastating war in Vietnam and an emerging rebellion at home. And now, as we stand at one of the significant crossroads in our own brief history, it is imperative that the people of this Nation do not lose faith in themselves and in their government.

The danger we face is not disinterest alone — that slackness of spirit and vagueness of purpose which can bring a nation to its knees more swiftly than armed legions. We face an equal danger from the hardening of conflicting attitudes into rigid postures from which there is no retreat. The right distrusts the left, the black the white, the rich the poor, the farmer the city dweller, until we reach the point where communication, much less compromise, is impossible.

And, finally, to all of this we must add the latent danger posed by the widening cleavage between the institutional America and the individual America. It is characterized by a declining trust in the institutions of our society and a growing feeling that the individual is a helpless victim of a system beyond repair.

Also, it is no small coincidence that, in many ways, the feeling of futility on the part of our older citizens is no more or no less than the frustration expressed by our youth.

And so we are engaged in a time of trial, the testing of a great Nation and a remarkable people. There is much to fear but there is also much to hope for. Much of that hope resides in the willingness of the average American to overcome this momentary paralysis of national purpose. It resides in the ability, not of large institutions but of individual citizens to respond to the needs of their country, to proclaim by deed and by personal commitment the genesis of a new order for a new time in history.

In his book, "American Individualism," Herbert Hoover wrote:

"We can agree at once that intelligence, character, courage and the divine spark of the human soul are alone the property of individuals. They do not lie in agreements, in organizations, in institutions, in masses or in groups.

They abide alone in the human heart."

I believe that there are many here today who can subscribe to Mr. Hoover's philosophy. There are millions more throughout the country whose dedication, whose abilities and whose commitment, once mobilized, could once again become the driving force in the longstanding American revolution.

But we have allowed ourselves to become the victims of individual isolationism. We have, all of us, lost sight of revolutionary America. We have lost sight of the Nation which, born in conflict, survived by courage and by its willingness to take up the mantle of a changing society. We see the problems of a complex society today but we fail to remember that chaos and conflict have been with us since the beginning. I think it is vital that before we become too rigid, before we are consumed by false fears and deepening hostilities, before we pass final judgment on an entire generation, I think it is vital that we regain our perspective.

Now, there is absolutely no defense for violence but neither is there a defense for ignorance. And those who would tear this country apart in the streets do no greater disservice than those who withdraw from responsibility in the face of adversity. It is not enough to be against violence, against dissent and against anarchy. The future cannot be secured by a rear-guard opposition to the excesses of change. It can only be secured through the rededication of every citizen to the principles of devotion, self-sacrifice and service which have characterized this Nation for the better part of two centuries. (Applause)

During your visit to Seattle I ask all of you to look around and see a City, an urban area, in great need of service from its citizens. I ask you to see not just the facade of a growing commercial center but the agony of growth which we are now experiencing. There is greatness, yes, but it is tinged with the shadow of neglect. We have ghettos and decayed buildings. We have pollution and a rising crime rate. We have young children too hungry to learn and too ill to care. We have teenagers who have been dragged into the terrible world of drug addiction. We have freeways clogged with rush-hour traffic and streets where it is unsafe at night. It is the face of all American cities and the face of America itself.

But, most of all, we have a need — a need for the great resources which exist in the hearts and in the hands of the average citizen. The resources of education, of manual skill, of healing, of teaching, of opening new worlds of hope to old words of frustration.

It is not possible for government alone to bear this burden; nor is it possible for business enterprise. It is only possible with the help of the individual, the man or woman who recognizes the ills of our society and says not "Why did it happen" but "What can I do." The man or woman who recognizes that there is no nobility in selfrighteousness and no protection in self-delusion.

I have seen in this City a man devote virtually every hour of his free time to handicapped children. I have seen him stand before a panel of visiting Governors and plead courageously for help. I have seen him win that support he so desperately needed.

I have seen a black citizen implore the Nation's leaders to invest their hard-earned dollars in a new capitalism, to offer to the minority citizen one decent chance at becoming part of the action. I have seen him rise to become an Assistant Secretary of Labor in the Nixon administration, a man dedicated not to self-pity but to the sweat equity principle he has so eloquently championed.

I have seen a group of young university students contribute endless hours of tutoring time so that a handful of minority children might have a better opportunity to gain that education we all too often lay down as the first cost of equality.

These are not unusually gifted men but they are dedicated men. They have stared into the face of disability, of deprivation, of ignorance and poverty and they have been moved to action — not by the influence of money or by the direction of government or by the pursuit of personal recognition — no, they have volunteered their services as individuals and as citizens. I doubt very much if any one of these people

have lost faith in America. They may weep silently over violence and destruction; they may voice quietly a concern over the safety and security of their families; but they have stepped forward and volunteered their services nevertheless — and each of us owes them a debt of gratitude that can never be paid in money but only in kind.

And so I come before you, all of you, to ask that when this Shrine Convention is done, each of you return to your cities and your communities with a new sense of purpose and a new, personal dedication to the needs of America. No organization is better equipped; no organization has a greater reservoir of talent; no collection of individuals has demonstrated greater concern than the members of the Shrine. (Applause)

I hope you share with me the belief that we need today a restoration of that spirit which so largely created and sustained this Nation throughout its history — that spirit of community, of dedication, of sacrifice for the common weal and of service to our fellow men which has given meaning to the words and strength to the laws of our land.

There is still another ingredient to the maintenance of greatness and that is the preservation of the spirit of individual service. If we lose that spark, that deep charitable instinct, that deep commitment to a common cause; if we choose instead to pursue only the sterile goal of national self-indulgence, then we shall have lost the substance of a national purpose which countless millions dared to build and millions more died to preserve.

I believe strongly that the charitable instinct is still alive in this country. I believe strongly that there still exists a great reservoir of compassion, a great desire among the people to serve in any way they can.

The real challenge lies in mobilizing the great core of volunteer citizens who wait silently in every community. It lies in reminding them that America was built on a foundation of generosity toward need and courage in the face of adversity.

So this Nation may be a Nation in trouble, yes, but not a Nation beyond hope. There is no anguish so great, no frustration so deep, no cynicism so permanent, that the citizens of this country, once aroused, cannot overcome it.

Dwight D. Eisenhower placed great stock in the fact that he came from the "Heartland of America." It helped him to see through the cynicism which grew from doubt and the dissent which rose up from the ashes of disillusionment. To the day he died, General Eisenhower held firm to his deep-rooted faith in the inherent goodness of the average American — the American who would not quit his country in anger nor desert it in time of need.

Eisenhower said this:

"There is nothing wrong with America that the faith, love of freedom, intelligence and energy of her citizens cannot cure."

This may be a strange-sounding manifesto for the heavy laden American of an urban and a nuclear age but it contains for each of us a reminder that from the individual comes the strength of this country and from individual commitment comes the hope of each new generation.

Let those who must, dissent, but let the rest of us remember that by our positive action and by that alone will come the resolution of the American dilemma. A great nation cannot remain great if its people stand silent in criticism; it cannot remain great if its people succumb to fear and labor a false patriotism. It can only remain great if its people become involved and restore to nationhood a clear sense of individual commitment and purpose.

That is our challenge. That is your challenge. To set aside the agony of adversity and take up the challenge of hope and to rekindle in every American the faith that from his works a nation can survive.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you, Governor Evans, for a wonderful address.

If I may, I would like to introduce to the Nobility and Ladies, your lovely wife, Nancy. Let's give her a hand. (Applause)

Now, we have something of a great deal of interest to all the Temples, the presentation of the Outstanding Shriner of the Year Award. I will say "The outstanding Shriner of all time." Therefore, at this time, I would like to announce to you the man that has been selected for this year, Noble and Past Imperial Potentate Harold Lloyd. (Rising applause.)

Imperial Sir, Harold, you are the most dedicated Mason and Shriner, insofar as I am concerned, in the world. You have done more for our children's hospitals, for our wills and gifts and you know, Harold, as Chairman of our National Board, you give all of your time to Shrinedom.

Therefore, Harold, in behalf of myself, as your Imperial Potentate, your Imperial Officers and Shrinedom in general, I present you with this beautiful plaque.

(Presentation of Plaque and applause ensued.)

NOBLE HAROLD LLOYD: Imperial Sir, Imperial Sirs, Distinguished Guests, Illustrious Potentates and Past Potentates, Nobles, Ladies and Gentlemen: I heard Chic say something to the effect "I am going to make you like me from now on." (Laughter) However, when this came about, I was truly surprised. I don't know what I can say under these circumstances because, after all, what can you say when you are given a big, beautiful thing like this from an organization you dearly love.

Of course, you say that you are very, very flattered; you are deeply proud and, after all, in order to accept something like this you must do it with a great deal of humility because in this marvelous organization of ours right here in this room there are so many men that are certainly deserving of what this indicates, the "Shriner of the Year." Therefore, I certainly accept with deep humility.

A lot of people have said to me, "Harold, you do a lot of work for the Shrine, don't you?" I have said "No, I don't do a lot of work for the Shrine, I put in a lot of time and I give a lot of effort but, on the other hand, I have a definition of work.

After all, if you are doing something and you wish you were doing something else, then that is work. However, in relation to the Shrine, what little I contribute, I do not consider work."

At this point, if I may be permitted to do so, Imperial Sir, I would like to give a little suggestion of advice to our Imperial Potentate-Elect, J. Worth Baker. This has to do with worry. He is just taking on a job and he is going to have a lot of problems. He is going to have quite a few worries. However, I am sure that if he performs as outstanding as Chic has during the past year, he will need have no fear. As we all know, Chic has had a tremendous year. Every place he has gone they have loved him. He has done a magnificent piece of work for this organization. He has given the organization great leadership during the past year and is now entitled to rest on his laurels.

There is the story they tell about the fellow who had nothing but worries. He worried about his personal affairs, about his business, about his taxes and so on. Someone then asked him one day, "Why don't you get someone to worry for you?" He asked, "Can I do that?" His friend said, "Sure, advertise for that individual." Well, he did and the advertisement turned up a man and in the interview he was told, "Now, look, if you take this job you have to take all of my worries. I don't want to have any worries at all." The fellow indicated he would do it. The fellow hiring this man then said, "Well, you are hired."

The fellow that was just hired then stopped a moment and said, "Just a moment, I have one question. What's my salary going to be?"

"Well, that's your first worry," said the employer. (Laughter)

I want all of you to know that I will cherish this always and I am very indebted to all of you and thank you from the bottom of my heart. Thank you very, very much. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you, Harold. You certainly were deserving of that honor.

Now, at this time I would like to present to you the El Katif Temple Chanters under the direction of J. Walter Nelson, who will take over and perform for you and boy, you will really enjoy it. Therefore, I would now like to turn the balance of the program over to Director Nelson and ask him to take over at this time.

(At this point, the planned program of entertainment, under the direction of Director Nelson of the El Katif Chanters, concluded the Banquet Session.)

MORNING SESSION
THURSDAY, JULY 3, 1969
TEN-TEN O'CLOCK A.M.

The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Grand Ballroom, Olympic Hotel, Seattle, Washington, Thursday, July 3, 1969 at 10:10 o'clock a.m., Imperial Potentate Chester A. Hogan presiding.

IMPERIAL POTENTATE HOGAN: The meeting will now come to order. If you will take your seats, Nobles, I believe we are ready to get under way.

I would first ask that you all stand for the Invocation by our Imperial Chaplain, Reverend Larson.

REVEREND LARSON: O God, our God, as we begin a new day, we are grateful to Thee for the opportunities we accept each day as a continuation of your mercy. You have been good to us and we have been abundantly blessed in the midst of our fun and the transactions we undergo here which further continue the cause of Shrinedom in this world. You have been our constant companion.

Before we begin the business of the day, we would pause for truly that pause that refreshes, revitalizes and invigorates. We would ask that we might have your continued concern as we seek to further the cause of Shrinedom and the Nobles of our Fraternity. May we ever be mindful of the children whom we serve.

All this we pray in your blessed name. Amen.

IMPERIAL POTENTATE HOGAN: I will now call on the Imperial Recorder who has some announcements to make.

(Noble George M. Saunders announced receipt of several letters from various members in attendance at the Convention.)

IMPERIAL POTENTATE HOGAN: Thank you, George.

Now, Nobles, again I ask that we have decorum and, further, if all of you will pay attention I am sure, in turn, you will understand what we are trying to do up here at the front.

At this time I would like to recognize Noble Earl Sachse.

NOBLE EARL SACHSE (Zor Temple): Imperial Sir, Imperial Sirs: Yesterday, you heard the report of your Jurisprudence and Laws Committee on some proposed legislation. The motion was that the report of the Committee be accepted. In other words, they said amendments were in proper form and not in conflict. We did not actually vote on the amendment.

I would like at this time, Imperial Sir, to move the adoption of the amendment on page 13 to Section 325.2 on Elections as proposed by Judge Cochran, the Chairman of the Jurisprudence and Laws Committee. I move adoption, Imperial Sir.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: You have heard the motion, which is to adopt Section 325.2 as proposed by the Jurisprudence and Laws Committee. Is there any discussion? If not, I will put the question.

(Whereupon, the motion to adopt the amendment to Section 325.2 was voted upon and declared to be carried.)

NOBLE EARL SACHSE: Imperial Sir, let me also indicate that 325.2 at the bottom of the page, the bottom of page 13 in the Call, refers only to the italicized language. This has nothing to do with the Recorder. It indicates that candidates for elective office in the Temple must be members in good standing of that Temple and this is all. The other amendment, as you will recall, had been withdrawn.

I would also like to call your attention to Section 334.8 at the top of page 14 of the Call, on incorporation of Temples or Affiliates.

I move an amendment to that amendment by adding the words, at the end of the next to the last line, striking the words "Shriners for Crippled Children" so that it would read—"In the event of dissolution, the assets and funds remaining after

payment of all debts of the corporation shall be conveyed to the Temples or the Hospitals."

The reason for this Amendment, Representatives, is that in Section 101 of the Code, Hospitals is defined as meaning "Shriners Hospitals for Crippled Children, a Colorado Corporation." Therefore, we have the situation here where, when the word "Hospitals" is used, it can only have that meaning. This language, therefore, would prove superfluous and I move the amendment to the Amendment.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: We have an amendment to the Amendment which has been seconded. Is there further discussion? If not, I will put the question.

(The amendment to the Amendment as above proposed was then voted upon and declared to be carried.)

NOBLE EARL SACHSE: Imperial Sir, I now move the adoption of the Amendment as amended, to Section 334.8.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

NOBLE EARL SACHSE: Now, Imperial Sir, I would like to have the Representatives skip over to the next page, to page number 15 of the Call. There is a similar provision, Section 337.6, having to do with incorporation of Shrine Club holding companies.

I move this Amendment be amended by striking the words "Shriners Hospitals for Crippled Children" and inserting the word "the" before the word "Temple," so that it would read—"shall be conveyed to the Hospitals or the Temple."

I move the adoption of the amendment to the Amendment, Imperial Sir.

(The motion was severally seconded and, there being no discussion, was voted upon and carried.)

NOBLE EARL SACHSE: I now move adoption of the Amendment to Section 337.6 as amended.

(The motion was severally seconded and, there being no further discussion, was voted upon and carried.)

NOBLE EARL SACHSE: With regard to the amendment pertaining to deviation from the Ritual, Section 335.12, I move that it be amended to read as follows. This will not make any material change in it but it breaks it into two sentences and simply this language:

"The Imperial Council may authorize the Ritual to be translated in any foreign language it deems necessary to accommodate a Ceremonial held in foreign countries. The translation requires approval of the Imperial Council and shall be used in an appropriate foreign country without deviation."

I have talked to Past Imperial Potentate Barney Collins and he assures me that they will not be presenting anything on this until next year. However, I would move for the adoption of the amendment.

(The amendment was severally seconded.)

IMPERIAL POTENTATE HOGAN: You have heard the amendment as proposed, which has been seconded. Is there discussion? If not, I will put the question.

(The motion to adopt the amendment was then voted upon and declared to be carried.)

NOBLE EARL SACHSE: Imperial Sir, I now move adoption of the Amendment as amended.

(The motion was severally seconded, voted upon and declared to be carried.)

NOBLE EARL SACHSE: Imperial Sir, there is a further amendment to 335.10 in relation to female organizations.

The bracketed material is the material to be stricken, which would take out the words "(or officially recognize in any way)." Therefore, a Temple may not organize or sponsor a female unit or any uniformed body of women.

I have no enthusiasm about the Amendment and so I am not going to move adoption. I would move rejection of that Amendment to the By-Laws unless somebody has something to say to support it.

NOBLE C. EDWARD BEST (Ben Ali Temple): Imperial Sir and Imperial Representatives, I am the proposer of this Amendment and I certainly have something to say in support of it.

I have a point of order. If you will have the stenographer read the record you will see that the Amendment was adopted yesterday. It was presented in connection with the report of the Committee and the adoption of the Amendment was voted favorably.

IMPERIAL POTENTATE HOGAN: Since there appears to be some discrepancy here and inasmuch as the reporter has the notes up in his room, I would suggest that we hold back on this until the first item of business this afternoon. This will give us an opportunity to again review the record with respect to it.

NOBLE C. EDWARD BEST: I will be happy to wait until that time, Imperial Sir.

IMPERIAL POTENTATE HOGAN: I will now call upon a member of the Jurisprudence and Laws Committee, Past Potentate Robert Turley.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: I am pleased to bring you the report of the Special Committee on Shrine Tours and Cruises. (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.:

On June 11, the Associated Press reported:

"Thousands of tourists face possible cancellation of their trips because they may have unwittingly booked passage on illegal charter flights in Europe, according to Civil Aeronautics Board officials.

"We have rumors that there might be as many as 300 Charters leaving out of California this year to Europe which have aspects of illegality about them," according to CAB Member John G. Adams.

"We hear rumors that as many as 100,000 persons may be moving on such flights who really ought not to be moving under a true interpretation of Charter regulations," he added."

The story goes on to cite cancellation of 42 Charters involving three of the largest and best known supplemental air carriers. It was this year, too, that saw charter tourists stranded in both Hawaii and Mexico when the tour operator which had taken them there went bankrupt and could not bring them back. This is not to say that Shrine-sponsored tours and cruises must be abandoned; but to underline your Committee's concern that all proper safeguards be taken to avoid any such misadventures.

Pursuant to General Order No. 2, Series of 1968-1969, and during Imperial Sir Hogan's Administration, sixty-seven Temples notified the Imperial Recorder of their plans to sponsor tours outside the North American Continent. We have information which suggests that at least twenty-four other Temples sponsored such tours without having complied with General Order No. 2. In addition, tours have been sponsored by many Shrine Clubs. Thousands of Shriners and their families have enjoyed these activities. In fact, the Shrine continues to comprise a major segment of air tour traffic. Such is the magnitude of the subject which has been assigned to us.

As this Committee reported to you at the Washington Session, Shrine tours are almost invariably accomplished as either "Group Affinity" Charters or "Inclusive Tour" Charters, the latter of which were legitimized by Congress shortly after the conclusion of our last Session. The Civil Aeronautics Board regulates both types, but applies different regulation to each. There have been no substantial changes in the regulations since our last report. We cannot too strongly emphasize our anxiety that every Temple which undertakes to sponsor a tour be certain that there is no violation of any CAB regulation in connection with its undertaking. Violation can lead to civil or criminal penalties, or both.

Protection of our Temples against financial loss has been another area for your Committee's concern. Of course, tour funds are to be handled and accounted for by

Temple Officers and employees just as are other Temple monies. Attention is therefore directed to Section 334.2 of the Imperial By-Laws and to General Order No. 4, Series of 1968-1969, both of which refer to the bonding of persons who handle Shrine monies.

Several criteria may be used to select a tour operator. Three of them are financial stability, integrity, and experience in handling group movement of tourists. Any prospective tour operator may be asked for references; which, of course, are worthless unless checked. The CAB will answer inquiries concerning the tour operators as to which it has information; and it has information concerning any tour operator which has applied for authority to operate Inclusive Tour Charters.

In addition to the wise selection of a tour operator, other measures may well be taken to protect the Temple. For instance, a Temple need not enter into an agreement by which it guarantees a minimum number of tour participants. Such an agreement may leave the Temple in the sad plight of having to pay for empty seats and vacant hotel rooms. Arrangements with a responsible tour operator may be made to retain all monies collected until invoiced at time of tour departure, or even to escrow the funds until the tour returns. Performance bonds can be required of tour operators. The CAB does not permit disclaimers of liability by operators of Inclusive Tour Charters; and the favorable bargaining position of the Shrine may furnish our Temples with a wedge by which they can induce operators of their "Group Affinity" Charters to make no such disclaimers. Furthermore, at least one tour operator will furnish — upon request — a letter by which it agrees to indemnify the Temple against any loss. In this connection, the value of such indemnification depends upon both the financial responsibility of the tour operator and the terms of the letter.

A Temple should see that it is protected against liability occasioned by accident or misadventure. Again, attention is invited to General Order No. 4, Series of 1968-1969. Inasmuch as the CAB requires supplemental air carriers to carry liability insurance with limits of only \$75,000 per seat and that for only three-fourths of the fixed seats per aircraft, steps should be taken to procure "excess coverage." This, too, can be had upon request from certain tour operators which will furnish a certificate naming the Temple as an "additional insured."

Travel accident policies are available for tour participants. These may be purchased either individually or in group plans. Some tour operators are now making so-called "vacation insurance plans" available to persons utilizing their services. These policies cover baggage loss up to a stated maximum amount, hospitalization costs for sickness or accident enroute, and even the cost of individually ticketed returns. Most of them provide accidental death benefits. Obviously, it is important to understand the character and extent of insurance coverage offered.

Our subject is not exhausted by this report — nor could it be. We invite you to review the reports of this Committee made at the Ninety-Third and Ninety-Fourth Sessions held at Washington and Chicago, respectively. We reiterate and underscore our admonition that each Temple planning to sponsor a Shrine Tour consult with its legal and insurance counsel — before commitments are made, and not after damage is done or losses sustained.

Finally, we recommend:

(1) That the Imperial Council continue its established policy of furnishing information and advice concerning Shrine Tours, but of assuming neither control of nor responsibility for them.

(2) That the Imperial Council publish and distribute a pamphlet or handbook of information and advice for the use of Temples and Temple officers proposing to sponsor Shrine Tours.

Respectfully submitted,

Imperial Sir, I move the adoption of this report.

IMPERIAL POTENTATE HOGAN: Do I hear a second?

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: It has been moved and seconded that the report as presented by Noble Turley be adopted. Is there any discussion? If not, I will put the question.

(The motion to adopt the report was then voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: Nobles, in order to keep the record straight, since I heard no negative votes on the previous By-Law changes voted upon, I declare them adopted by a unanimous vote. I say this so that we may have it properly in our record.

At this time I am going to take the privilege of introducing to you the Grand Master of the State of Washington, Most Worshipful Brother Frank Ulin. (Rising applause.)

MOST WORSHIPFUL BROTHER FRANK ULIN (Grand Master, State of Washington): Thank you, Imperial Sir.

Now, Imperial Sir, Imperial Sirs and Representatives: I would like to say, as a Noble, it is my extreme pleasure to be here and to meet with the rest of the Nobles.

I have been invited here as a representative of the 62,000 Blue Lodge Masons in the Grand Jurisdiction of Washington and Alaska. I would like to say that what I have seen accomplished here, the decorum and the well-mannered sessions, well, I know that the people in this State and especially in the Seattle area are going to say, when we all leave here as Shriners, that they were real glad that we came, that you conducted yourselves as gentlemen. They are also going to say that they are sorry you are leaving and, if I can speak for them, I know they are going to say that they will certainly welcome you back or welcome us back.

Actually, this is my first attendance at a session such as this and, you know, we have our little Grand Lodge Sessions which encompass probably 12 to 1500 people here in this State. We think this is something but, Nobles, the logistics of the Imperial Session constantly amaze me, especially to realize the planning and the labor that has gone into a Session such as this in order to get it going, to hold it together, to make it work. These people involved are certainly entitled to our appreciation and I know that Nile Temple and the Temples in the State of Washington have certainly gone out of their way to be of service.

I am reminded of a little saying—"Never have so many been obligated to so few for so much." This is what it amounts to here. We owe all of our Brethren a tremendous vote of thanks for putting on this Session.

Brethren, I do not want to take your time but I can say, I am sure, for the 62,000 Blue Lodge Masons in this Grand Jurisdiction, that we are real proud of the Shrine and I am satisfied that things have gone along real good. It has been my pleasure to be here as a personal guest of your Imperial Potentate, who, as you well already know, is a tremendous person. It has been my privilege to know and work with him. I admire and respect him. I know of what he is doing and what he has done and what he wants to do.

It has been my distinct pleasure and privilege to be with you at this Session. Thank you very much. (Rising applause.)

IMPERIAL POTENTATE HOGAN: It is also a pleasure to present to you the Grand Master of Masons of Florida, Most Worshipful Brother Harvey Webb.

MOST WORSHIPFUL BROTHER HARVEY WEBB (Grand Master, Florida): Thank you, Imperial Sir.

You know, I had the pleasure of visiting down in Florida just a few weeks ago but looking over this group of Nobles and Brethren it reminds me of going to Heaven—I see so many here I didn't expect to see. (Laughter)

Brethren, let me bring you greetings from the 76,000 Masons from the State of Florida. We are looking forward to seeing you in our Sunshine State in 1971. We are going to try to do everything humanly possible to make you enjoy your stay in Florida.

Let me tell you a little story and maybe you can have that determination. I visited my old uncle Joe up in South Georgia, in the land of milk and honey one time. (Laughter) When I arrived, I was surprised at where he lived. He lived down in the river bottom and he had his home built on 8-foot stilts. I arrived there late in the afternoon and, as I started to make myself comfortable, it started pouring down rain and it just rained all night long. The next morning I got up and looked out the window and all I could see was just nothing but water everywhere.

While looking out the window I saw this hat coming down the stream. It was coming along just like that (indicating) — going downstream a bit and then, turning around and coming back upstream, then again turning around and going back downstream, back and forth. I called my Aunt Sarah, pointed out the hat to her and said, "Can you tell me what that is?"

"Sure," she replied, "you don't know? Well, that's your Uncle Joe because he said yesterday, before the rain came, that he was going to mow the lawn come Hell or high water." (Laughter and applause.)

Therefore, my Brethren, in Florida we are going to try to have the determination of old Uncle Joe when you come to Florida because at that time we are going to show you a real good time.

You know, I would like to mention Blue Lodge Masonry for just a moment and say to you Nobles and urge each and every one of you to walk ten feet tall down the streets of whatever community you may be from. In other words, let your light so shine that your neighbors would also like to become a member of the Fraternity.

As you all know, without Blue Lodge Mason we would not have any more Shriners and, please bear that in mind, Brethren.

I would like to leave you with that little thought. In other words, if you were on trial for being a Mason, would there be enough evidence to convict you?

Thank you very much. (Rising applause.)

IMPERIAL POTENTATE HOGAN: Nobles, it is also my extreme pleasure to again present to you the Grand Master of Masons of Massachusetts, Worshipful Brother Herbert H. Jaynes.

WORSHIPFUL BROTHER HERBERT H. JAYNES (Grand Master, Massachusetts): Imperial Potentate, Members of the Imperial Divan, Distinguished Members of the various Masonic bodies represented here on the stage and Representatives: I am so happy to stand before this Imperial Session of the Shrine of North America as the Grand Master of Masons in Massachusetts and to greet you as the representative of the 126,000 Masons in the Jurisdiction of Massachusetts.

My Brothers, I am happy to greet you particularly because I want you to know of the close relationship which exists between the Symbolic Lodge Masons of Massachusetts and the two Shrine Temples in the Jurisdiction of Massachusetts.

I am a proud member of Aleppo Temple. We are proud, in Aleppo Temple, of the many connections of our Symbolic Members with the Shrine. We are also aware of the pre-eminence in Shrinedom of your Past Imperial Potentate Judge Robert Gardiner Wilson, Jr. He doesn't think I know where he is sitting but in a room I can always sense where the Judge is sitting — right over there. (Applause)

Let me just tell you this and I will let you continue with your Session.

Only two or three short weeks ago, Aleppo Temple, sparked by our Illustrious Potentate, Stanley Maxwell by Judge Gardiner Wilson, Jr., arranged for a splendid all-Masonic festival in Boston Gardens. That affair was held on one of the hottest and stickiest nights of the year — that is, hot and sticky for Boston. Perhaps in the State of Florida it would have been a balmy evening. (Laughter) Also, to you men, by the way, who are natives of this area, perhaps you do not know what either of us are talking about. (Laughter) In other words, you have glorious weather here. As I rode proudly as the Grand Master in the parade on Tuesday and carried on some little banter with the many hordes of people along the sidewalks, I learned

there were many from the Atlantic Coast who had come here to live and who had sold their round-trip ticket when they got here. They urged me to do the same. (Laughter) Well, when I think of what may be facing me as Grand Master when I get back, having left there something over a week ago, I am also inclined to stay. (Laughter)

Well, that is a long paranthetic bit of phrasing in between a part of a sentence I started three minutes ago. (Laughter) However, I should pick that up at exactly this point—that the festival included a display of the strength of the Scottish Rite in Massachusetts, of the York Rite in Massachusetts, of the Symbolic Lodges in Massachusetts and of the Order of DeMolay in Massachusetts, and through it all and overlaying it all was shown the great strength of Aleppo Temple and Shrinedom in our State. This was a splendid thing that Aleppo Temple did for Masonry in Massachusetts. They did it with a view to the celebration of the fifteenth anniversary of the Order of the DeMolay and we are just tremendously wrapped up in my State in the work of the Order of DeMolay. We are convinced that this is a great piece of work that the Masons are doing.

I refuse, of course, to say that it is a work taken on because of our selfish interests in the young men as the years go by. I don't view it as that at all, although I am sure it will be a valued by-product. It is for the time being, for the here and now, an important contribution to the welfare of our country that we make when we support the Order of DeMolay. (Applause) Come what may, we shall have done our duty as Masons by the efforts that we have put in regarding this splendid work.

Therefore, our Symbolic Masonry, our Scottish Rite Masonry, our York Rite Masonry, our Order of DeMolay and the Order of the Mystic Shrine are all working together harmoniously in love, peace and unity in our State of Massachusetts. I wish for all of them, as I do for all of you, that it may be said when we do lay our working tools down that "He lived such a life and was such a man that if everyone lived a life such as his own and every man a man like him, this world would be God's paradise."

Again, thank you for these brief few moments that I have spent up here with you and for your recognition of the Grand Master of Masons of Massachusetts. (Rising applause.)

IMPERIAL POTENTATE HOGAN: Thank you very much.

I would now like to present to you the Grand Master of Indiana, Worshipful Brother Robert P. Joyce. Let's give him a Masonic welcome as he comes up from the audience. (Applause)

WORSHIPFUL BROTHER ROBERT P. JOYCE (Grand Master, Indiana): Worshipful Sir, Worshipful Sirs and Nobles all: Those who have preceded me here have said better than I can say the thought that must be in the hearts of every Grand Master of every Grand Jurisdiction and that is the furtherance of Freemasonry and the working together harmoniously of Freemasonry and Shrinedom.

We had the pleasure just now of hearing Grand Master Jaynes, the last of the three speakers who preceded me, speaking upon a subject of great importance, especially the matter of DeMolay, and one of the things in Indiana that we are attempting to do is help in this regard. As a matter of fact, we have just doubled our per capita which goes to the support of our Masonic Homes with their over 450 guests. We have had some opposition but not too much.

However, there has been this theme in our mind—let's place a greater value upon our Masonry. Let's not argue about the doubling of our per capita because it is still small enough for all of us.

Let's also remember that in a couple of years we will be celebrating the two hundredth anniversary of our independence, American Independence, which began in 1770 in Massachusetts. Let's remember also the words of the historian, Toynbe, who said that the average life of the average great culture of civilization has been just two hundred years.

We heard the Governor of the State of Washington last evening describe some of the problems we have and the dangers we are facing every day in all parts of our country. Therefore, realizing all this, let us place a greater value upon Masonry, re-

membering that Freemasonry and freedom are very much alike — neither is free to begin with.

Let's also remember the words of Tom Payne just two hundred years ago when he said, "What we buy too cheaply we esteem too lightly."

If we can remember those things as we go back to our homes and go out on the streets and take our Freemasonry out of our Temples and put them into practice in our everyday life, I believe we will do the job that we have to do as Masons. I am sure, by so doing, we will earn the respect of our fellow citizens as we come down the line toward the celebration of the two hundredth anniversary of our Independence — one Nation, intact and stronger than before.

Indiana, of course, will be your host next year. Of course, I will not be the Grand Master but it will be my great pleasure to be with those who come and visit us in Indianapolis and I will be looking forward to a renewal of the many friendships we have made here.

I thank you for all your hospitality and we will do our very best to return that hospitality with a bonus.

Thank you again. (Rising applause.)

IMPERIAL POTENTATE HOGAN: Are there any other Grand Masters sitting out in the audience? If there are, I would like to invite you to the rostrum for recognition.

Now, while we are waiting for others to come up, I would like to present to you Past Potentate G. Wilbur Bell, of Ansar Temple, representing the Grand Master of the Grand Encampment. Will you please give Wilbur a nice hand as he steps up here to the rostrum. (Rising applause.)

NOBLE G. WILBUR BELL: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Representatives and Nobles all: May I just quickly say to you — thank you for the recognition you have extended to the Knights Templar of the United States.

May I say to you also, Imperial Sir, that every Officer of the Grand Encampment is a Noble and we are proud of it. (Applause)

On behalf of the 400,000 Knights Templar of the United States, may I wish for each of you continued success, prosperity and may God bless all of you in the wonderful work you are doing.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you very much.

I would now like to recognize the Grand Master of Rhode Island, Worshipful Brother Albert W. Abramson.

WORSHIPFUL BROTHER ALBERT W. ABRAMSON (Grand Master, Rhode Island): Imperial Sir and Fellow Nobles: It is a real pleasure and a privilege for me, as Grand Master of Masons for probably one of the smallest Jurisdictions in this great country of ours, probably one of the smallest Jurisdictions with the longest titles — The Most Worshipful Grand Lodge of Free and Accepted Masons of the State of Rhode Island and Province Plantations — to be present here at this Session to see some of my fellow Nobles. I was told that it would be an extreme privilege and a pleasure to be presented at various Grand Lodges as I traveled throughout the Grand Jurisdiction and I can assure you, Brethren, that this will probably be the highlight of my year.

You have heard previous speakers emphasizing DeMolay. This, of course, is in the hearts of all Masons of Rhode Island and we are very proud and happy to have from out of the State the Grand Master of DeMolay last year, who is also a Past Grand Master of Masons in Rhode Island.

It is also very gratifying to me to be asked to be here at this Session. I am here, as is our Potentate of Palestine Temple, Roger Williams. I am sure everybody here knows Roger. He happens to be a member of my own Blue Lodge and I am very happy and proud of this Illustrious Potentate.

Once again, my fellow Nobles, though Rhode Island is small, if you ever get the opportunity to visit with us, we will certainly extend the hand of friendship and welcome to each and every one of you. I certainly hope that you come out to the East Coast and sample some of our New England weather. There is an old saying that if you don't like the weather, wait around a moment and it will satisfy you.

Imperial Sir, thank you for the courtesies of this grand Convention. (Rising applause.)

IMPERIAL POTENTATE HOGAN: Thank you very much.

Now, Nobles, if you will give me your attention, we will carry on.

At this time I will recognize Imperial Sir Henry Struby, the National Chairman of DeMolay.

NOBLE HENRY STRUBY: Imperial Sir, Imperial Sirs and Representatives: I would like to preface my remarks by saying I received 135 letters from Recorders around the country telling me about their activities. I have turned these letters over to our Imperial Recorder, George Saunders. Of course, this is going to be valuable information for us to follow up.

I intend to have a report back at the mid-winter meeting. Further, these Recorders deserve a vote of thanks from myself and the Committee for their response to this call that we had for this information.

Imperial Sir Hogan's platform was to have each Temple help organize and support a DeMolay Chapter. From July 1, 1968 to July 1, 1969, there were 65 new DeMolay Chapters instituted. While the Shrine naturally does not claim credit for all of these new Chapters, we have always been ready to assist in their organization, along with the other Masonic bodies.

In some Jurisdictions there were Chapters started which the Shrine did not even know about but, regardless of who gets the credit, we have just that many more prospective Masons and Shriners.

My sincere thanks to Rich Harkins, to George Saunders, to my entire Committee and all the hard-working Recorders for their cooperation and help. DeMolay is surely on the go.

Thank you very much. (Applause)

Imperial Sir, I would like to move for the acceptance of this report on DeMolay.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: Now, I would like to call on our Imperial Potentate-Elect, J. Worth Baker, who is Chairman of the Time and Place Committee.

NOBLE J. WORTH BAKER: Imperial Sir and Sirs, Most Worshipful Grand Masters, dignitaries and fellow Representatives: I wish to call on another individual but before I do this let me say that I served as Master of my Lodge since I have been in the Imperial Line. I have had the happy pleasure of sharing the honor of presiding over the Master Masons with our Grand Master, Bob Joyce, a couple of years ago and everything that the Grand Masters have said, I simply want to say "Amen" to. I sincerely mean this.

Now, I want to get into this matter of "Time and Place" and first of all I am going to call on the Chief Rabban of Murat Temple, Indianapolis, Nobles Hughes.

NOBLE C. K. HUGHES (Murat Temple): Imperial Sir, Imperial Sirs, Representatives and all my Brethren: After hearing these gentlemen speak, these Present and Past Grand Masters, I rather feel like the son of the sultan who inherited his father's harem—he knew what to do but he didn't know where to start. (Laughter)

There is a possibility that I might be elected, come January, as Potentate of Murat Temple. I would like to take this opportunity to welcome all of you to the home of the "Five Hundred."

Now, a lot of people ask—What does Indianapolis have beside the 500? Well, we have scratched our heads many times and I might say to you that we do have a lot of other things that I think you folks will be interested in.

The movie that you saw yesterday morning, I am sure, gave you an idea of what we might have to offer. However, we will be delighted to have you in Indianapolis next year.

We have been looking forward very much to the year that J. Worth Baker will be Imperial Potentate and now that he is, we are delighted.

We have a lot to offer, chiefly Hoosier hospitality. Therefore, we would like to

extend to all of you the right hand of fellowship and greetings and ask you to be with us in Indianapolis in July of next year.

Thank you very much. (Applause)

NOBLE J. WORTH BAKER: Thank you very much.

I now would like to call on our Deputy Imperial Potentate-elect, Aubrey Graham.

NOBLE AUBREY G. GRAHAM: Thank you very much.

J. Worth Baker (Imperial Potentate Elect); Imperial Sir Hogan, Fellow Imperial Officers and Representatives: I would like this morning to make an official announcement as to the location of the 1971 Shrine Convention. I might also indicate to you that in the course of my survey I considered six cities, all in relation to what I thought was to the best advantage of Shrinedom in North America.

I am aware of the fact that we have many good cities in which to hold a Convention such as, for instance, we have had here in Seattle, where the hospitality has certainly been tremendous.

After giving serious thought to this matter and consulting many people — Nobles, Representatives — I believe I speak for the majority of Representatives and the majority of Nobles in the Shrine of North America in the site I have selected.

I am going to tell you what it is right now. Of course, I am sure that many of you already know what it is. However, I am going to bring a man up here from Mahi Temple of Miami, Florida. I have checked him out from top to bottom and vice-versa and I can say to you I have never met a more personable man. This Noble will be the Illustrious Potentate of Mahi Temple during my reign, or at least during a part of my reign as Imperial Potentate.

This man knows everybody in the State of Florida and in the City of Miami, the City of Miami Beach and the greater Miami area. I might also say that I made three visitations to this area and I met everybody from the lowest to the highest. He knows everybody. I also asked him about the Governorship and he replied, "Well, we will have elections just before your Convention starts but both of them are my buddies and we cannot lose on a situation of that kind."

I was assured by the press, radio and everybody in the City that we were most welcome. Therefore, I would like at this time for Joe Moretti, Assistant Rabban of Mahi Temple, and my Director-General, to come forward and briefly tell you something about the place he knows quite a bit about.

NOBLE J. MORETTI (Mahi Temple): Imperial Sir, Illustrious Sirs and Fellow Representatives and Nobles: As I stand before you today representing the great Temple of Mahi from the Oasis of Miami, I feel that this is the most glorious moment of my life, for it is indeed an honor to be privileged to extend to each of you, the Nobles of the Mystic Shrine of North America, an invitation to attend the Ninety-Seventh Imperial Council Session in the greater Miami area in 1971.

On behalf of the Nobles of the State of Florida and the Cities of Miami and Miami Beach, I want to extend at this time to Imperial Sir Aubrey G. Graham and his Time and Place Committee my sincere thanks for selecting the greater Miami area for the 1971 Convention site and also for allowing me the honor to extend this invitation.

Imperial Sir, I am indeed grateful to you for this honor.

The great State of Florida's history is filled with both romance and tragedy. We have lost people not only to every other state in the Union but almost every country in the world. Of course, our cities in Florida are expanding at a very rapid rate with only one purpose in mind — that being for your enjoyment, comfort and pleasure.

You will have as your hosts the Temples of Florida — Morocco Temple of Jacksonville, who boasts of having most of the Past Grand Masters of the Grand Lodge of Masons of Florida; Bahia, in the beautiful City of Orlando, better known as the subsidiary area of the George Cochran industries; and then, way out at Pensacola, sometimes called the largest sandtrap in the world, we have Hadii Temple, our baby Temple, this being the only Temple that has only one living Past Potentate. (Laughter)

We then come down to Egypt Temple, which is a very unique Temple in that it has a Potentate, my good friend and cousin Jimmy Mott, who has as his relatives every Shriner in North America because they are all his cousins. Then, at Fort Myers we have Araba Temple, who just sits there as silent as the Sphinx, knowing that

someday you Nobles, many of you in your twilight years, will head that way and spend the rest of your life on the beautiful shores of the Gulf of Mexico.

Then, of course, we have your host Temple, Mahi, whose jurisdiction extends from Vera Beach on the north to Key West on the south — 300 miles.

Our Convention facilities are world-renowned. In addition to a tremendous number of luxury hotels, each designed with glamour, convenience and architectural beauty for man to conceive, we have scores of meeting rooms and also a tremendous air-conditioned Convention Hall, where you and your ladies will sit in cool comfort while the Day Parade and Night Parade passes you by. We also have the magnificence of the Fountainbleau Hotel overlooking the crystal blue waters of the Atlantic, with its more than 1200 rooms. This Hotel has been selected as the 1971 Convention Headquarters. The management and the staff extend to each of you their warm and enthusiastic welcome and are standing by ready to serve all of you.

For sports we have a beautiful Marine Stadium, where you can watch boat racing. We have skuba diving, swimming, boating, deep sea fishing, horse racing, dog racing or, on the other hand, you may enjoy a game of golf at one or more than thirty golf courses around the Miami area.

We have also planned excursions for your ladies to such places as Nassau, Freeport, Jamaica, Puerto Rico or Caracas, Venezuela either before or after the Session.

Further, you may enjoy night life in all of its splendor with a festive atmosphere that will transcend all imagination.

Further, our weather is ideal. It almost never rains there in June or July. Our temperature has never been known to record above 93° or below 32°. (Laughter) Of course, I don't say it hasn't done that but it has never been reported.

Likewise, many of our restaurants are world-famous and have served many of our Nation's epicureans and gourmets. All of them are standing by ready to serve you.

I am sure that many of you here today will find something in our area that you have never eaten before.

I don't know, Imperial Sir, whether I should take a bow or apologize. Those of you who will be driving may view the famous Bush Gardens at Tampa, the Silver Springs of Ocala or the Cypress Gardens at Winterhaven as well as the vast Everglades. But, Nobles, best of all, in the cool of the evening, while the golden sun slowly sinks over the vast and mysterious Everglades (Laughter) you and your ladies may gaze at the reflection of myriads of harbor boat lights while listening to strains of beautiful music. (Laughter) Overhead a galaxy of stars and a silver harvest moon will slowly appear and give evidence of the beauty and glory of life for the people of Miami as this troubled world passes by.

Thank you very much. (Cheers and applause.)

NOBLE AUBREY G. GRAHAM: You know, that sounds like that place called "Heaven" that one of the Grand Masters talked about just a few moments ago. (Laughter) Of course, if he doesn't live up to that, then he had better go down there and get that trip to the moon they are going to have shortly.

Now, with all of that, he did not give you the date. The date of the 1971 Convention has been set as the week of June 27, 1971.

Thank you so very much, Nobles.

NOBLE J. WORTH BAKER: Nobles, I am certain that on the platform there is only one man who knows where the next Imperial Council Session will be. I know I don't and I don't think the rest of our group know. However, he knows and he is going to tell us about it at this moment — C. Victor Thornton, the newly-elected Imperial Chife Rabban, Moslah Temple, Fort Worth.

NOBLE C. VICTOR THORNTON: Imperial Potentate Hogan, Imperial Sirs and Fellow Representatives: First, in order to make the last act legal, I move that in 1971 we go to Miami Beach.

(The motion was severally seconded and, there being no discussion, was voted upon and unanimously carried.)

NOBLE C. VICTOR THORNTON: Now then, fellow Nobles, it is going to take two men to tell you where we are going in 1972 and I would like to call on them at this time.

The first of these gentlemen is Jim Childs, Potentate of my own Temple, Moslah Temple, Fort Worth. The other is George Terry, Potentate of Hella Temple.

NOBLE JAMES L. CHILDS (Moslah Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles all: I am Jim Childs, Potentate of Moslah Temple.

NOBLE GEORGE TERRY (Hella Temple): Imperial Sir, Imperial Sirs, Illustrious Potentates and my Fellow Representatives: I am George Terry, Potentate of Hella Temple.

NOBLE JAMES L. CHILDS: Let me first say that in spite of the fact there are two of us up here, this will be very short and sweet. (Cheers and applause.)

In 1972, the Shrine will celebrate its centennial and we are here to invite you to the great State of Texas where we plan to have the greatest Imperial Council Session in all of history. We have the space, we have the rooms, we have plenty of good Texas hospitality to go with it.

Won't you all join us in the sister cities of Fort Worth and Dallas, July 17-21, 1972, for the best time you ever had.

Thank you very much. (Applause)

NOBLE GEORGE MCCLURE (Hella Temple): Imperial Sir, I am George McClure, Chief Rabban of Hella Temple.

I would like to move you, Sir, that we hold the Imperial Council Session in 1972 in the Fort Worth-Dallas area.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried.)

NOBLE J. WORTH BAKER: Now, fellow Nobles, in the event you are interested as to where we may go in 1973, I will now present to you my fellow Hoosier, Henry Struby, our new Imperial Assistant Rabban-Elect.

NOBLE HENRY STRUBY: Imperial Sir Baker, Representatives: I won't talk but one minute.

I would merely like to introduce to you Charles A. Wofford, Potentate from the great Yaarab Temple of Atlanta, Georgia.

NOBLE CHARLES A. WOFFORD (Yaarab Temple): Imperial Sirs and Fellow Representatives: I appreciated very much listening to the two men from Texas. However, I have been sitting over there listening to those long-winded speeches so long that I am sweating. I know all of you are sweating in about the same way.

In 1973, with the concurrence of every other Georgian, we invite the Imperial Council Session to come to Atlanta, Georgia, the gateway of the South. Also, if you get into trouble, we have all the help we need. In fact, we have a real fine Judge there on the City Bench. He is the High Priest and Prophet of Yaarab Temple at this time.

At any rate, Nobles, we are going to guarantee you the finest time that you have ever had. The last Imperial meeting at Atlanta was in 1914. I just barely can remember it. It was held three months before I was born. (Laughter)

I banded around the streets and looked at some of the characters there in 1914 and I want to tell you now that, certainly, we are not going to be like Zsa Zsa Gabor's seventh husband, who said, "I know what is expected of me but I don't know how to make it interesting."

We are certainly going to make it interesting for you in 1974. (Applause)

NOBLE STRUBY: For your information, I guess you realize that Charlie will not be Potentate that year but he intends to help us.

I would like to move acceptance of the report for the Convention to be held at Atlanta, Georgia, the week of July 7th, I believe—the 4th of July coming in the middle of the week, in the year 1973.

(The motion was severally seconded, voted upon and was declared to be unanimously carried.)

NOBLE J. WORTH BAKER: Incidentally, Charlie is a shy, reticent and unassuming sort of young man. He should have told you that he likewise is a Judge in Atlanta. (Laughter)

At this point I want to recognize Imperial Sir Jake Wingerter.

NOBLE JACOB WINGERTER: Imperial Sirs and Representatives: At the present time I am not quite ready to give you my Convention date. However, I have been talking with several folks about this and I should like to leave a little thought with you.

When we were in Chicago last year, the bank clearings were some \$300 million more because we were there than the same time the year before. The political conventions received in Miami some \$850,000 and in Chicago the Democrats got \$950,000.

I have several things that I am thinking about. One concerns hospitality for the Shriners, the facilities provided for them and also what is the best profit for the Shrine. We are working towards that end and we assure you we will come up with something real good for you folks to approve in the not-too-distant future.

Thank you, Imperial Sir. (Applause)

NOBLE J. WORTH BAKER: Imperial Sir, this is the report of the Time and Place Committee and I now move for its acceptance.

(The motion was severally seconded, voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: Nobles, at this time we are going to have a report on the Imperial Council Publication Contest. I am going to ask our Public Relations Director, Bob Sconce, to come up here and assist me in the presentation of these Awards.

The Human Interest Award, a new Award this year, goes to Araba Temple of Fort Myers, Florida. They have only 1,543 members. The Editor of their publication is Noble John E. Warren. Will the Potentate come forward and accept this. Unfortunately, I might add that the Award for the Editor was broken in shipment and we will send that one to you later. However, we have this one to present to you, Illustrious Sir, for your outstanding work and we thank you and God bless you.

(Presentation of Award and picture-taking ensued.)

IMPERIAL POTENTATE HOGAN: May I say, Nobles, that this is just one way in which we endeavor to express our appreciation to the Shrine Temples and to their Editors for their fine support throughout the year. Temple publications are most important to us in keeping the Imperial Shrine information in front of our Nobles. The more news our magazines carry about Imperial Shrine activities, the stronger will be our over-all program.

In our arrangement this year, the newspapers have been separated from the magazines and in the judging we now have three classes, with Awards to a Temple in relation to a rotating trophy—in other words, you win it three years in a row and it is yours. There is also an individual trophy that goes to the Editor for permanent possession.

Now, we have Award number two. This applies to Class C, Temples with 2,500 members or less.

The first of these, pertaining to newspapers, goes to Khartum Temple of Winnipeg. The Award for magazines goes to Kena Temple of Alexandria, Virginia.

Therefore, at this point, I would like to have the Potentate of Khartum Temple, to the rostrum and receive these Awards, one which goes to the Temple and the other to the Editor. You did a nice job. God bless you and here you are, sir.

(Presentation of Awards and applause ensued.)

IMPERIAL POTENTATE HOGAN: I would now like to have the Potentate of Kena Temple come to the podium.

(Whereupon, the presentation in relation to the magazine award was made to the Potentate of Kena Temple.) (Applause)

IMPERIAL POTENTATE HOGAN: We next proceed to the Class B Temples, Temples having a membership from 2500 to 7500 members.

For newspapers, the Award goes to El Katif Temple of Spokane. The Potentate of this Temple is Ward J. Walker.

(The Award was presented to the Illustrious Potentate.)

NOBLE WARD WALKER (El Katif Temple): This is a real thrill. We picked a real

good man for our Editor. He worked hard and I am real proud to be able to take this back with us. Thank you very much. It is certainly a pleasure. (Applause)

IMPERIAL POTENTATE HOGAN: With regard to Class B, magazines, the winner is El Zaribah Temple of Phoenix, Arizona. I will ask the Illustrious Potentates of this Temple to present himself at the podium.

(Whereupon, the Awards were presented to the Illustrious Potentate of El Zaribah Temple.) (Applause)

NOBLE JOHN G. CABLE (El Zaribah Temple): Thank you very much, Imperial Sir.

We are very proud of this Award and we will take it back to the Temple and show it off again. I might add that we won it two years ago and we will be back again next year. (Applause)

IMPERIAL POTENTATE HOGAN: We next go to the Class A Temples, those having a membership of 7500 members or more.

For the magazines, the Award goes to Medinah Temple of Chicago. Where is George Wilson? Do you have your Editor with you?

(The plaque presentation to the Potentate and Editor ensued.) (Applause)

IMPERIAL POTENTATE HOGAN: Now, with regard to newspapers, the Award goes to Syria Temple of Pittsburgh.

(Whereupon, the newspaper Award was presented to the Potentate of Syria Temple.) (Applause)

IMPERIAL POTENTATE HOGAN: I believe this completes our publication contest awards.

Now, we will get on with our business and I am going to call on Past Potentate, Past Grand Master, Past everything in Masonry, the Chairman of our Grievance and Appeals Committee, Ford Q. Elvidge of Nile Temple, to make his report.

NOBLE FORD Q. ELVIDGE: Imperial Sir, this report is not as yet signed by all members of the Committee but it will be very shortly. Also, let me indicate that all members of the Committee are in accord with the report.

(Noble Elvidge then read the report as follows:)

To the Imperial Potentate and Representatives of the Ninety-Fifth Imperial Council:

Your Committee on Grievances and Appeals begs leave to report that no matter has been submitted to it for its consideration.

Respectfully submitted,

COMMITTEE ON GRIEVANCES AND APPEALS

Ford Q. Elvidge, Nile Temple, Chairman
Neil B. Gray, Afifi Temple
John B. Vesey, Al Chymia Temple
Roger E. Murdock, Al Malaikah Temple
Henry P. Bronkie, Ismailia Temple
George R. Wilson, Medinah Temple
Sigurd A. Bertelsen, Osman Temple

Imperial Sir, I move the adoption of the report.

(The motion was severally seconded, voted upon and was declared to be unanimously carried.)

IMPERIAL POTENTATE HOGAN: I would now like to call upon Noble J. Edgar Bowron of Zamorah Temple for the report on Codification of Imperial Decisions.

NOBLE J. EDGAR BOWRON: (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.:

The purpose of this Committee is to publish an up-to-date Digest of Rulings and Decisions to replace that published in 1952, which is now in large part obsolete. This

will require a thorough editing of the earlier work as well as the compilation, digesting, classification, and indexing of all Imperial Rulings and Decisions rendered since its publication.

Our esteemed and valued member, Illustrious Sir Warren L. Jones, has accomplished much of this work; and your Committee is pleased to report the progress he has made. The task is one, however, which could not be completed in the time thus far available.

Therefore, we recommend the continuation of this effort to provide the Temples and their officers with a contemporary Digest of Rulings and Decisions in order that they need not search through the Proceedings of all of the previous Imperial Council Sessions for answers to many of the problems which vex them.

Respectfully submitted,
Robert J. Turley, Chairman
Jack L. Streight, Vice Chairman
J. Edgar Bowron
Warren L. Jones

Imperial Sir, I move the adoption of the report.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: At this time I would like to recognize the Chairman, Noble George H. Kellogg, of the Dispensation and Charters Committee.

NOBLE GEORGE H. KELLOGG: (Reading)

Imperial Sir, Imperial Sirs and Representatives to the Ninety-Fifth Imperial Council:

Your Committee on Dispensations and Charters wishes to report that the petitions for dispensation to form new Temples in the States of Florida and Alabama have been withdrawn. Your Committee advises, therefore, that no further action is necessary at this time.

Respectfully submitted,
George H. Kellogg, Chairman
Harvey B. Leggee
Arthur E. Armitage, Jr.
Ray T. Reynolds
Bruce Bowen
Randolf R. Thomas
Karl L. Friedrichs

Imperial Sir, I move the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: You have heard the motion, which is to adopt the report. Is there discussion? If not, I will put the question.

(The motion to adopt the report was then voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: I believe this would be a good point at which to recess for luncheon. However, before we do, I will recognize our Imperial Recorder, George M. Saunders.

(Brief announcements by Noble George M. Saunders ensued.)

IMPERIAL POTENTATE HOGAN: We will now recess until one-thirty p.m. See you then.

(The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 11:40 a.m. to reconvene in the Grand Ballroom of the Olympic Hotel at 1:30 o'clock p.m.)

AFTERNOON SESSION
THURSDAY, JULY 3, 1969
ONE-FORTY O'CLOCK P.M.

The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Grand Ballroom of the Olympic Hotel, Seattle, Washington, Thursday, July 3, 1969 at 1:40 o'clock p.m., Imperial Potentate Chester A. Hogan presiding.

IMPERIAL POTENTATE HOGAN: Nobles, let me have your attention. I would like to call this session to order.

At this time I am going to call upon Imperial Sir Aubrey Graham, Chairman of the Necrology Committee, for the ceremony at this time.

NOBLE AUBREY G. GRAHAM: (Reading) Imperial Sir, Imperial Sirs and Representatives to this Ninety-Fifth Imperial Council Session: We are gathered here to pay sincere tribute of respect and affection to the passing of our distinguished dead since the last Session.

The service will be opened with the assistance of Nile Temple Chanters.

It is with deep sorrow and regret that I place the names of the following Illustrious Nobles on our Record:

CHARLES PEARSON MacGREGOR

Imperial Assistant Rabban

January 8, 1897

December 5, 1968

"Fading away like stars of Morning
Losing their light in the Glorious Sun
So do we pass from the Earth and its toiling
Only remembered by what we have done."

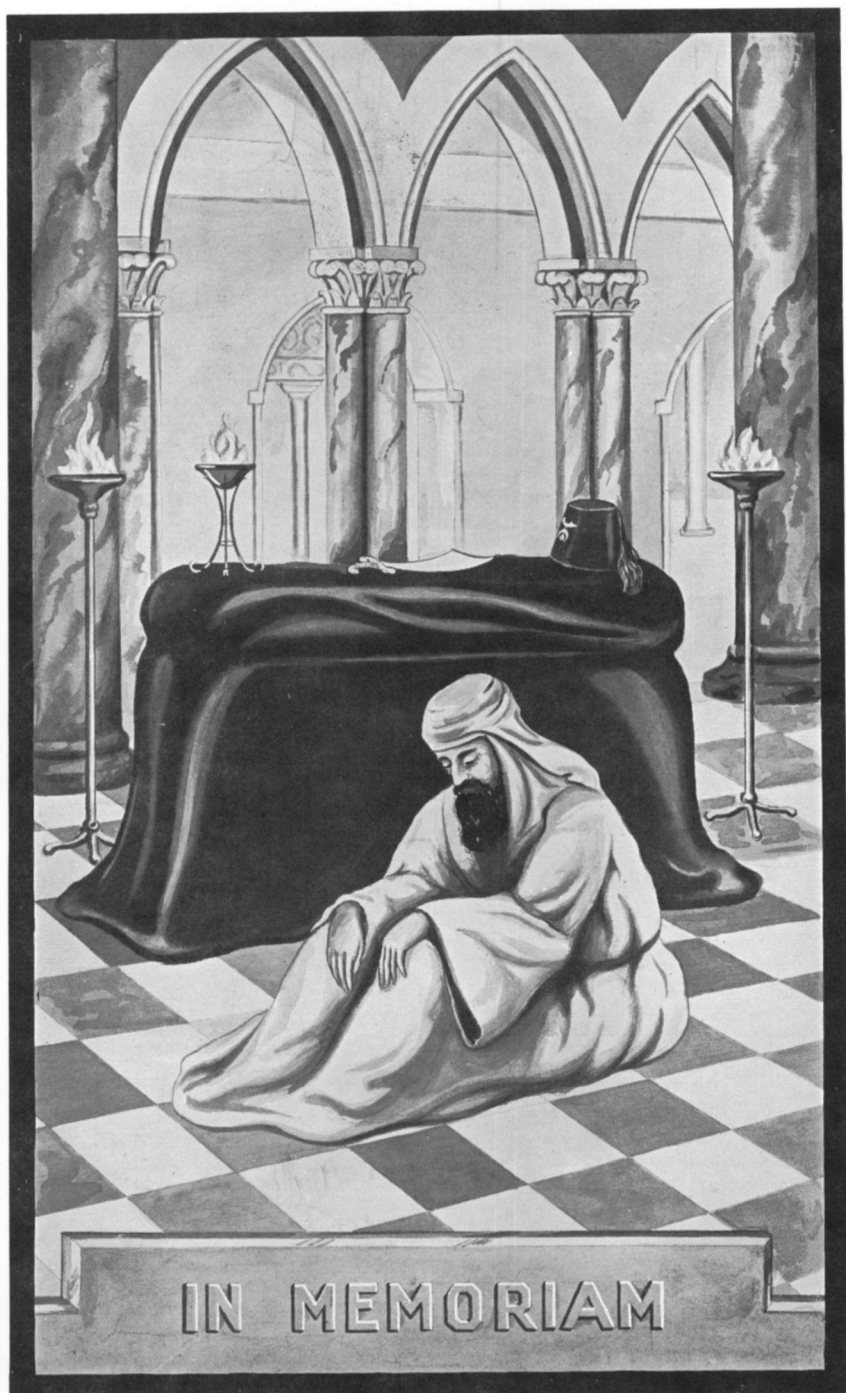

Imperial Sir C. P. MacGregor so affectionately called "Chic" by his host of friends throughout all Shrinedom was born in Elderslie Township, Bruce County, Chesley, Ontario, Canada, January 8, 1897. He attended the University of Toronto, served in the Royal Canadian Air Force, and entered the radio industry when it was in its "Swaddling Clothes." In 1929 he founded the nationally famous C. P. MacGregor Recording Studios and his industrial success saga is nothing short of "fabulous." His studios produced phonograph records and radio programs.

During World War II he supplied 90% of the radio entertainment heard overseas by the Armed Forces. He produced the first Red Cross Show from Hollywood with Lawrence Olivier, Vivien Leigh, Ronald Coleman and others which produced funds for the Red Cross of over a million dollars. He developed the largest-listened-to radio show in the world, telling people around the world about the American way of life. His broadcasts went out over more than a thousand stations.

He has long been active in the work of Shriners Hospitals for Crippled Children and many other philanthropic services such as - Crippled Children and Adults for Los Angeles County; Director of the State Board of Crippled Children; Chairman of the Salvation Army Advisory Board of Southern California; Vice President of the State Advisory Board of the Salvation Army; Metropolitan Board; YMCA; Publicity Committee for Cancer Drive; National Board, Public Relations, Boy Scouts; Sponsor of various youth activities, including those of DeMolay and Job's Daughters. These are only a few of his endeavors of benevolence.

He was Chairman of the Board of Regents of the California College of Medicine from which he was awarded an Honorary Degree of Doctor of Laws. He was Past President of the Los Angeles Rotary Club, and a Past District Governor of Rotary International.

He married the lovely Mildred Meadows of Kansas City, Missouri. He was a Noble of unusual accomplishments, vision and integrity with a heart full of love for humanity. He was President of the Masonic Press Club of Southern California. The Order of DeMolay invested him with the Honorary Legion of Honor. He was raised a Master Mason in 1925. He was a member of York and Scottish Rites of Masonry, and was coroneted a 33° Honorary by the Southern Supreme Council, Scottish Rite.

IN MEMORIAM

A Noble of Al Malaikah Temple and he served as Illustrious Potentate of 1958. He was elected Imperial Outer Guard at the 1963 Imperial Council Session and advanced each year since to the office of Imperial Assistant Rabban.

His untimely passing leaves a great void in the lives of his charming wife, Mildred, his sister, Mrs. Myrtle Cavell, and his brother Frank, as well as in that of all of his friends and co-workers in the vineyards of Masonry and Shrinedom. We are, however, richly blest with the time we were associated with him.

The Imperial Council extends its sincere condolences to his loved ones and to our Imperial Family member, Mildred, goes our love and affection throughout all future time.

"Grieve not because a little while
Our loved ones tread a greener sod
For soon we too shall see their smiles
And with them touch the hands of God."

WALTER GUSTAVE SEEGER

Trustee Emeritus

COLORADO CORPORATION

Past President, Shriners Hospitals for Crippled Children

Past Chairman, Board of Trustees, Shriners Hospitals for Crippled Children

March 8, 1886

January 6, 1969

"Day by day our numbers lessen
Year by year they slip away
To the unknown land far distant,
In the realm of endless day.
Some have left us in the morning,
Some at noon time took their flight,
Some in evening twilight shadows,
Some in darkness of the night.
We shall miss them — ever miss them,
Miss their hand clasps, words of cheer,
Miss their happy smiles of welcome,
That we knew when they were here."

Illustrious Sir Walter Gustave Seeger, who managed enterprises ranging from Whirlpool Corporation through the St. Paul baseball club to the Shriners Hospitals for Crippled Children, died in Miller Hospital, St. Paul, Minnesota.

Mr. Seeger, 82, of 2165 Lower St. Dennis Road, had entered the hospital October 14 for treatment of a heart ailment. He died there about 7:15 P.M. of a coronary thrombosis, according to relatives.

He had crowded multiple careers as industrialist, sportsman, civic leader and philanthropist into his long life.

Mr. Seeger was born March 8, 1886 in St. Paul. He got a job as a metalworker in his father's icebox factory in 1907 and became president of Seeger Refrigerator Company in 1938. A parallel can be found in his later service as director of Great Northern Railway Co. He had worked as a second hand for the road as a boy.

The family firm — a pioneer of electric refrigerators in the 1920's — merged with Whirlpool Corporation in 1955. Mr. Seeger served as Board Chairman from 1955 to January 1, 1958. He retired as a Whirlpool Director last summer.

Mr. Seeger's interest in sports began when he was a youth. He was an active hockey player for Dayton's Bluff, and he managed an amateur hockey team, the Chinooks, in 1909-10.

He may be more familiar to St. Paul sports fans as president of the St. Paul Saints from 1934 to 1952. His move to build a baseball stadium to replace Lexington Park culminated in construction of Midway Stadium.

In the field of charity, Mr. Seeger took part in the Greater St. Paul Community Chest and Council from its founding in 1920. It gave him an honorary membership on its Board of Directors in 1959.

He became a trustee of Shriners Hospitals for Crippled Children in 1932 and was elected President and Chairman of its Board of Trustees in 1962.

Among honors that came to Mr. Seeger in recent years were the 1962 Citizen of the Year award from Unico, a St. Paul civic organization, and the St. Paul Area Chamber of Commerce's Great Living St. Paulite Award in 1964.

Mr. Seeger held directorships on the boards of many companies, including Northwestern National Bank of St. Paul, Northern Federal Savings & Loan Association, Gould National Batteries Inc., Anchor Casualty Co., Empire National Bank, Northwestern Bell Telephone Co. and the Masonic Cancer Relief Committee of Minnesota, Inc.

Mr. Seeger's first wife, the former Nellie Ienza Luse, died in 1955. He married Mrs. Florence A. Carlton, the widow of a Minnesota Mining & Manufacturing Co. president ten years ago.

Survivors include his widow, Florence; three daughters, Mrs. John D. (Dorothy) Tearse, Tucson, Arizona; Mrs. Robert M. (Miriam) Reay, St. Paul; and Mrs. Robert M. (Helen) Wolterstorff, La Jolla, California; two step-daughters, Mrs. Henri (Dorothy) Foussard and Mrs. William (Jean) Whitaker, and three sisters, Mrs. C. A. Muesel, Mrs. L. W. Korfhage and Mrs. Harry Lovering, all of St. Paul, 11 grandchildren, and 10 great-grandchildren.

His wealth of friendships in the Imperial Council and Shriners Hospitals for Crippled Children extend heartfelt sympathy in this great loss to his loved ones and his host of friends, and with this we acknowledge his many years of service to our cause for crippled children and his valued friendship for our Order.

ES SELAMU ALEIKUM

"He made his friends by being one,
And on his friendship all relied.
In every deed that need be done
He made the Golden Rule his guide.
His friendly presence brought good cheer
That made the day seem wondrous fair,
His daily living so sincere,
Made others love him everywhere."

NOBLE AUBREY G. GRAHAM: I would like to ask that the Recorder, inasmuch as we have a long list of other distinguished Nobles of the Imperial Council that have passed on, rather than having me read this long list, it be made a part of the record of this Imperial Council Session. If there is no objection, this will be done.

NOBLE AUBREY GRAHAM: At this time I would like to call on the Reverend Randall W. Larson, Imperial Chaplain, to offer the prayer.

REVEREND RANDALL W. LARSON: Nobles, we are on holy ground. Let me suggest that you remain seated during the prayer. After the prayer, the Nile Chanters will continue in prayer as they lead us in singing the prayer our Master taught us.

Let us pray.

O God, we feel as though we are on holy ground. We pay tribute to two of our Illustrious Shriners. We would go beyond their names to the host of other Shriners who no longer travel this earthly trek with us – those who have been reborn out of time and space into the Spirit's realm. Their lives have richly and abundantly blessed us. Many have blazed the trail before us and made it possible for us to come to this hour.

We would not alone give Thee thanks for their lives; we would witness to the fact that we too are human beings; we too are frail and that one day we too shall be reborn out of time and space.

Here in this sacred moment we would confess that which is basic unto our fellowship. We admit and confess we belong to you and that we are never outside your tender and loving care. In the moments that we are together now are those times when we would lift before Thee families and friends of each Shriner, those who no longer know the touch of the hand and the sound of the voice that is still. We know you will comfort them, bring peace and understanding and vision and purpose once again to their lives.

And now, we would commend to Thee our beloved departed ones. May we continue to live our lives with nobleness as Master Masons and Shriners, carrying the torch high for the good life Thou hast given us. May we always witness the truth that we know in this great Fraternity of the Shrine. We would pray these things in the name of Him who has light, life and love and who brings liberty to all mankind. Amen.

(At this point the Nile Temple Chanters sang "The Lord's Prayer," followed by "Taps" being sounded by Buglers from Nile Temple.)

NOBLE AUBREY G. GRAHAM: I would like to thank the Reverend Randall W. Larson, Imperial Chaplain, and the Nile Temple Chanters and Buglers for their excellent services they have rendered on this occasion.

Imperial Sir, this concludes the report of the Necrology Committee and I move its acceptance.

(The motion was severally seconded, voted upon and unanimously carried.)

IMPERIAL POTENTATE HOGAN: At this time I am going to ask the Illustrious Potentate of Nile Temple to escort one of the great Shriners of all time to the podium. Illustrious Potentate Vernon Bell, would you be kind enough to bring to the rostrum our good friend whom you will introduce when he comes up.

NOBLE VERNON BELL (Potentate, Nile Temple): Nobles and Representatives to this Imperial Council Session, may I take this opportunity to present to you a Past Potentate of Nile Temple in the year 1912. He is only 92-plus years. I present to you Noble Daniel B. Trefethen. (Applause)

Dan, do you want to say a few words to these assembled Representatives?

NOBLE DANIEL B. TREFETHEN: Imperial Sir, Imperial Sirs and members of this great Order: I want to say that what Masonry and particularly Shrinedom has meant to me would take a day and a half. Therefore, I will never begin. However, I would like to tell you in the one moment I am allowed one story.

Two years ago I did not know that people over age sixty-five had any troubles. I was a good Shriner, living as a Shriner.

I was walking along the street one day when a gentleman stopped me and said "Hello Dan."

As I stopped to say "Hello," I saw his Shrine button. I said to him, "I have not seen you at our meetings on Thursdays." He replied, "No, I did not come because I cannot afford it. I am a retired captain. I have an income of \$290 but I have to pay now a great deal to Medicare."

I then asked him what he did, to which he replied, "I stay in bed twenty hours a day. I go downtown four hours a day and eat and look in the windows."

I then asked him, "Where are your friends, where is your family?" He replied, "I have no family, I have no friends because they have all died."

I then asked, "What are you doing for yourself?" He replied, "Well, as I said, I stay in bed twenty hours a day and then I come downtown for four hours. Also, I have cataracts in my eyes and I cannot see very well."

I replied, "You mean to tell me that a good Shriner does not contact his fellow members and ask them to come around?" He replied, "No, Dan, I'll never ask favors."

Well, I immediately got in touch with the blind secretary and they sent a greeter up there for every day to read the news to him. I also got different members to visit him every day. Also, during that interval, we found that he had not cataracts but cancer and the day before he died he said, "God bless you, Dan, God bless you."

Now, I want you to take that to your Temples. I know there are many other Shriners in the same situation. They don't need money; they are lonely, they are ignored, they are forgotten. I also want you to indicate to your Temples that we, in our case at Nile Temple, have 450 members signed up for the purpose of seeing that none of our members are forever lonely again.

Thank God for the Shrine and thank God for the help of the Temples.

Thank you, Imperial Sir, for this privilege. (Rising applause)

IMPERIAL POTENTATE HOGAN: Thank you very much, Dan. I am quite certain that Dan Trefethen is probably the Dean of all Past Potentates in Shrinedom everywhere in the world. May I say he is a tremendous inspiration to all of us here who know him. He is very active in the Red Cross of Constantine. He is likewise an active Shriner and never misses a meeting. He tries to take care of we old guys. May God bless you, Dan, and, of course, needless to say, we are glad you are here and that you passed this little tribute on to the rest of us for this brief period allowed you to speak before this Imperial Council Session. Again, Dan, God bless you. (Applause)

Now, this morning we listened to a great number of the Grand Masters of the different States and due to the absence of the Grand Master of Nebraska, it is my

privilege at this time to recognize him, Most Worshipful Brother Hugh W. Eisenhart. May we hear from you at this time, Most Worshipful Sir.

MOST WORSHIPFUL BROTHER HUGH W. EISENHART (Grand Master, Nebraska): Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles and my Fellow "Turtles:" (Laughter)

On behalf of the Masons in the great State of Nebraska and the Nobles of our Temples, I bring you greetings from Nebraska. It is an honor and a privilege to be here before the Imperial Council on this occasion.

My heart is so full that I wish I would be given the opportunity to speak for you and to you about Blue Lodge Masonry because, naturally, that is my first love, although I do have a great admiration for the Shrine. I do think you have a tremendous program and I think probably you have something that we are missing in the Blue Lodges and that is an object of charity that binds all of you together to a greater extent.

As you all know, we are working in great competition today to get our members out to meetings and to be active. We are competing with television, with the drive-in movie, the bowling alleys and what have you.

In our State, we are attempting to get the Worshipful Masters to develop something on their trestleboard for their meetings.

Now, if I may only leave this one plea with you — may I ask that each of you who are the leaders in Shrinedom today return to your Temples and offer your services and your cooperation to the Masters of your Blue Lodges because therein lies the source of our future Nobles and, as you know, our Blue Lodges are having a battle to keep the source of your membership coming. Therefore, may I present that plea to you — that you go back and offer your Blue Lodge Masters your cooperation and your service. Also, in connection with these Shriners that have not been to a Blue Lodge meeting for many, many years, please go back and attend and take part, you will enjoy it.

Thank you, Imperial Sir, for this privilege. (Rising applause.)

IMPERIAL POTENTATE HOGAN: Thank you, Most Worshipful Sir.

Many of you Nobles know that my major project as Imperial Potentate during my administration was to give better ties and better relationships between our Masonic Lodges and the Shrine in general. Therefore, I am always grateful and happy to introduce and present these Grand Masters.

(Business was conducted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE HOGAN: Yesterday we left the Session with a question which our reporter was to check in relation to some By-Law amendments and a resolution that was voted upon. Now, this has been checked.

I am now going to call on Noble Earl Sachse to explain further to you.

NOBLE EARL SACHSE: Imperial Sir, Imperial Sirs and Fellow Representatives: This morning we voted on a number of amendments that had been reported by the Jurisprudence and Laws Committee yesterday. Now, it was my understanding, and I think the understanding of many other Representatives, that we were not voting on the Amendments themselves and in each case that we voted on this morning that is correct.

With respect to the Amendment pertaining to 335.10, in relation to female organizations, I understood Noble Knowlton, who reported for the Committee, to have said, "I move the adoption of the report on the By-Laws." However, the Minutes indicated, after we examined them, that he had said, "The report of the Committee and the By-Law." This would mean that you in effect adopted the Amendments yesterday when you voted on the report of the Committee.

Now, at the time we took a voice vote, I voted "No" and since I voted in the minority, I am not in a position to ask for reconsideration of the vote. Therefore, as it now stands, you have adopted it and if the Imperial Sir declared it was carried by a two-thirds vote, then, you have accordingly amended your By-Laws.

IMPERIAL POTENTATE HOGAN: It was accepted by a two-thirds vote and so we have done business and that is out of the way.

I will now recognize the Chairman of the Jurisdictional Lines Committee for his report, Noble Cecil Walrath.

NOBLE CECIL WALRATH: (Reading)

The Committee on Jurisdictional Lines is pleased to report as follows:

Whereas Kena Temple petitioned in the Call for certain changes in Jurisdictional Lines in Northern Virginia, your Committee met at length with Representatives of Kena and Acca Temples and as a result of these meetings, it was agreed by Kena Temple that they would request the withdrawal of their petition with the understanding that the Committee would recommend as follows:

That the Imperial Potentate issued a directive immediately following this Imperial Council Session and not later than October 1, 1969, to the Committee on Jurisdictional Lines to call a meeting to be held in the State of Virginia, of Kena and Acca Temples and any other Temples in Virginia whose interest may be at stake, for the purpose of making a sincere attempt to work out Jurisdictional Lines problems, in a way which will meet with the approval of the Temples involved and in the best interest of Shrinedom in the State of Virginia.

NOBLE CECIL WALRATH: Imperial Sir, I move that this report be received.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: You have heard the motion and the second, is there discussion? If not, I will put the question.

(Whereupon, the motion to receive the report was voted upon and declared to be carried.)

NOBLE CECIL WALRATH: (Reading)

The Committee on Jurisdictional Lines is pleased to report as follows:

That the Jurisdictional lines objectives referred to on Page 15 of the Annual Call referred to this committee by the Jurisprudence and Laws Committee with their approval, involving Article 49 and Article 82 of the Code, with regard to Jurisdictional Lines of Ben Ali Temple and Hillah Temple, as detailed in the Call, met with the approval of both Temples and was so acknowledged and agreed to by representatives of both Temples, at a meeting held by our Committee on Tuesday, July 1, 1969. This Committee wishes to compliment both Temples for the fine spirit of cooperation displayed, all of which is in the best and good interest of Shrinedom.

Your Committee on Jurisdictional Lines unanimously recommends that the changes be made as stated in the Call.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: Nobles, at this time I will recognize Arnold L.

Johnson, the Right Eminent Grand Commander, Knights Templar of the State of Washington, for a few words.

NOBLE ARNOLD L. JOHNSON (Right Eminent Grand Commander, Knights Templar, Washington): Imperial Potentate, Imperial Sirs, Illustrious Sirs, Distinguished Guests and Nobles: On behalf of the Grand Commander of the Knights Templar of Washington I am pleased to bring fraternal greetings to this Ninety-Fifth Session of the Imperial Council. We hope that all of our out-of-state visitors so enjoy their visit with us that they will wish to return.

I would like to take this opportunity to personally thank our Imperial Potentate, Chester Hogan and the Imperial Council for the many courtesies that have been extended to Mrs. Johnson and myself, and for their hospitality, which has been great.

I also wish to thank those responsible for providing a brand-new Oldsmobile with a driver for our transportation needs during this Session. I think this is a wonderful tribute to the organization that I represent.

In closing, I would like to extend to the Imperial Council our best wishes for the continuance of a pleasant and successful Ninety-Fifth Imperial Council Session.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you very much.

I would now like to recognize Noble Anton L. Marek, Grand High Priest of the Grand Chapter, Royal Archmasons, State of Washington.

NOBLE ANTON L. MAREK (Grand High Priest, Grand Chapter of Royal Archmasons, Washington): Imperial Sir, Imperial Sirs, Officers, Distinguished Guests and Nobles: Imperial Potentate Chester A. Hogan mentioned to me a little while ago that I had thirty minutes to complete my address to you. (Laughter) However, knowing that you have been sitting for a long time and that some of you will be sitting for a long time later on this evening, I would like to at this time simply say that I bring you greetings of the 7,000 members of the Most Excellent Grand Chapter of Royal Archmasons in the State of Washington.

I too would like to thank this Imperial Council for the many, many courtesies which have been afforded to my wife and myself and I likewise would like to tell you that I hope you will enjoy your stay and that you will return and spend many more hours and days with us in the future.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you very much.

(At this time business was conducted in the Colorado Corporation.)

IMPERIAL POTENTATE HOGAN: At this time I would like to call on Past Potentate Fred Bryant, who will report on the Emeritus Members.

NOBLE FRED BRYANT: Imperial Sir, Imperial Sirs and Representatives: I recall when it took twenty years and then eighteen years and now it is fifteen years to reach this point.

The six outstanding Nobles we have here on the platform represent almost one century of work and help to this Imperial Council. To be exact, it is 90 years and, of course, that is a long time.

Imperial Sir Rennie L. Arnold was supposed to have made this report but I understand that I am now to give it.

Now, let me say, that I wish all of you could have had the opportunity of talking to these outstanding Nobles and knowing of their list of accomplishments and the things they have done for both the Shrine and Masonry in general.

I am going to start first with Arthur E. Armitage, Past Potentate of Crescent Temple.

He is a past Potentate of Crescent Temple, a Past Officer in the Scottish Rite, the Past President of the Rotary Club, a Past President of the High Twelve Club and many other civic activities.

Therefore, it gives me great pleasure at this time to present him with his Certificate. (Presentation of Certificate and applause ensued.)

NOBLE BRYANT: It is also a pleasure to present this Certificate to Noble A. B. Burton of Kazim Temple, Roanoke, Virginia. He is a Past Potentate of Kazim Temple; a Member of both the Scottish and York Rites; a Member of the Board of Governors of the Greenville Unit; a Past President of the Kiwanis Club and is engaged in many other civic activities. Noble Burton, it is likewise a pleasure to present this Certificate to you.

(Presentation of Certificate and applause ensued.)

NOBLE BRYANT: We next come to Noble A. J. B. Miller of Tadmor Temple.

He is a Past Potentate of Tadmor; a Past Commander of the Knights Templar; a Past Master of his Lodge; Past Commander-in-Chief of the Consistory and a 33° Mason.

It is likewise my pleasure to present this Certificate to you, Noble Miller.

(Presentation of Certificate and applause ensued.)

NOBLE BRYANT: We next come to Noble George B. Fullman of Abou Saad Temple. He is a Recorder, Emeritus of the Temple; a Past Master of his Lodge; a Past District Grand Master; a Member of both the York and Scottish Rites; a Sovereign of the Red Cross of Constantine. I am likewise happy to present this Certificate to you, Noble Fullman.

(Presentation of Certificate and applause ensued.)

NOBLE BRYANT: We next come to Noble Robert M. McCarrell, Karnak Temple.

He is a Past Potentate of Karnak Temple and now Recorder; is a Past Master of his Lodge; a Past District Deputy Grand Master; a Member of the York and Scottish Rites and the Red Cross of Constantine and is now Treasurer of the local Board of Governors of the Montreal Unit. It is certainly a real pleasure to present you with this Certificate.

(Presentation of Certificate and applause ensued.)

NOBLE BRYANT: Next we come to Noble Leonard E. Van Dyne, of Osiris Temple.

He is a Past Potentate of his Temple; a Past Master of his Lodge; a 33° Mason; President of the Mid-Atlantic Cabiri and has many other honors. It is indeed likewise a pleasure to present him with his Certificate.

(Presentation of Certificate and applause ensued.)

NOBLE BRYANT: Now, Imperial Sir, I would like to move that these Nobles be officially made Emeritus Members of the Imperial Council.

(The motion was severally seconded, voted upon and was declared to be unanimously carried.)

IMPERIAL POTENTATE HOGAN: Congratulations, Nobles. These Nobles have completed fifteen years of being present at the Imperial Council Sessions. Let's give them a nice hand. (Applause)

I will now call on the Jurisprudence and Laws Committee for a report.

NOBLE ELMER P. BROMLEY: Imperial Sir, Imperial Sirs and Representatives: There has been referred to the Jurisprudence and Laws Committee the report of the Jurisdictional Lines Committee relating to the Jurisdictional Lines of Ben Ali Temple and Hillah Temple. The Jurisprudence and Laws Committee finds that these proposed amendments as recommended by the Jurisdictional Lines Committee are not in conflict with the By-Laws of the Iowa Corporation and on behalf of the Jurisprudence and Laws Committee, I move that Articles Number 49 and Number 82 of the By-Laws of the Iowa Corporation be amended as recommended by the Jurisdictional Lines Committee.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: I am now going to call upon the Recorder of Yaarab Temple, Noble E. J. Hosch, to make an interesting report.

NOBLE E. J. HOSCH: Imperial Sir, Imperial Sirs and Representatives: Last July I was Chairman of the Past Masters Committee and charged, together with the Committee, with responsibility of initiating a campaign which will result in each of our 170 Temples having an organization of Past Masters. Of course, we know that some Temples, such as my own, had an organization of Past Masters.

However, the first thing we did was to send out a questionnaire to ascertain which Temples had them and, at the same time, which Temples would be interested in forming such an organization.

After compilation of results of the first questionnaire, this was then followed by a second questionnaire and a suggested set of National By-Laws.

At the time we started we found there were some twenty Temples that already had an organization of Past Masters; twenty-four Temples who said they would not be interested in organizing for various and sundry reasons and in one case the Grand Jurisdiction of the State indicated that it would not be practical for them to do.

Of course, the idea behind the move in its entirety was to promote and cement or pool relations between various Masonic requisite bodies and the Shrine itself.

Now, getting back to the compilation of figures, it was indicated there were twenty Temples that already had an organization; twenty-four who said they would not be interested and forty-three of the Temples didn't answer either one of the two questionnaires. The remaining eighty-three Temples gave us affirmative answers and thirty-eight of these eighty-three have completed organization and are now functioning along with the original twenty.

Thirty-three others are now in the final stages of preparing and implementing their program. The other twelve are on the verge of getting started. Therefore, it looks like, in the final analysis, that all of the organizations, when completed, will result in we having 103 Temples out of the 170 with organizations of Past Masters completed.

Imperial Sir, this completes the report of the Committee and I move its adoption.

(The motion was severally seconded, voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: I now declare, for the record, that the last motion with regard to the amendment of the By-Laws, was carried by a two-thirds vote. This is for the record.

Now, Nobles, I believe that will complete our business for the day. I would remind you that our Parade starts at seven-thirty tonight.

We are now in recess until nine o'clock tomorrow morning. Let us be here on time because there may be a Roll Call.

(The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at 4:10 o'clock p.m. to reconvene at 9:00 o'clock a.m., Friday, July 4, 1969 in the Grand Ballroom of the Olympic Hotel, Seattle, Washington.)

MORNING SESSION

FRIDAY, JULY 4, 1969

NINE-FIFTEEN O'CLOCK A.M.

The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., convened in the Grand Ballroom, Olympic Hotel, Seattle, Washington, at 9:15 o'clock a.m., Imperial Potentate Chester A. Hogan presiding.

IMPERIAL POTENTATE HOGAN: Nobles, will you please come to order. I would like to call our meeting to order.

At this time I will call on our Imperial Chaplain, Reverend Larson, for the Invocation.

REVEREND RANDALL LARSON: O God, we are grateful to you for a new day, for the new opportunities presented to us. The refreshing sleep of the night causes us to be grateful for your presence always.

On this day, the last day of our Ninety-Fifth Imperial Session, we ask for your continued guidance and blessings. Make us sensitive and aware to your leading.

We give Thee thanks for the leadership of our Imperial Potentate and as we look forward to the new year we know your grace will be sufficient for he who will take over the helm.

As we leave each other's company and fellowship this day, we know that your mercies and your grace will be sufficient for our needs.

These things we pray in the name of Him who is the light, life and love of all of us. Amen.

IMPERIAL POTENTATE HOGAN: Thank you very much, Reverend Larson.

At this time I will recognize the Potentate of Egypt Temple.

NOBLE JAMES D. MOTT (Potentate, Egypt Temple): Illustrious Sir, Illustrious Sirs, Nobles all: As the Illustrious Potentate from Egypt Temple, in the City of Tampa, on the west coast of Florida, this morning I present to you, Imperial Sir, from our great City and the Mayor of our great City this little plaque in appreciation. May I also say to you that the leadership that you have given to we in Shrinedom will continue because it has been an inspiration not only to me but to every Shriner in this room and to the Shrine throughout our entire Shrine of North America.

May you continue in your life to help others as you have in the past and may God's blessings be upon you and your family always.

(Presentation of Plaque and applause ensued.)

IMPERIAL POTENTATE HOGAN: Thank you very much.

At this time we will recognize the Imperial Potentate-Elect, J. Worth Baker, for his message.

(Rising applause ensued as Imperial Potentate-Elect Baker approached the podium.)

IMPERIAL POTENTATE-ELECT BAKER: Imperial Sir, Imperial Sirs and Nobles all: In behalf of the 725 other Hoosiers from central Indiana, in behalf of the other four Temples from Indiana, I wish to thank all of the people here in the State of Washington for the tremendous hospitality that has been extended us. There have been no unturned stones insofar as making us happy and comfortable has been concerned. I don't know how happier I could be than to come into this Office in such a great community as Seattle.

Now, I am sure you have already heard a little bit about our Potentate, Dick Hunt; about his having the large class in Las Vegas that he did. I think there might be a trend in the future toward doing more of this than we are presently doing. Therefore, I would like to present my Potentate to you at this time and have him tell you a little bit about this project and also another little project that we did recently with regard to the DeMolay.

I am happy to present to you Noble Richard Hunt, Illustrious Potentate of Murat Temple, the fourth largest Temple in Shrinedom.

NOBLE RICHARD HUNT: Illustrious Sir, Illustrious Sirs and Nobles all: Chic, I would first like to tell you that even though it rained last night, we did enjoy that Parade. You know, being an old cab driver, when it rains in Indianapolis, it is money in our pocket.

Of course, needless to say, we are all proud of Baker. Further, I know that you think that in Indiana we are really probably one of the greatest States in the Union. (Laughter) At least our former Governor said that we were.

As has been indicated, we did have a large membership drive during the past year. You know, in the past I had people write me letters asking me when we were going out of state in connection with a Ceremonial. Of course, this might mean that we would go to Kokomo, Indiana, Muncie, Indiana and so on. However, I thought it was time we made a change. Now, while we have had a continuous gain in membership over the years, it nevertheless has been getting dangerously closer to the line and so, as a result of some discussion, we formulated a plan for an out-of-state Ceremonial.

As a matter of procedure for getting our candidates, we divided our great State into four sections. We have a Northern Membership Chairman, a Southern Membership Chairman and then divided the State through the middle and had contests. Giving Peter Val Preda a plug, I might say that we applied the same techniques to membership that we applied to the selling of Chevrolets.

Our boys went out and worked and, of course, I worked with them. I told the boys they had to be at every meeting in order to sell this bill of goods. In fact, we went to every one of our eighteen Shrine Clubs and each week when our Units met, we likewise made every meeting.

In fact, I am happy to report to you that we have not had a demit during this past year and I can tell you what we did. In fact, we held a meeting in Florida. Let me say, in this connection, that there are 428 members of Murat Temple living in Florida. Therefore, we told them we would have a Florida social club and have a meeting. We also had one in Miami Beach and the result was candidates. In fact, nobody demits to Florida any more. (Laughter)

Now, what we did in connection with this drive was to go around and sell these people on the idea of going to Las Vegas. Of course, I am not a member of the Las Vegas Convention Bureau, although I am a member in Indianapolis and, therefore, it was an easy job for me to do this because I do go out two times a year on business. All we did was to tell everybody that if they came to Las Vegas that this was going to happen to them.

I might also say that this was a word-of-mouth campaign. In fact, our Grand Master made a statement before all of the Nobles indicating that he had never seen anything like this. In fact, he could go to a church, to a Grand Lodge or anywhere and all they asked is—"Have you your petition for Las Vegas?"

Now, the way we did this was that nobody went to Las Vegas without getting their petition. This was equally true in connection with our Divan. You had to have your petition. We really sold this deal. I might add that some of our Divan members were really sweating it out but they eventually got their petition or they didn't go.

Now, I also had another deal in connection with which I indicated that for anybody who got five petitions, I would throw them the darndest party they had ever seen. Well, I had forty Nobles that got five petitions. I got four of them myself and really had a heck of a job getting the fifth one. However, I also eventually got my fifth one.

That is in essence the principle we ran it on.

Of course, we got a little subsidy. In fact, I went to my Board of Directors and asked them for \$50,000 for membership promotion. After all, you must remember you have to spend money in order to make money. Well, my Board graciously granted me that money and I believe I spent it wisely and judiciously.

Of course, we originally thought we would have a class of some 1200 but it kept growing and growing until we finally ended up with 1388 candidates and, in toto, I had some 2500 people make that trip to Las Vegas. In fact, we had 14 jet airplanes. We had 6 planes holding 250 passengers and there are only some 15 in the whole free world. All of our airplanes left on time.

We only had two people that got ill. We had one individual who was a diabetic that required hospital treatment and then we had another individual admitted because of sheer exhaustion. (Laughter)

I personally was in Las Vegas for about eight days handling all of the details and let me say that if you have ever been to Las Vegas, then I am sure you will agree that three days is about what anybody can stand. I am happy to report to you that we did not lose anybody, that we got them all back on time and that we all had a great time while there.

I would also like to tell our new Imperial Potentate, J. Worth Baker, that we are going to have some 800 more candidates before the year is over. In fact, we have three more classes coming up. We have a class in the Fall, by the way, in conjunction with Henry Struby's Temple. We are going to have an outdoor Ceremonial.

Bear in mind, if you want to do this, you have to make all of the Nobles work, give them all an opportunity to get petitions and share in any benefits. As a matter of fact, our Imperial Potentate-Elect likewise got his petition before he could go out there.

Therefore, we had a great time. It made for a lot of enthusiasm and everybody was ready.

We also were involved in another project concerning the DeMolay this year. This involved a person who donated 105 acres to the DeMolay Foundation in Indiana. Several other people donated \$50,000 and, as a result, they built a retreat house for the boys. Now, they indicated to us that they had to have a road leading up to the place. Well, I was thinking about a driveway but soon found that they really meant they had to have a road. I said, "All right, Murat Temple will build you a

road on one condition — that you name it Murat Drive." Well, I didn't know it would amount to a \$21,000 project or that they would have to move a couple of mountains. (Laughter)

Now, I would like to introduce to you an individual who had a lot to do with this but he is presently on the plane going back to Indiana. He is a wrecking contractor. Now, as an aside, what we saved at the Claypool Hotel in Indianapolis had been there since 1909 and had recently burned down.

Now, this gentleman and I were sitting there one day and I said, "You know, I have a real problem. I have to raise \$21,000 some way, somehow, without asking the Board of Directors, because I don't know whether or not they will give it to me."

He replied, "Well, as you know, I have gotten the contract to tear down the Claypool Hotel. Further, it certainly, after all these years, is a landmark of Indianapolis.

After we talked further for a while, I got the idea that possibly we could have a demolition party. Well, the final upshot of it was that we had a DeMolay Demolition Night.

What we did here was to sell tickets at \$25 a couple and we had about 1500 people there that night. We sold whatever they could take out of the various rooms at \$100 a room. We had dancing in the street. We had five bands. We really gave them their money's worth. We gave them food and also champagne, which was donated. We auctioned off doorknobs and other items that were a part of the Hotel. In fact, in connection with the auction, I collected about \$2100 in about forty-five minutes.

Now, in connection with this affair, all of the receipts have not been accounted for as yet but I would say that in connection with the activities of that night thus far we have raised over \$15,000. Further, the road is already in but we have not paid for it. However, it has been named Murat Drive. When we get back it will be paid for.

I would also say that this gave us national recognition for both the DeMolay and ourselves. In fact, we had an official of one company call and say, "Whatever you are short, send me the bill."

Well, at any rate, that is the way we solved our problem in connection with our roadway. I want to thank you, Imperial Sir, for this opportunity to explain these things to you today. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: I have a brief announcement to the individuals who are presently Chief Rabbans. If any of you will give us a class like that this next year and tear down a hotel like that for the DeMolay, we will give you equal time at Indianapolis. (Laughter)

Now, while we were talking about these unusual ceremonials I might say that we got by far the most of these men because they had a trip that was built into their Ceremonial.

Now, while we are in this area of thinking, I want to also tell you that in Indiana we always have what we call an out-of-state ceremonial. They have all been very successful and at least all of them over the country that I have heard of have been. I think that there are many wonderful Temples that are situated near smaller markets where they can loop their Ceremonials and thus attract men that you will not acquire in any other way.

One Temple that has been successful in that is Hella Temple at Dallas, Texas. Of course, we Hoosiers do not like to do all of the bragging and so I have a man here from Dallas to speak to you, the Potentate of Hella Temple, George Terry.

NOBLE GEORGE TERRY: Imperial Sir, Imperial Sirs, Fellow Representatives: I wish I had the opportunity of coming on first here because I rather feel like a poor joker coming on after Sally Rand. (Laughter)

For many years Hella Temple followed the established custom of holding all Ceremonials in Dallas. This, of course, was not true during the early days in the life of the Temple, when we were the only Temple in Texas. A review of our Minutes brings to life Ceremonials that were held in various cities during this period. However, shortly after this, other Temples were granted status in Texas and, of course, we then did not have this further opportunity.

Now, during 1960 Hella Temple committed itself to a full-blown Ceremonial in Longview, Texas, located some 120 miles east of Dallas. We had a Parade of all of our Units, the First and Second Sections, the Hot Sands, of course, as well as the Ceremonial Banquet and then we closed out the night with 98 new members for Hella Temple. Well, this began a new era for our Temple and a search for new members.

Later on in 1960 we staged a complete Ceremonial in Texarkana, Texas. Once again we had a successful number of candidates and initiated 46 with a Ceremonial. We also created 24 new members for Sahara Temple as a courtesy, Sahara being in Pine Bluff, Arkansas.

Potentates during the succeeding years have followed a pattern set in the year 1960 and have met with great success. All together we had staged at least eleven out of twelve Ceremonials throughout our Jurisdiction and have created a total of 576 new Shriners.

The Ceremonials held outside of our own Temple are not accomplished without long hours of work, planning and expense. However, your compensation is many-fold.

In the first place, you can increase your membership significantly by holding these Ceremonials. Many new members cannot be reached in any other way than to get away from your home Temple ground and go out into the territory that you cover and put on these Ceremonials in the first place.

Further, it comes to our attention that you complement the smaller communities by holding a Ceremonial in their town. Certainly you will get good attendance at your Parades. Further, you create genuine interest for not only Shrinedom but Masonry when you put Shrinedom on display in these communities.

Further, of course, you continue to collect the dues for many years to come after you have created these new Nobles.

Likewise, you bring added life to all of Masonry.

Let me say in closing that much of the success Hella Temple has enjoyed in holding out-of-state Ceremonial has been the result of very close and workable relationships with the Dallas Scottish Rite bodies. We work hand in hand with these bodies and, from top to bottom, most of our workers are also interchangeable with their workers.

Just recently, on Saturday, June 14th, in Texarkana, just three weeks ago, the Dallas Scottish Rite bodies conferred the degrees on 118 Brethren. Immediately following the close of the 32°, Hella Temple conferred the Order on 53 Novices.

I might add that the next weekend we had a reunion in Dallas and again, through this close cooperation, we were able to confer the degrees on 63 Nobles. Therefore, in the two-week period, we created 116 new Nobles.

The entire weekend is planned, together with the cooperation of the Dallas Scottish Rite bodies, for many weeks in advance and we in the Shrine and Scottish Rite are highly pleased with our results.

The final fact I would like to leave with you is that when you do work with your Scottish Rite bodies, the close liaison you have generally provides for a 50 per cent penetration into their class. We think this is very significant. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: Thank you very much, George.

In 1919 we had an Imperial Council Session at Indianapolis and if you go back into the Archives and study the old Minutes you will find it was at this meeting that the Hospitals were first discussed. The idea was tabled and it was adopted in Portland the following year, 1920. Therefore, next year will be the Golden or Fiftieth Anniversary since the idea was adopted.

I don't think there is a Shriner here, and I know you are all Shriners, but what you have been in one or more of our Hospitals. I don't know what percentage of our entire membership that is in visits in relation to these Hospitals but I would say it is pretty small. Therefore, this next year we are going to have a program. We do not know what we are going to call it as yet and you men, of course, are invited to help us. We need somebody to give us a good gimmick in relation to a name for this. We are going to call it the "Golden Anniversary" or something. However, we want the word "gold" in there — the words "gold" or "golden."

We want to set up a plan whereby anyone who visits the Hospitals receives a gold-colored paper card indicating that he has been there and if he wants to spend about \$2., then we can get a gold metal card for him with his name engraved thereon.

We are trying to establish some sort of pattern that will involve a status thing for any Noble who has been in and out of one of the Hospitals and I think if we had twice as many as we do going in and out of our Hospitals that, in turn, we would have a much stronger Fraternity.

Therefore, we are going to invite any of you who so desire, to send in a name. We don't want to limit it to just Shriners and Nobles because we feel the more the public can come in and out of these Hospitals, the better off we are. George has worked with me on this idea. People who have heard about this like the idea.

Now, in relation to this, I would like to recognize our Imperial Recorder, George Saunders, who is also the Executive Secretary of the DeMolay of North America.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Nobles: Actually the Imperial Potentate has given you the full message, I think, in connection with the card idea. He does have the idea that we will provide this type of card, which will indicate that you or anyone else has made a visit to one of the Shriners Hospitals for Crippled Children.

This program is going to be carried out. Those cards will be available as soon as we can get the necessary printing on them and will be distributed in accordance with the instructions of the Imperial Potentate.

There is very little more I can tell you on that except it is a splendid idea and one that is going to be developed.

Now, insofar as the DeMolay is concerned, I happen to be Grand Secretary of the International Supreme Council of the Order of DeMolay. I took the Office upon the death of Frank Land. Frank Land was a very close personal friend of mine down through the years. He used to be in our Scottish Rite, one of the Officers in Kansas City, and that is where the idea actually germinated—in our Scottish Rite work and in connection with the job that Frank Land was doing with us in Kansas City.

The DeMolay grew into a very sizable organization. Of course, then the Depression came along and DeMolay sort of fell apart, like all other fraternal organizations did in connection with their membership, and then it began to go back again.

We have to have Masonic sponsorship in order to have DeMolay Chapters. We tie the DeMolay idea to Masonry just as close as the Grand Lodges will let us do so. We are recognized by most every Grand Jurisdiction and almost every Grand Jurisdiction permits Masons under their charge to work and advise the DeMolay Chapters and to sponsor DeMolay Chapters.

Frankly, my own personal opinion is that Masonry and the future of Masonry in this country can be assured if we can have a strong, active DeMolay in this country. DeMolay is the grass roots of Masonry just the same as Masonry is the grass roots of the Shrine. Therefore, I say that I owe it to my son and the friends of my son to have the privilege of enjoying a homogenous Masonic life and atmosphere and it can be done and done well if we get DeMolay Chapters sponsored and continued to be worked on by Masonic advisors.

The only time any DeMolay Chapter has ever failed has been for lack of advisorship and lack of Masonic leadership to guide it and to direct it.

It doesn't take a whole lot of money to start a DeMolay Chapter and, further, generally these boys have the ability and the desire to go out and make the money themselves, to handle whatever finances are needed. The big thing we need in DeMolay is Masonic leadership, Masonic guidance, Masonic advisorship.

You know as well as I do that the problems of the youth, the problems of the young man growing into manhood are of such great magnitude that, as he grows up, he needs advice and he would appreciate the advice given by Masonic leaders. Therefore, you can prosper DeMolay by offering your services in an advisory capacity to the DeMolay Chapter or, in connection with your own Shrine Club organization or Shrine Temple organization, setting up a sponsoring group of Masons.

Any group of Masons can sponsor a DeMolay Chapter. We do not take it away

from the Lodge. We want the Lodges to do it if they will do it. If they cannot get help to do it, then we urge Shrine Clubs and Shrine Temples to do it.

Imperial Sir, as I said in the beginning, Masonry can be salvaged in this country to the extent that those present here and elsewhere will promote the interests of DeMolay. Thank you kindly. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: Nobles, I am familiar with the fact that in two or three places in the Continent where there are Shrine Temples, either on a state level or in a section of the state, they will have a party honoring their Grand Master. To this party they invite the Masters of all of the Symbolic Lodges, along with the Senior Wardens and the Secretaries.

I have heard some very fine results happening because of this, especially in relationship to the building of an image in the area in which you operate.

At this point I would like to call on an individual who is quite familiar with this type of project to expound on this matter for a moment — James A. Weiland, Recorder of Syria Temple of Pittsburgh.

NOBLE JAMES A. WIELAND: Imperial Sir, Imperial Sirs, Representatives and Nobles: Before I start in on this, I want to follow up what George Saunders said in relation to the DeMolay.

I was a DeMolay in 1923 and I can confirm everything he said. I would not be where I am today or have all of the honors that I have received to this point had it not been for my experience in the DeMolay.

Now, with respect to the matter of Master Masons Night at Syria Temple, we try to hold the meeting as early as possible in the year and in conjunction with our Grand Master and his activities.

In 1955, our then Illustrious Potentate, Kenneth T. Paxton, our Chief Rabban, the late Willard G. Cutler, and our Assistant Rabban, Hiram P. Ball (who in all probability will be elected the Grand Master of Masons in Pennsylvania this coming December) conceived the idea that in order to further stimulate an interest in the Shrine they should do something for the Blue Lodge Masons. As there are 165 Lodges within the Oasis of Syria Temple, and it would be humanly impossible for our Grand Master to visit all of these Lodges within a year, these Nobles conceived the idea of Syria Temple holding a dinner meeting in our Temple and inviting the Worshipful Masters and the Secretaries of these 165 Lodges to come and to meet our Grand Master and other Grand Lodge Officers who accompany him on this occasion. This plan would also afford our Grand Master the opportunity to speak to the new Worshipful Masters each year which he otherwise could not accomplish. This dinner plan was inaugurated in 1955 and has been a tradition with Syria Temple every year since with the blessings of each succeeding Grand Master.

This event is the responsibility of the Chief Rabban. We usually contact our Grand Master (who serves for two years) or the Deputy Grand Master at least one year in advance requesting them to select a date for this dinner to be held.

The Chief Rabban provides our caterer with a menu and he serves a full course dinner. During the dinner we are entertained. Usually by an outstanding artist on the electric organ, a musical trio or some other type of appropriate musical entertainment. After dinner, our Chief Rabban presents our Illustrious Potentate to our guests and he in turn introduces the other elected officers of Syria Temple. Our Illustrious Potentate then presents our honored guest — the Grand Master.

In Pennsylvania we have 610 Blue Lodges proportioned into seventy districts. It is our Grand Master's privilege to appoint an outstanding Mason in each district to be his personal representative. This representative is responsible to the Grand Master for a certain number of Blue Lodges and all of their activities. We have eighteen of these districts in the Oasis of Syria Temple. At this dinner we seat the Lodges which compose a district together with their Deputy. After the Grand Master is presented, one of Syria Temple officers presents each District Deputy to the Grand Master and he in turn presents the Worshipful Masters and Secretaries of his district as a group. The Grand Master then introduces the other Grand Lodge Officers who are in attendance. At this point in the program, our Grand Master brings his message to the brethren assembled. When the Grand Master has finished speaking, our Illustrious Potentate thanks the brethren for their attention and invites them to come forward

to meet our Grand Master personally. This invitation is accepted by many of the new Worshipful Masters. We of Syria Temple feel this is a very worthwhile meeting and enjoy holding it for the Worshipful Masters within our Oasis.

Some years we add to the program by presenting the various Units of Syria Temple attired in full uniform.

We distribute to all in attendance a printed list of our Clergy Unit. The members of this Unit may be called upon to speak at the Lodges, administer to the sick or serve at the time of death for members who do not have their own minister. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: With regard to this matter, we have also a brief message from Imperial Sir Jacob Wingerter

NOBLE JACOB A. WINGERTER: Imperial Sir, Imperial Sirs and Representatives: I discussed this matter somewhat with our Imperial Potentate-Elect at the New York Shrine Directors' meeting, together with having some discussion with Illustrious Sir Ullrich of Crescent Temple.

We concur in a lot of the thinking that our previous speaker brought to your attention.

Now, another thought along this line would be, in order to get better public relations between the Shrine and the other prerequisite bodies, to divide the Blue Lodges in your territory between the Temples that they serve or which they are active in. In other words, if there are fifty Blue Lodges in your Jurisdiction, what we discussed was this — that we don't think you should make a large crowd — divide the number of Blue Lodges into a group that can be handled and in connection with which you can talk on a first-name basis.

Now, in dividing this up we suggest that you have the Master, the Senior and Junior Wardens and the Secretary of the Lodge present. If you have fifteen Lodges, for example, this would give you an audience of 60 people.

You explain to the Master and the Officers of this Lodge what the Shrine is doing and, in turn, let them tell you about their problems.

Now, maybe the first year it will not help you very much but in the second year of the program, then your then Master would then have been to your Mosque twice. The third year the Senior Warden would have been there three times and if you carry this program on in a continuous manner, then it won't be long before all the officers and past officers of your Lodge will be known as you and I know one another in our Shrine Temples and, further, when we get to know one another closer, we will be working closer with each other in our respective fields.

While I am not advocating this at this time, I think it is worth some study. Certainly we don't want to trespass on anything our brothers in the Blue Lodges are doing but I think if I, for example, knew the Masters of the different Lodges in my territory a little better and he had a problem, then I think I could help him. I am also sure that if he knew my problems that he would likewise be of more help to me.

Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: Now, I would like to move on with the program and at this time have Noble Smith Hughes come to the platform. We are going to present you with an idea that has worked beautifully in a couple of neighboring Temples back home.

As you know, we have an abundant reservoir of talent and time in connection with individuals when they reach the age of sixty-five and on. Very often, in connection with these individuals, there is no activity for them.

Now, we have two Temples over in Ohio who are working in connection with these individuals. Therefore, I would like to have you listen just a moment to Smith Hughes, Potentate of Syrian Temple, Cincinnati, Ohio.

NOBLE SMITH HUGHES (Potentate, Syrian Temple): Imperial Sir, Imperial Sirs and Nobles all: It is indeed a privilege for me to relate to you this small amount of information that has been very beneficial to Syrian Temple at Cincinnati, Ohio, with the hope that it will likewise serve a purpose in connection with your various Temples.

We at Syrian Temple at Cincinnati, Ohio were faced with the problem of losing a great number of our Nobles through non-payment of dues. When discussing this problem with our delinquent members we found that they lost interest in the activities of our Temple because there was nothing of particular interest to hold them as members of the group. Therefore, the idea of a senior Syrian's organization group was initiated.

On November the 11th, 1963, nineteen members met at the Mosque and formed a Syrian Club for retired Syrians. There are no dues, no age limit. The only restriction is that a member must be retired from his regular, gainful employment.

The senior Syrians now have a membership of approximately 400. They meet every Tuesday at the Mosque, with an average attendance of 150. The youngest member is 41 and the oldest is 88. They never miss a meeting.

The Club is organized for the purpose of promoting a spirit of good fellowship and social entertainment.

A typical meeting day starts with some members arriving at the Mosque as early as eight a.m. to enjoy coffee, donuts, rolls and good fellowship. At ten-thirty a.m., a short business meeting is opened with prayer, the singing of "America" and the pledge of allegiance to the flag. At noon they all have luncheon at our dining room.

Throughout the day, the senior Syrians enjoy card games, shuffleboard, billiards, ping-pong and lively discussions.

The Club also sponsors three events each year to which the ladies are invited. These consist of two parties and a summer picnic.

The by-laws also state that the senior Syrians are to serve Syrian Temple in any way insofar as possible when asked by the Illustrious Potentate. Members of the Club assist in many ways, such as in the promotion of our Circus.

Now, speaking of our Circus, I would like to call your attention to a reprint of three pages of our publication that was issued just before our Circus. This has several pictures which show you how these members enjoy their meeting that they have once a week.

As I said, members of the Club assist in many ways, such as in the promotion of our annual Circus, selling tickets and serving as gate assistants. They are especially interested in the Burns Institute in Cincinnati. The Club and many of its members have given sizable donations to the Institute.

These senior Syrians likewise serve as tour guides in the Burns Institute in relation to large groups and also transport patients and their relatives to and from the airport.

One of the most important services to our Temple that this group performs is their active participation in securing new members. Our spring class of over 200 contained approximately 40 new members secured by our senior Syrians.

Our delinquent list has been significantly lessened due to their activity.

I believe that this Club was the first of its kind in Shrinedom and if not the first, it has served as a model for other Temples as it has proven to be a great asset to our Temple.

I sincerely hope that this might be of information and some benefit to you.

While I am up here and inasmuch as we were speaking about DeMolay a while ago, I would like to say that we in Syrian Temple are fortunate in having in our spring class the "DeMolay of the World." I know you have all heard of him - Noble Dale Bissinger.

Syrian Temple is starting a DeMolay organization and Dale has been appointed to head up this organization. Therefore, we feel that we have a leader that is second to none insofar as DeMolay is concerned and we are looking forward to great things in that field.

Thank you, Imperial Sir, for the privilege of making this report.

IMPERIAL POTENTATE-ELECT BAKER: I have talked to two of the Temples that are conducting programs such as Smith Hughes mentioned and both tell me these seniors brought in about 30 petitions. Therefore, this is something that you might all be thinking about. In fact, it costs the Temple nothing and gives a lot of good men something to do.

Now, here is another item that you will find quite interesting. As you know, we have had difficulty with our census in our twenty-two Hospital Units. We think that with this idea we have that we may kill two birds with one stone. You know, we Shriners are like the Democrats and Republicans, we tell each other what great people we are but I don't think we get the story communicated enough to the mass audience we should impress.

Therefore, a man came to me in Cleveland last Fall in connection with the Great Lakes meeting with this idea and a tape. I want to give him credit for it because it was his idea. We want to present that tape at this time for your listening pleasure. He has likewise prepared copies for all of you. You will receive them when you receive your checks. They will be in the envelope.

These are two tapes with three different messages. We want you to listen very attentively to this and I think you will find it interesting and worth your time.

First of all, I would like to call on Noble Claypool to explain this a little bit.

NOBLE CHARLES J. CLAYPOOL (Antioch Temple): Imperial Sir, Imperial Sirs and Representatives: You know, I think that throughout this country we have never told the story of Shrinedom and this is one opportunity wherein we can reach the public in a very general and inexpensive way—telling them the story of Shrinedom. We believe, in turn, that they are going to ask as to how they can become a Shriner and get involved in this program. Further, I think that through this means we are going to get a lot more people to join the Masonic Fraternity.

Now, I would like to have you listen to these tapes. The voice you hear will be that of Arthur Godfrey. After you have listened to them I would like to make a further couple of comments.

(Whereupon, the Arthur Godfrey tapes as indicated above were played to the assembled Representatives.)

NOBLE CLAYPOOL: Nobles, the reason there is no address on there is that we want you to put your address on there. However, we don't want you to come up with a long street address that they cannot catch when they are listening to the radio.

Now then, just about every radio station in North America is compelled by law to give so much free time for public service and I know of no public service any better than the Shrine. I am sure that if you appoint a committee to take these tapes to the man in charge of your radio station, the individual in charge of public service, that you will get a lot more coverage from these tapes. In doing this, don't miss any radio stations. In other words, don't just give it to the big ones because, after all, the people we really want to hit with these tapes are the people who listen to country music and the soul music. You also have a lot of stations that specialize in certain kinds of music. In other words, we have one in Dayton that plays nothing but music for colored people. Therefore, if we can also get over to these people the fact that we have an organization that will take care of their children, I am sure we can get started in building back our waiting lists in the various Hospitals.

Now, I would rather at this time, in connection with the tapes wherein the words are mentioned "absolutely free," that these not be played so much. I will have some mailed to you in the next few weeks. Now, through these tapes, I don't ever want Shrinedom placed in the position that we have to say that we have embarrassed somebody.

As I said, while these are perfectly all right, I am going to be mailing you some more tapes. However, I think if you appoint a committee and get these tapes around, that people will, in turn, become familiar with what the Shrine does.

Thank you very much, Imperial Sir, for this privilege. (Applause)

IMPERIAL POTENTATE-ELECT BAKER: Gentlemen, not only are we interested in having these tapes played at your radio stations back at your principal cities, but let's get them out to Shrine Clubs and, in turn, we will get the message to millions of people showing what great people we are. We know we are great, of course, but then let's also let everybody else know.

NOBLE CLAYPOOL: Imperial Sir, I was just requested by one of the Nobles that we get one of these tapes cut in Spanish. Let me say that this is only a start. When we give you these tapes, we do not say that you have to use the tapes given to you by the Shrine. However, we would like to have you use the general format. Also, if

you change the wording, I would suggest that you send them in and get them approved before you put them on the air in order that we make sure we do not embarrass the Shrine or anyone else involved.

IMPERIAL POTENTATE-ELECT BAKER: I am sure we can get these made in Spanish if necessary. Further, copies of these tapes are very inexpensive, they are only a few cents each.

Gentlemen, when I heretofore, as an Imperial Representative or Imperial Officer of the Imperial Council have talked with the news media, either radio, television or the press, I have invited them to ask me, "How do you become a Shriner?" Now, some of you read an article here in the paper a couple of days ago where, after I was interviewed, I told them how you become both a Mason and a Shriner. Now, if any of the Grand Masters are in opposition to this, I will refrain from doing it in your jurisdictions. However, I think that if all the male adult population of our country that we are Protestants were anxious to join Masonry, we would have thousands coming in.

I propose to continue this practice in my visits to your various areas and I would suggest you men, those who are often speaking on radio or television or at luncheon clubs and the like, should get the message over. By so doing, I believe we will have thousands of new Masons and thousands of new Shriners in the country, especially if everybody knew about our cause.

I want to tell you people again how great it has been working with Chester A. Hogan as closely as I have. We have worked on the Line together for some nine years now. He is a great guy and I just want to pay my respects to him before I finish.

I also want to express my love and affection for a wonderful Chaplain we worked with during the last year, Reverend Randall Larson. I call him "Parson" Larson. He is a great guy, has been a lot of fun and I am looking forward to a great year with all of you.

In closing, let me say this — While it is magnificent to bring more members into our Shrine, it is of equal importance to bring more Shrine into our members.

Thank you very much. (Rising applause)

IMPERIAL POTENTATE HOGAN: Thank you, Imperial Sir.

(At this point business was transacted in the Colorado Corporation.)

IMPERIAL POTENTATE HOGAN: At this time I recognize the Potentate from Crescent Temple, Noble August C. Ullrich. He is a Past Grand Master of the State of New Jersey and presently the Deputy for the Scottish Rite in New Jersey.

NOBLE AUGUST C. ULLRICH (Potentate, Crescent Temple): Imperial Sir, Imperial Sirs and Nobles all: I am called up here for just one special purpose.

Crescent Temple was saddened on Tuesday by the death of their Drum Major upon the conclusion of our Parade and just before we entered the ramp to the Coliseum. We were permitted yesterday to have a memorial mass at the Jesuit College of Seattle, where our Units are staying. The Jesuit Fathers, as you know, are keepers of the Faith of the Catholic Church and they invited our Chaplains to participate in this memorial service to our departed Noble. We are grateful to them. We are grateful also to many of you because of the expressions of sympathy you rendered. Not too many knew of our loss but we appreciate very much your sincerity.

In closing, might I just briefly say that I am delighted with the program that our incoming Imperial Sir has proposed, of the establishment of a more firmer and better relationship with our Masonic organizations. We have given much lip service to it in the past and, Shriners, let's do something about it and study the program of the future.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you very much.

I will now call upon Noble Earl Sachse with regard to something pertaining to the Amendments that we passed yesterday and the day before.

NOBLE EARL SACHSE: Imperial Sir, Imperial Sirs and Fellow Representatives: Following our meeting of yesterday I had an opportunity to discuss at some length

two of the Amendments we voted on the day before yesterday with our General Legal Counsel and Assistant General Legal Counsel and apparently they feel that the Amendments we adopted, those relating to the affiliate corporations and Temple corporations and the Shrine Club holding corporations, that the By-Laws as we adopted them have caused some problems to the drafting of the Articles of Incorporation in relation to these matters. Instead of the incorporators examining the entire Code it is apparent that they are simply referring to the sections as they appear and not paying any attention to the definition of "Hospitals," which is in Section 101, as I pointed out the other day.

Now, in order to avoid confusion in the drafting of these Articles, it is their opinion that it would be preferable to have them refer specifically to Shriners Hospitals for Crippled Children so that there can be no question raised. My opinion of the facts, that it is incorporated by reference, would be adequate but this isn't what the Articles are involved in.

Now, in order to correct the record, I now move that the vote by which the two Amendments to Section 334.8 and 337.6 were adopted be considered, and I trust that you will vote in the affirmative.

(The motion for reconsideration was severally seconded, voted upon and declared to be carried.)

NOBLE EARL SACHSE: Now, Imperial Sir, I move that the Amendments to Sections 334.8 and the Amendment to Section 337.6 as they appear on pages 14 and 15 of the printed Call be adopted as printed. I also trust you will vote in the affirmative.

(The motion was severally seconded, voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: For the record, I declare the two motions just passed carried by more than the two-thirds necessary vote. This is just for the record.

Now, I would like to recognize Past Imperial Potentate Carlyle Brock, who has a report on Masonic Relations.

NOBLE O. CARLYLE BROCK: Imperial Potentate, Imperial Sirs, Distinguished Masons and my Fellow Representatives: It has been my privilege for the past three years to serve three Imperial Potentates as Chairman of the Masonic Relations International. During that time we have endeavored to embody the best ideas of our far-flung committees to embrace the ideas and ideals of our respective Imperial Potentates in order that we might bring about more solidarity among the ranks of Masons, because the Shrine itself, as I have often said, is the great umbrella of all Grand Lodge Jurisdictions across this Continent, which seem to bring together in common unity our great and beloved Fraternity.

We are facing plans which need our attention. The Fraternity is responsible for this free land and it is upon the foundation stones of Freemasonry that this Nation was built. It is upon these foundation stones that it will be preserved and we will build a greater Nation and freer Nation throughout the years to come.

Therefore, during this year, your Committee intends to incorporate the ideas of our new Imperial Potentate to bring about a closer relationship which you have seen exemplified upon this stage by Grand Masters from across this Continent, expressing their appreciation for the Shrine and their commendation for its good works.

However, ours is a great task — a great task to further solidify this great Fraternity, because Masonry is like a great Temple — the foundations I refer to are likened to ancient craft masonry in the bowels of the earth, and the walls and great pillars are likened to the Scottish and York Rites. However, if the foundation become eroded, then the mighty pillars will fall and the great dome which glistens from afar will be shattered upon the rubble below.

To you, my friends, we must ever be conscious that we are Masons first and Shriners thereafter and that we must continue to build more harmonious relationships, build greater pillars of unity, even back beyond the Blue Lodge to the DeMolay; that the freedoms of our States, the freedoms of the individuals and the God-given land for this freedom of the western world may continue.

My friends, it is a privilege to have appeared before you this day. I am grateful to have served during the past three years in this capacity and I wish you all Godspeed and continued good works.

Imperial Sir, I move the adoption of this report. (Applause)

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: At this time I will call upon Imperial Sir Aubrey G. Graham, Chairman of the Regalia, Emblems and Jewels.

NOBLE AUBREY G. GRAHAM: Imperial Sir, we have received no information from any Representatives or any Shriners in reference to this Committee.

I move that the Report of the Committee be accepted.

(The motion was severally seconded, voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: I will now call upon Imperial Sir Peter Val Preda to give us the report of the Temple, Unit and Shrine Club Study Committee.

NOBLE PETER VAL PREDA: Imperial Sir, Imperial Sirs and Representatives and Nobles: This is a brief report but we feel it is very important and so I am going to read it word for word and then I will call on our General Legal Counsel to make some other remarks.

The main activity of your Temple, Unit and Shrine Club Study Committee this year has been to keep the Imperial Council and our Shrine Temples apprised of the Treasury Department's recent tax proposal to extend the unrelated business income tax to fraternal organizations. Now, each of you have found in your packets the position which has been taken by the Imperial Council on the Treasury Department tax proposal.

A letter recently written went out to all of the Potentates, Chief Rabbans and Records of the United States Temples about this and we have included in all Representative packets copies of this statement so that all of you may be aware of the seriousness of developments and in order that you might convey to your Congressmen our position on this important issue.

In essence, it is the position of the Imperial Council that fraternal organizations, like charities, educational institutions and other exempt organizations, should be included under the unrelated business income tax section of the Internal Revenue Code. However, we have been alarmed that the Treasury Department also proposes to hereafter tax the investment income of fraternal organizations — that is, its rents, dividends, interest and gains from the sale of property, together with the income Temples derive from intermittent fund-raising activities, such as circuses and sporting events which help support our great philanthropy and other Temple activities.

It is proposed by the Treasury Department that only exempt fraternal organizations and social clubs of all exempt organizations should be so taxed on this investment income.

Now, what this really means, if the Treasury Department's tax proposals are enacted into law, is that all Temple income, other than the income it receives from dues, fees or assessments, and that which is permanently committed for insurance purposes, would be subject to future taxation. Now, I hope you will go over this information contained in your packets and when you do get back home to take this matter up with your Finance Committees and attorneys in your Temples and also the tax people in order to clarify your own situation.

Now, I know that we have some more information on this and so I am going to call on our General Legal Counsel, Noble Clarence Phillips, to make further additional remarks.

NOBLE CLARENCE PHILLIPS: Imperial Sir, Imperial Sirs and Nobles: This problem, you might say, is one that makes it necessary for us to go before our legislative bodies if we desire to maintain the position that we have had in the past on this subject. A considerable amount of work has been done by the staff and by the General Legal Counsel's Office and by Peter Val Preda's Committee.

I want to pay a special tribute to the Associate Legal Counsel in the Chicago Office, particularly Paul Ibach, who is here. I don't know whether you know him or not but I would like to have him stand and be recognized because, as I say, he has done a lot of work on this, as well as other matters for the Shriners Hospitals and the Iowa corporation. (Applause)

I might say to you, for simple background information, that every twelve to eighteen years in the history of our country they have a major overhaul of the tax system.

You have felt the impact of it from time to time. It comes and goes according to the economy of the country, the need for money and various other factors. This is the year, apparently, that the Treasury Department, in the interim between these major overhauls of the tax problem, will spend their time in analyzing statistics and things of this kind.

Heretofore we have been in classifications such as I will read to you. I might say that this book I have in front of me contains three hundred ten pages but, in connection with what we are presently talking about, this is a minor problem and in my thinking somewhat dangerous from our standpoint in that respect because it might be overlooked among the great major problems that they cover with all of these other pages.

Heretofore, we have been classified as an exempt organization, along with such distinguished company as churches and other organizations we shall call fraternal beneficiary societies. I might say that Freemasonry is not a beneficiary society in the sense that it sells insurance such as some fraternal organizations do.

We have a voluntary employee beneficiary association which we have been associated with in the past and the tax category of exemption. This is a very sophisticated word for "labor unions" and we do have and have had relationships such as that in the past. All we are asking Congress to do at the present time is to leave us in the company of those we have been classified with in the past. This is the big objective that we are suggesting to you and would like to have your assistance on.

Now, what are they doing with us? They are trying to reclassify us as a social club and under the qualifications that they have set forth for social clubs in the new tax criteria they say, for example, that under their new proposal a tax exemption for income of social clubs would be limited to the income from dues, fees or other amounts paid by members for providing to such members or their guests goods, facilities or services constituting the basis for the tax exemption. All other income would be taxable under the unrelated business income tax, with certain modifications which they discuss later.

Thus, in order to be exempt from tax, social club income would have to meet a two-part test. The income would have to be generated from providing exempt facilities, such as food or drink at the club, bar or restaurant, or playing facilities at the club. Golf courses, or tennis courts are involved here.

Secondly, the income would have to be from amounts paid by the membership. That is the important element there because we do have Shrine circuses, Shrine entertainments and we raise money and sometimes it goes to hospitals but, on the other hand, sometimes it goes to purchase some new band instruments or for something else that the Temple is doing. All of that would be taxable income.

Now, regarding this, you would become a different kind of corporation insofar as taxes are concerned here in relation to the various Temples. You would be a corporation that would be limited in your tax deductions to 5 per cent of contributions to charity. Therefore, if it is funded into the Temple through Shriners Hospitals you would still pay a tax.

Now, in connection with the pending legislation, I don't know what the Committee is going to do as yet. We have, however, had occasion to talk to some of the Committee staff. We have also had occasion to write letters to members of the Committee on this matter and if they come up with their reports — and we don't know yet what that Committee is going to report insofar as we are concerned — but if it becomes an adverse situation, then we would like very much to have everybody write to their Congressmen. Here I don't mean mimeographed letters, mimeographed cards. The most effective thing in the Halls of Congress are personal letters, personal cards and things like that. Those are the things they look over. If you can alert your Congressmen and everybody about this matter — if you start talking to them or writing to them right now, they will probably contact the Committee and see that the Committee comes out with the kind of association we would like to be in again or remain in. In other words, with your help, I think we probably may be able to get back into the company we presently are associated with under the tax laws and thus save our exemptions and save the Temples and Shrine Clubs a lot of money and also, at the same time, preserve funds for the purposes for which they were given. Now, we will communicate with all of the Temples again just as soon as we know what comes out

of this Committee and then we will give you a warning and then, in turn, you can get going on a second letter or an amplifying letter and so on.

Thank you very much.

NOBLE PETER VAL PREDA: Thank you, Clarence.

Nobles, what he just said about these handwritten letters is true. We have, in the past, sent out letters to the Recorders and the Potentates. We always include the Recorders because we know that many of them run the Temples full-time and so when you do get them, please remember, we want action. Of course, we cannot take the time to personalize every letter and so, when you receive these letters containing this information, please remember they are important.

Now, Nobles, at this time, if there are no other questions, I would like to move that the report be adopted.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: I understand that the Potentate from Tigris Temple would like to say something about this.

NOBLE WILLIAM H. SPECTOR (Potentate, Tigris Temple): Imperial Sir, Imperial Sirs, Delegates and Nobles all: We brought this up before our meeting and did a little research on this and I cannot emphasize strongly enough to you to make sure that each one of these letters is hand-written and that there are no mimeographed forms sent. They will pay more attention to a hand-written letter but, on the other hand, a mimeographed form will most usually go into the wastebasket. Therefore, make sure it is hand-written.

IMPERIAL POTENTATE HOGAN: Is there further discussion on the motion to adopt the report? If not, I will put the question.

(Whereupon, the motion to adopt the report was voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: I will now recognize Imperial Sir Jack Streight for the report of the Committee on Special Resolutions.

NOBLE JACK STREIGHT: Imperial Sir, Imperial Sirs and Representatives: This Resolution I am going to put before you is a resolution thanking Seattle and all those involved in this Convention. This is your Resolution.

Now, I have many members on this Committee and I chose four members to make this report, those living east of the Rockies, because I live in this neighborhood and if I wrote this report I would be elected President of the Chamber of Commerce of Seattle tomorrow. (Laughter)

Now, I would like to ask the Potentate from Rameses Temple, Patrick Henry.

NOBLE PATRICK HENRY (Potentate, Rameses Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives and Nobles all: First of all, I want to indicate to you, Imperial Sir, my appreciation for having been selected to make the presentation on behalf of the Special Resolutions Committee. However, before doing so, I would like to make reference to the fact that this Resolution is one of general appreciation.

I would also, Imperial Sir, like to avail myself of this privilege as Potentate to tell you how much those of us from Rameses Temple have enjoyed our visit here in Seattle. Yesterday evening, in the Night Parade, one could readily sense the genuine and enthusiastic desire of the citizens of Seattle and the surrounding area to extend a glad hand.

Of the several Imperial Parades I have experienced, never have I been made to feel so at home. However, I was disturbed this morning when I read in the newspaper headline, "Shriners Parade Takes Place In Northern Mist." I would have thought your neighboring sister state of Oregon would have been far kinder to you than to send that over to you last night because we back home would call that plain rain. (Laughter)

Now, I should like to read to you this Resolution: (Reading)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

Imperial Sir, it is my pleasure, on behalf of the Committee on Special Resolutions, to move the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: You have heard the motion and the second, is there discussion?

NOBLE R. H. SCHMIDT (Hadji Temple): Imperial Sir, I believe the Committee neglected to mention the name of Most Worshipful Brother Carl E. Webb, Grand Master of Florida in the report.

IMPERIAL POTENTATE HOGAN: It is in the record right now. Thank you.

All those in favor of the motion indicate by the usual sign; opposed. The motion is carried.

At this time, I would like to ask the Potentates of Affii, El Katif and Nile Temples to come to the rostrum, as well as the Director-General of our Convention, Aurie Thompson.

(Whereupon, the above-mentioned individuals approached the rostrum.)

IMPERIAL POTENTATE HOGAN: Nobles, take a look at the hard workers of this Convention. (Applause)

Thank you very much, Nobles, for your hard work. I am sure all of our Representatives have appreciated it.

Now, if they would like to say something, I will hold each of them to two sentences.

NOBLE AURIE J. THOMPSON: Imperial Sir, Imperial Sirs and Nobles: If I said everything I wanted to say it would take a long time. However, I just want to say to all of the Nobles in connection with the many committees that worked so hard and to all of the good men that gave of their time for a long, long time, that we are very, very glad you came to Seattle and we would like to have you come back again and, further, may all of you have a safe trip home. (Applause)

NOBLE NEIL D. GRAY (Affii Temple): To you Nobles, thanks from the bottom of my heart. We have appreciated having you with us and we trust you have all had an enjoyable Convention. Thank you very, very much. (Applause)

NOBLE VERNON E. BELL (Nile Temple): Imperial Sir and Nobles: You have been most gracious to come to the West in order to be with Chic and all of us at Seattle. We really have appreciated your presence. We have had many compliments from all of you and, therefore, from the bottom of my heart I likewise wish to extend my thanks to all of you. (Applause)

NOBLE WARD J. WALKER (El Katif Temple): Imperial Sir, Imperial Sirs and Nobles: I can only add to the words of the two before me and say that our Temple likewise has enjoyed being a co-host and we hope that many of you will stay over for just another day and really take a look around "Hogan's Country." I know that you have been, at least up to this point, too busy to see everything that we have to offer here. Thank you very much for coming. (Applause)

IMPERIAL POTENTATE HOGAN: May I likewise extend my sincere appreciation and thanks to these three Temples and to Nile Temple in Seattle in particular. I thank all of you again in behalf of our Director-General and Past Potentate, Aurie Thompson

Now, at this time, I would like to recognize Imperial Sir Struby for a report of the Committee on Milegae and Per Diem.

NOBLE HENRY STRUBY: Imperial Sir, Imperial Sirs and Nobles: I am pleased to give this report because it seems to be less controversial than some of the others and so I will go ahead and present it.

IMPERIAL POTENTATE HOGAN: At this time I will recognize Imperial Sir Jacob Wingerter, who is going to make the report on the Shrine Rooms.

NOBLE JACOB A. WINGERTER: Imperial Sir, Imperial Sirs and Nobles: The written report on Shrine Rooms has been presented to our Recorder and will appear in the Proceedings. However, I should like to bring to your attention the fact that the Shrine Rooms at Alexandria, Virginia are in excellent condition. We are living within the budget.

We have changed the Imperial Officers from the back room out to the Archives Room where the Parades are.

A total of 80,000 folks visited the Shrine Rooms during the year. This represented some 70-odd Temples. There were thirty foreign countries represented and 2,000 folks from those countries.

The Shrine Rooms are a very essential part of our operation and do a lot in advertising the work of the Shrine.

While I am up here, Imperial Sir, I have a little presentation I should like to make to you.

I have had this little caricature made of you to just say to you that we in New Jersey and Jake in particular feel that you have been an outstanding Noble and particularly one of the finest Imperial Potentates I have ever had the pleasure of working with.

Now, I hope that what we have tried to capture here in this caricature you will place somewhere in your home where you will be able to view it once in a while.

Chester, good luck and thank you for your many acts of courtesy during the year. (Presentation of Caricature and applause ensued.)

IMPERIAL POTENTATE HOGAN: Thank you, Imperial Sir, Jake. You are very kind and I will never forget this as long as I live. You have all been so wonderful to work with.

(There follows below the complete report of the Shrine Rooms Committee:)

REPORT OF THE SHRINE ROOMS COMMITTEE

To the Representatives of the 95th Annual Imperial Council Session, A.A.O.N.M.S.:

As each year passes the popularity of the Shrine Rooms grows. These magnificent rooms, three in number, provided and maintained by the Imperial Council located in the George Washington Masonic National Memorial, in Alexandria, Virginia, are a major attraction to the thousands who visit the Memorial each year. In fact, during the past year 77,595 persons, including 1,858 persons from 69 foreign countries, signed our register. Where else is the Shrine so much on display?

The Shrine Rooms Committee met four times during the past year. All meetings were held in the Memorial itself and each was well attended. All business at hand was discussed and appropriate actions taken.

At one of these meetings we were honored by the presence of Most Worshipful Brother John H. Hessey and Most Worshipful Brother Marvin E. Fowler, President and Secretary-Treasurer respectfully of the George Washington Masonic Memorial Association. Matters of mutual interest were discussed. We were informed that the Shrine Rooms cannot be air conditioned at this time due to both the lack of money and the lack of electric power. Some question was raised as to moving the Shrine Football Hall of Fame to the Memorial, but no sufficient space was available. Brother Hessey, citing the rising cost of operations, inquired if the Imperial Council could increase their annual payment to the Association. The Committee's recommendation on this will show later in the report.

During the year the following additions and improvements were made: All three rooms were painted; Ten dioramas of various hospitals were refurbished and four more will be in the very near future; The large display case in the Imperial Room, that houses the valuable jewels and memorabilia was equipped with tempered glass and double locks. The pictures of the members of the Imperial Divan will be moved to the Shrine Room (middle room) as soon as an appropriate showing can be arranged.

A beautiful matched set of scimitars, for use on the altar in the Imperial Room, was received as a gift from the Patrol of Medinah Temple.

During the period June 1, 1968 to May 31, \$24,803.00 was spent on the rooms. The majority of this money covered salaries, rent, telephone and incidentals. The committee foresees no unusual additional expenditure for the next period. We do unanimously agree that the annual payment to the Association should be increased from \$2,400.00 to \$5,000.00 and we have so recommended to the National Board. Such increase be made retroactive to January 1, 1969.

It has been a genuine pleasure for your committee to administer the Shrine Rooms during the past year.

NOBLE JACOB A. WINGERTER: Imperial Sir, I move the adoption of the report of the Shrine Rooms Committee.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: Now, Nobles, I understand that Noble Hopkins from Hadji Temple wishes to make a report.

NOBLE J. B. HOPKINS (Hadji Temple): Imperial Sir, Imperial Sirs and Nobles all: First of all, let me say that I am not now the Potentate. However, I have been looking forward to comments made by you. It seems that the hour is late and I did have a 30-minute speech to give to you. However, I find that I now cannot use this speech.

Nevertheless, I feel we ought to do something to recognize the only Temple here that has all of its Past Potentates — the youngest and the oldest and probably the most outstanding Potentate we have ever had, present here — and, of course, that's me. (Laughter and applause.)

I think we ought to do two things.

You know, it was very well timed that our forefathers, in the planning of this country, came forth with the greatest document in existence, the Declaration of Independence, some 193 years ago. Now, that is only 192 years older than Hadji Temple and I thought we ought to have a "Happy Birthday" for us. (Laughter)

Now, I know you all want to get going but I do want to express appreciation to the Northwest here for its hospitality. However, before leaving the podium, I do want to take a minute and tell you a story.

The day before yesterday, after a party, at which there were some inebriated individuals, I got by tuxedo dirty. In fact, the elbows were quite dirty and this, in turn, caused my wife to believe that there may have been some frivolity and games on the floor. Well, there really were but not what she thought. However, the cleaners took my suit and then called me back the next morning, this nice lady, and said, "We did your tuxedo, did you get it all right?" I replied, "Yes, ma'am, why do you ask?" She said, "We found something in the pockets." I said, "Throw it away." She replied, "We were going to send it over to you." I then asked what it was and she replied, "It's a hundred-dollar bill."

Well, I don't have so many hundred-dollar bills that I would not have missed it. However, I said to her, "Thank you for your honesty and keep it because I never knew I had one in the first place." Well, the final upshot of it was that she said she could not do anything but return it to me, which she did.

Now, the reason I mention this to you is that this place is across the street from the Hotel and I would like everybody to patronize them. After all, a person that calls me and tells me I left a hundred-dollar bill in my suit and then argues with me about taking a ten-dollar tip or something of this order, I think is an upright and honest individual. Therefore, I am grateful and I wanted to share with you all these wonderful things we have heard today.

Also, since we received our Charter, I believe you will agree, from the results we have shown you, that we have worked hard and that we grew, on a percentage-wise basis, greater than any other Temple in North America in our first year. I think this speaks of accomplishment on our part.

Thank you, Imperial Sir, for allowing me these few moments.

IMPERIAL POTENTATE HOGAN: I have to agree with them, I think this new Temple did a great job last year. (Applause)

I would now like to call on Imperial Sir Woody Bennett for the report of the Headquarters Building Committee.

NOBLE W. W. BENNETT: Imperial Sir, Imperial Sirs and Fellow Representatives: With regard to our Headquarters Building this year, let me say that we cleaned it and painted it and would like to report to you that it is in excellent condition.

Also, last year you will remember that we had an offer with regard to purchase of the property. Well, we met with a committee of the prospective buyer but they made no further offer to us. Therefore, at least for the moment, the matter is tabled. There is nothing actually new to report. Tentatively we have no intended purchaser. Therefore, I would like to leave that with you as a matter that is presently in status quo.

That concludes my brief report, Imperial Sir, and I would like to move for the adoption of this report, or the acceptance of the report.

(The motion to accept the report was severally seconded, voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: Thank you for that very brief report.

I now want to recognize our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, I want to make one comment to the Representatives and that is this—we are certainly grateful to each and every one of you for your cooperation in helping push this Session along. The Imperial Potentate has transacted a tremendous amount of business and the only reason we have been able to do it in the limited hours we have had available is because of the genuine cooperation of the Representatives.

Now, I have two reports.

One is the report of the Imperial Recorder-Secretary. I want you to know that this report is contained within the Book of Reports which was mailed to each of the Representatives and I would therefore move that the report be adopted.

(The motion was severally seconded, voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: I believe that our Imperial Recorder-Secretary has further business.

(Business was transacted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE HOGAN: I believe that our Imperial Recorder has another item of business he would like to bring to your attention.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives, three years ago, the Imperial Council voted to have a similar seminar for the Temple Officers in connection with the date just previous to the Shrine Directors' Association meeting. You will recall that the last one was held in Houston, Texas and that was in the administration of Orville Rush as Imperial Potentate. George Stringfellow was Chairman of the Committee that developed and produced this seminar and it was reported on the floor of the Imperial Council following this, apparently this was tremendously successful in disseminating information to newly-elected Temple Officers. At that Imperial Council Session the motion prevailed on the floor of the Imperial Council that a similar session be held each three years.

Now, the next one is to be held previous to the Shrine Directors' Association meeting at Shreveport, Louisiana. This will be the end of March. The meeting of the Directors is on March 30th and 31st. It is not in conflict in any way with the Shrine Directors' meetings but, of course, all of the Shrine Directors are welcome at this session.

The reason it was put at the time of the Shrine Directors meeting was in order to conserve expenses of the Temple. For the most part, Temples send their Potentates and perhaps others of their Officers, the Recorders, to the Shrine Directors' meeting and in order to keep from spending a double amount of money and sending them to a seminar held someplace at a different date, the Imperial Council decided three years ago it was most economical in relation to the books of the Temples to do it at this particular time.

That seminar will come under Imperial Potentate Baker. He is planning the program, planning his Committee and all of the things incident to the seminar session. We have already looked over the hotel situation at Shreveport and find it can be done without any conflict with the Shrine Directors' Association.

This is merely an announcement telling you that your instructions of three years ago will be carried out by Imperial Potentate Baker.

(Business was conducted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE HOGAN: We will now listen to the Chairman of the Finance and Accounts Committee, Bob Vetter.

NOBLE BOB VETTER: Imperial Sir, Imperial Sirs and Imperial Representatives: Your Committee on Finance and Accounts will give you six reports — three for the Iowa Corporation and three for the Hospital Corporation.

You found in your registration envelope our report for 1968 of the Imperial Council and the Hospitals. Your Imperial Officers want you to understand these budgets. Therefore, they request that we make available any information you desire.

You will recall that a motion was passed at the last Imperial Council Session reading as follows:

"That we do make copies of these budget figures as read and that they be presented to the Representatives before the report is given next year."

This poses a problem for the reason that the budget for the current year is adjusted in committee meetings immediately prior to, as well as during, this Session; therefore, I would like to propose an amendment to the previous motion.

Imperial Sir, I move that the motion which was passed at the Session of the Imperial Council in July, 1968, regarding the presentation of budgets for the Imperial Council and the Shriners' Hospitals, be amended as follows:

"That the Finance and Accounts Committee be instructed to prepare their report covering departures, revisions and adjustments to the previously approved budgets, in time to submit to the Imperial Recorder for inclusion in the annual 'Book of Reports,' which is distributed to all representatives, prior to the Imperial Council Session."

(The amendment was severally seconded and, there being no discussion, was voted upon and carried.)

NOBLE VETTER: Your Committee reports on the Iowa Corporation budgets as follows:

The departures from the Revised Budget for 1968:

Revised income was budgeted at \$1,088,400. Actual income was \$1,120,748, an increase of \$32,348. Increase in interest on investments of \$29,034 and proration of building expenses of \$4,286 represent the principal changes.

Items of actual departure or increase in expenditures from the Adjusted Budget were:

General Counsel — travel	\$ 287
Public Relations — travel	709
Imperial Divan	70
Committee and Meetings — Special Committees	2,155
Total Departure	<u>\$ 3,221</u>

Revised expenditures were budgeted at \$919,197; actual expenditures totaled \$797,994. Savings were effected in the total expenditures in practically all of the accounts as follows:

Imperial Recorder's Office	\$ 261
Imperial Treasurer's Office	1,279
Data Processing — principally because conversion costs and salaries were much less than anticipated	39,247
General Counsel	250

Public Relations — principally because supplies and expense were \$14,459 less than budgeted	14,795
Administrative	7,005
Building Operations	8,479
Other — principally because of Donation to Order of DeMolay being \$10,000 instead of \$20,000 as budgeted	11,954
Imperial Divan	3,652
Committee and Meetings — principally because membership was \$4,747 instead of \$20,000	21,248
Imperial Council Session	6,999
Contingency Fund	9,255
Reduction in Expenses	\$124,424
Less: Departures	3,221
	<u>\$121,203</u>

These total savings of \$121,203, plus the increase in income of \$32,348, resulted in an excess of income over expenses of \$153,551 from the amounts stated in the budget for the year 1968.

The fund balance as of January 1, 1968, was \$2,467,275. Income of \$1,120,748, less expense of \$797,994, left a balance at year end of \$2,790,029.

Your Committee recommends approval of the adjustments made to the Revised Budget and of the actual departures from said Adjusted Budget for the year 1968.

Respectfully submitted,

COMMITTEE ON FINANCE AND ACCOUNTS

Everett H. Trunk, Moila Temple

Imperial Sir, I move the approval and adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: It has been moved and seconded that this portion of the report be adopted. Is there discussion?

NOBLE HAROLD C. CLOSE: I have a point of information.

On page 21 of the 1967 figures, it shows that the Treasurer received \$8,600. The figure for 1968 is reduced to \$2,800. Now, I thought probably the difference had been transferred to the Iowa or Colorado Corporation but I cannot find the Treasurer's salary in the Colorado Corporation. Can this be explained?

NOBLE BOB VETTER: You will find that in 1968 that one-third of the Imperial Treasurer's salary was in the Imperial Council, Iowa Corporation, and two-thirds in the Colorado Corporation. Therefore, if you will take the item of \$2,833 and multiply it by three, it will give you \$8,500, the Treasurer's salary.

IMPERIAL POTENTATE HOGAN: In other words, his salary is \$5,000 and expenses are \$3500. This makes the \$8500.

Is there further discussion on this motion for approval of this budget? If not, I will put the question.

(Whereupon, the motion to adopt the report was voted upon and declared to be carried.)

NOBLE BOB VETTER: I would now like to present to you the suggested budget for 1969 for the Imperial Council, Iowa Corporation.

The suggested Budget for 1969 for the Imperial Council, A.A.O.N.M.S., Iowa Corporation, which you approved at our last Imperial Council Session was revised at the Mid-Winter Session of the Board of Directors, and further revised upon consultation with the Imperial Potentate, the Deputy Imperial Potentate, the Imperial Recorder, the Imperial Treasurer, and the Auditor, has been reviewed by your Finance and Accounts Committee, and we report the revised budget as follows:

A copy of this report will be reported in detail in the record of these proceedings.

Estimated income for 1969 of \$1,134,500.00 exceeds the total budget estimated expenses of \$1,127,628.20, for an indicated surplus of \$6,871.80. The principal item of change from 1968 Budget is increase in Mileage and Per Diem of \$220,000.00.

We now submit for your consideration and approval the Revised Budget for 1969.

Respectfully submitted,

NOBLE BOB VETTER: Our present budget only makes provision for the allocation of funds, and for expenditures, through the year 1969. In order to have funds available, and a system of expenditures for the first part of 1970, we must have a tentative budget for 1970, for which we need your approval. Next year at the Imperial Council Session, the budget for 1970, as revised, will be presented for your approval. We therefore, present at this time, the tentative budget for 1970 which is based upon the 1969 budget, as revised:

Estimated Income	\$1,146,350.00
Estimated Expenses	922,358.20
A possible Surplus of	<u>\$ 223,991.80</u>

The principal difference between the 1970 tentative budget and the 1969 budget is the reduction of estimated expenses by reason of the lower cost of the 1970 Imperial Council Session which will be held in Indianapolis, Indiana, more centrally located than Seattle, Washington.

Since the 1970 tentative figures are based upon 1969 operations, we have not included a detailed classification of all items, and these will be included in the Revised Budget for 1970 which will be submitted for your approval next year.

Respectfully submitted,

COMMITTEE ON FINANCE AND
ACCOUNTS

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives, I have a Resolution.

"Resolved, that we approve and ratify all of the acts and transactions of the Imperial Officers, the Board of Directors and others for the Iowa Corporation for the past year as well as those taken at this Session."

I would so move, Imperial Sir.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried.)

IMPERIAL POTENTATE HOGAN: George, does that complete all of the business?

NOBLE GEORGE M. SAUNDERS: Imperial Sir, that is all I have on my desk.

IMPERIAL POTENTATE HOGAN: Very well. I believe at this point we come to the Installation of the new Imperial Officers. I hope that all of you will remain and witness the Installation.

At this time I am going to call on Imperial Sir O. Carlyle Brock and Imperial Sir Gardiner Wilson, Jr. to proceed with the Installation Ceremonies. I will now turn the gavel over to Imperial Sir O. Carlyle Brock.

(Past Imperial Potentate O. Carlyle Brock now presiding.)

PAST IMPERIAL POTENTATE BROCK: Will the assemblage come to order. Will you kindly give your attention to the Installation of the newly-elected Imperial Officers for the coming year.

I will ask the Imperial Potentate and the Imperial Officers-Elect, in accordance with the By-Laws, to assume the Oath of Office. You will say, "I," pronounce your name in full and repeat after me as follows.

(Whereupon, the Imperial Officers-Elect assumed the obligation of office conferred by Past Imperial Potentate Brock.)

Imperial Sir, Chester A. Hogan, Immediate Past Imperial Potentate, you have just completed a great year of service not only to the Shrine of North America but to the Masonic Fraternity and to humanity in general.

Imperial Sir Woody Bennett is now going to present to you your Past Imperial Potentate's Jewel.

NOBLE W. W. BENNETT: Imperial Sir, it gives me extreme pleasure to present this Jewel to you to wear as a man, a Mason and a Shriner. You have been a great leader and I know that you will do honor to this Jewel.

(The Representatives arose and applauded as the Jewel was presented to Imperial Sir Hogan.)

PAST IMPERIAL POTENTATE O. CARLYLE BROCK: Imperial Sir, I am sure that you will continue your good works, not only with the Shrine of North America but with the various branches of Freemasonry. I am sure, at this time, that you would like to say a word here before we proceed with the Installation.

PAST IMPERIAL POTENTATE CHESTER A. HOGAN: Thank you, Imperial Sir, O. Carlyle Brock. I do want to say a few words.

I do want to express my sincere thanks to the Imperial Officers who have served with me. It was a joy and a great experience to work with them as Imperial Potentate during the past year.

Again, I likewise wish to thank the Nobles of the Shrine of North America for all the courtesies shown me during the past year. I sincerely hope that we have made some progress towards the goals which I set at the beginning of my year.

Also, in closing, may I wish for my successor, J. Worth Baker and his corps of Imperial Divan Officers, a most successful year.

Thank you very much. (Applause)

PAST IMPERIAL POTENTATE BROCK: I would like to ask Imperial Sirs Warren Weck and Fred Morrison to come forward.

(Imperial Sirs Weck and Morrison presented themselves before Noble Brock.)

PAST IMPERIAL POTENTATE BROCK: We now officially welcome you to the Imperial Family and I assure you that after the long journeys of campaigning, which have been

arduous and strenuous but, I am sure, most enjoyable, that the friendships that you have made will be beyond price and that through the years, as they pass, may you preserve them all and add to them for this is the only wealth and the only reward that will come for service.

I think of an old professor who used to remind us of the adage that between sunrise and sunset are two golden hours, each set with sixty minutes. No reward is offered for their loss and they are gone forever.

The years ahead will pass like ships in the night, all too quickly. You will wonder where they have gone when you arrive at the dock with such amazing rapidity and surely I know that you will waste none of the precious hours or minutes in cultivating the friendship of your Brother Nobles and preparing for the great Office and the honor which comes to you.

You will acquire in this Imperial Family brothers and sisters who will be as close to you as your own family, love and affection of people that will stay with you throughout your life. May your hearts be happy ones. May they be as happy as those of mine and I am sure and hope and pray that they will not pass too quickly for you.

Welcome, thrice welcome. Your Brother Nobles, I am sure, are proud of their selections. (Rising applause.)

And now to you, Imperial Sir J. Worth Baker, the long road which you have continued in the years has now come to the final year and as the months and weeks and days tick away, I hope that you will enjoy them to the fullest and that the Nobility will enjoy you as much as they have those great leaders who have gone before you.

I think very vividly of a cartoon I saw some years ago, of an actor emerging upon the stage and, truly, you are emerging upon the stage of your Shrine year, and in the audience were two great giants and a little child. One of the great giants was applause, the other criticism and the little child, silence. I hope that the applause outnumbers the criticism and that there will be little silence in your year as Imperial Potentate because, surely, you have been an active individual and we have a real dynamic and active Imperial Potentate.

I think of the words which say—"Look to this day, for yesterday is already a dream and tomorrow is only a vision."

Look to this day, Worth Baker. Live every one of them and enjoy them and as your ideals carry you forward and, as you go forward, remember these words—that ideals are like the stars, you do not reach out and touch them with your hands but, like the seafaring man on the desert of waters, having accepted them as your guide and following, surely they will lead you to your destiny.

This is your day, Worth Baker. Your destiny lies ahead. Your destiny is wrapped up in this great Imperial Council, in the Masonic Fraternity, in the tenets you so love and serve and have served so well.

To me, you have been like a brother down through the years, one of the most trusted members of my Imperial Divan. I wish you Godspeed this year. May yours be the most cherished year.

And now, Imperial Sir, I would like to call upon Imperial Sir Harold Lloyd, who is going to present you with your Imperial Potentate's Jewel.

PAST IMPERIAL POTENTATE HAROLD LLOYD: Thank you, Imperial Sir Carlyle.

To you, our newly-installed Imperial Potentate, let me say it is a great privilege, believe me, to be able to add to the words of our splendid Past Imperial Potentate, O. Carlyle Brock.

I really believe, Worth, you are going to give this high position fine leadership; you are going to, I am sure, use fine judgment, wisdom and, also, I am sure that you will lead this great philanthropy with great justice.

This is a very famous Jewel. It has been worn by many famous individuals in the past, wonderful Imperials. Therefore, it is with a great joy that I now present it to you.

In pinning this Jewel on you, I know that you will carry on in the same tradition as your great predecessors have done in the past.

Thank you very much for this honor. (Applause)

PAST IMPERIAL POTENTATE BROCK: Now, Imperial Sir, Chester Hogan will remove the three stars and add more stars to your crown.

PAST IMPERIAL POTENTATE HOGAN: Imperial Sir Baker, our new Imperial Potentate, it is a special privilege to place this Fez upon your head because you and I have been very close and very dear friends over the years.

Worth, it is wonderful to have this privilege of putting this five-star Fez on you at this time. God bless you.

(The Representatives arose and applauded as the five-star Fez was placed upon the head of Imperial Potentate Baker.)

PAST IMPERIAL POTENTATE BROCK: The man of the hour, the man of destiny, and before I pass this gavel over to you I want to welcome John Jefferson to this official family as your new Imperial Chaplain. He is a dedicated Mason and will serve you well this year.

Our Past Imperial Chaplain will now pin the badge of authority upon his successor.

REVEREND RANDALL LARSON: You know, I am getting instructions from five or six different voices of authority here. (Laughter) Nevertheless, I shall pin this jewel, which is a symbol of authority, on the new Imperial Chaplain.

I would say that the past year has been a great one. These men have been difficult to keep in line, let me assure you. (Laughter) However, John, I do turn over to you a crew of wonderful Masons. They are a fine bunch of fellows and I know that I present to all of you a fine successor, John Jefferson.

(Presentation of Imperial Chaplain's Jewel and applause ensued.)

PAST IMPERIAL POTENTATE HOGAN: Imperial Sir and Imperial Sirs and Representatives: It is my special privilege to present to my Imperial Chaplain during the past year this Past Imperial Chaplain's Jewel.

Randy, may I say to you that without you this year it would have been real lonesome. You are a great and wonderful Chaplain, the best.

(Presentation of Past Imperial Chaplain's Jewel and applause ensued.)

PAST IMPERIAL POTENTATE BROCK: Nobles, Imperial Sir Robert Gardiner Wilson, Jr., Installing Marshal, will now make the Proclamation.

PAST IMPERIAL POTENTATE WILSON: By virtue of the authority in me vested, I hereby declare the Officers of the Imperial Council of the A.A.O.N.M.S., for 1969-1970, duly and regularly installed.

PAST IMPERIAL POTENTATE BROCK: Imperial Potentate, behold your Nobles; Nobles, behold your Imperial Potentate and as I present him his gavel, give him the proper salutation.

(The Representatives again arose and applauded as the gavel was presented to Imperial Potentate Baker.)

IMPERIAL POTENTATE J. WORTH BAKER: I am overwhelmed with the support you have so unselfishly given me through the years and to have elected me to this greatest honor in our great Fraternity. I have every reason to feel very humble and very grateful to you for your wonderful loyalty and friendship.

At this time I will call on our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Let me say that immediately after the adjournment here, the Board of Trustees and the Board of Directors, commencing at one-thirty, will meet in the Colonial Room.

(Business was transacted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE BAKER: I would now like to recognize our Imperial Recorder, George M. Saunders, for the announcement of committee appointments.

NOBLE GEORGE M. SAUNDERS: The Imperial Potentate announces the following appointments. Let me first say that this is only a partial list of the appointments. The others will be coming out in General Orders throughout the year.

IMPERIAL POTENTATE BAKER: Nobles, I am going to call on our Imperial Chaplain but before recognizing him I wish to tell you a little bit about John Jefferson.

He is a Past Master of his Lodge in Indianapolis; he is a Past Grand Master, Grand Lodge, State of Indiana and presently Grand Treasurer of the Grand Lodge. He is a 33° Mason. He is a Past Grand Chaplain of the Grand Lodge, State of Indiana and a Past International Grand Chaplain, Order of the DeMolay.

I am proud to give you a life-long friend, John Hamilton Jefferson, for the Benediction.

IMPERIAL CHAPLAIN JEFFERSON: For the beauty of the earth, for the glory of the skies, for Thy love, which from our birth, over and around us lies, Lord of all, to Thee we raise our prayer of grateful praise.

We do thank Thee, O God, for the blessings that we have shared during these days. We are grateful for the leadership of this great Order and for its great concern for the children of our land and other handicapped.

We ask Thy divine blessing upon the one who has been chosen to lead and direct the activities of this year ahead and for all those associated with him in this great and noble enterprise.

And now, as we come to the concluding moments of this Session, we thank Thee for all the joys that have been ours, for the inspiration of this hour and, as we depart, may we go in peace and, until we meet again, may the Lord bless us and keep us, may the Lord make His face to shine upon us and be gracious unto us. May the Lord lift upon us the light of His countenance and grant us His peace, both now and forevermore. Amen.

IMPERIAL POTENTATE BAKER: Fellow Nobles, thank you for remaining for this Installation Ceremony. I am looking forward to visiting with all of you again and to know you better. I wish all of you a great year. I am sure we are going to have it. Have a happy Fourth of July.

This Ninety-Fifth Imperial Council Session is now adjourned.

(The Ninety-Fifth Annual Session of the Imperial Council, A.A.O.N.M.S., adjourned at 12:25 o'clock p.m.)

ANNUAL REPORT OF GEORGE M. SAUNDERS
IMPERIAL RECORDER, A.A.O.N.M.S.

JANUARY 1, 1968 TO DECEMBER 31, 1968

*Imperial Potentate, Officers and Members of the
Imperial Council, A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the Imperial Recorder's Office for the fiscal period January 1, 1968 to December 31, 1968, both dates inclusive, are respectfully submitted by your Imperial Recorder.

The report of the Imperial Auditor showing complete information on all receipts in the Central Office and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the Central Office, has been submitted and your attention is directed thereto.

The election returns of the 170 subordinate Temples reflect that there were at January 1, 1969, Representatives to the Imperial Council as follows:

	<i>Total Number*</i>	<i>Total Votes</i>
At Large	12	12
Ad Vitam	18	17
Emeritus	89	69
Elected	677	677
Total		775

*Includes Duplications

At the end of our last calendar year, the Temples Annual Reports showed a total of 863,065 Nobles on the active rolls of Membership. Permanent Contributing Membership Certificates were held by 129,601 Nobles, which relieved them of paying the Annual Shriners Hospital Assessment.

The net gain in total Shrine Membership for the year 1968 was 5,779 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 67 Temples report a loss in membership, and 2 remain the same, with 101 Temples reporting gains over the previous year, some of which are extremely small.

The constructive work of the Imperial Officers who devote so much of their time to all the Masonic Bodies as well as the Shrine, has meant much to our success throughout the year and grateful appreciation is

expressed to all of them. Imperial Potentate Hogan deserves the thanks of all Nobles for a job so well done.

To all Temple Recorders and their staff members I want to express my sincere thanks for their splendid co-operation and dedication to Shrine service. A cordial welcome to the work is extended to the many new Recorders who have entered this field of service to their Temples.

The staff of the Office of the General Counsel deserves sincere thanks for the excellent manner in which they have handled the multitudinous details of legal work that flows through the office. Noble Paul Ibach has handled the details of the legal work in a splendid manner, and our compliments are extended to Noble Clarence Phillips who has directed the work of the department since last July.

The work of the Publicity Department has progressed splendidly under the direction of Noble Robert Sconce who came to us in this work from Afifi Temple at the election of Imperial Potentate Chester A. Hogan. Noble Sconce has brought to our work his years of experience and knowledge in this field of endeavor and the success of our public relations and publicity program reflects forward strides because of this. Our thanks and appreciation is extended to him.

My sincere thanks to Nobles Lewis K. Molnar who is in charge of the Accounting Office; Don Peirce, Date Processing Office; and Charles G. Cumpstone, Jr., Assistant to the Imperial Recorder. I am grateful to each of you.

This report cannot be concluded without a public thanks and appreciation to every one in the Central Office who has done so much to keep the work flowing smoothly through the office. They are all a great part of the success of the activity through their own loyalty, dedication and effort for the organization. They each deserve the very best in commendation for a job well done and the Shrine has grown in the minds of the public through their efforts.

Membership is a subject that is uppermost in our minds as we close the year's work. Each Temple is urged to devote more time and effort on developing a gain in membership. We are nearing our Centennial Year as a fraternal organization and we must apply more effort if we are to reach the million Nobles at that time.

"EACH ONE BRING ONE"

is not at all impossible if all Temples will "organize, delegate and supervise" the work of their Nobles. Every Noble can either bring in one new member by taking the petition of his friend into a Lodge and following him through to the Shrine *OR* get the petition of one who is now eligible for the Shrine *OR* secure a Noble by affiliation who lives in the area and is carrying a demit from his former Temple, *OR* secure a Noble by reinstatement who has been suspended by the Temple. See that they are all given something to do in Shrine work because busy Nobles are happy Nobles.

"EACH ONE BRING ONE"

Shrine work is our work and we take great pride in the dedication of our staff to all the details of helping Temples with their problems. We are happy to lend our help in improving our image with the public as well as with our Masonic Fraters.

ES SELAMU ALEIKUM

Cordially yours in the Faith,

GEORGE M. SAUNDERS
Imperial Recorder

We have examined the balance sheet of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine (an Iowa Corporation) as of December 31, 1968 and the related statements of income and expense and fund balance for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of income and expense and fund balance present fairly the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine at December 31, 1968 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

1. Accounts receivable:

Accounts receivable consist primarily of dues receivable from the sub-ordinate Temples. These dues were assessed on December 31, 1968.

Included in the annual dues of \$1.10 per capita is \$.10 which is designated for the annual session and amounts in total to \$86,307.

2. Land, building and equipment:

These assets are carried at cost as follows:

Building, 323 North Michigan, Chicago, Illinois.....	\$623,652
Furniture, fixtures and office equipment.....	58,078
	681,730
Less: Accumulated depreciation	211,902
	469,828
Building site	205,000
	<u>\$674,828</u>

The board of directors authorized the establishment of a depreciation reserve fund, with additions to be equal to the annual depreciation charge for the National Headquarters building. Expenditures for major repairs to the building are made from this fund.

3. Retirement plan:

Payments to a non-contributory retirement plan during the current year amounted to \$3,222. The retirement plan is currently fully funded in sufficient amount to liquidate and cover all retirement benefits for the length of service as to each employee. Appropriations for this purpose have been approved from time to time by the representatives. The current year expense actually represents 1967 cost as the liability for 1968 cost has not yet been determined.

4. Due to Shriners Hospitals for Crippled Children:

The amount due Shriners Hospitals for Crippled Children is the net of collections of hospital assessments from the sub-ordinate Temples, less amounts due for building rent and building operation charges.

5. Rental income and proration of building expenses:

The Shriners Hospitals for Crippled Children pay rent on the National Headquarters Building amounting to \$50,000 annually and in addition, bears a portion of the operating expenses of the building.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station:—

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLE PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present. The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

2. Imperial Officers other than the Imperial Potentate (by rank).
(One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
(Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of.....
Temple,(City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found on pages 6 to 12 inclusive of the 1966 Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Moroccan Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

(a) The proposal to move the location of the Temple must be in writing, signed by at least 100 members of the Temple, setting forth the details of the proposal. It must be presented to the Potentate.

§ 323.2 **Petition, form.** Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3 **Prerequisite for membership.**

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

1967 Proceedings, p. 83. Expulsion of a member by his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

§ 323.4 **Residence.**

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 **Balloting.**

(a) Subsequent to a report on a candidate's petition, the ballot

is passed, and if less than 3 black balls appear, he is elected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership, he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his

Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

§ 323.9 Suspension or Termination of membership.

(a) Rights of membership in a Temple are suspended by:

323.11

BY-LAWS (IOWA)

(e) A demit, when granted, is effective for all purposes as of the date of the filing of the written application therefor with the Recorder of the Temple.

§ 323.11 Suspension for nonpayment of dues.

(a) A Temple may not carry a member on the books who is more than 2 years in arrears. The Temple must either suspend him or remit his dues.

(b) Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(c) A Noble may be suspended for nonpayment of dues in the following manner:

(1) He must be notified by first class mail that he is in arrears;

(2) He must be given an opportunity to be heard;

(3) He must be admitted to the Temple for this purpose even though he is in arrears; and

§ 323.13 Life Membership. Life Membership may be granted for meritorious service or upon payment of the fee prescribed in § 332.6.

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

any Noble, as a compliment, by a majority vote, but this membership confers no rights or privileges.

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

(b) The issuance of annual membership cards to honorary members is prohibited.

ARTICLE 28

Temple Jurisdiction and Waivers

§ 328.1 **Sovereign.** Each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ 328.2 **Extent.**

(a) Unless otherwise determined in Part IV of these By-laws, the territorial jurisdiction of each Temple extends in all directions to $\frac{1}{2}$ the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected.

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

§ 328.3 **Change in jurisdictional lines.**

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

(b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so.

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

§ 328.7 Where Temple may hold ceremonials.

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

§ 328.8 Affiliation by demit. The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

ARTICLE 29

Dispensation for New Temple

§ 329.1 Requirements.

(a) Dispensation for a new Temple may be granted only by the Imperial Council after a petition is filed.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to the restriction in (c).

(e) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

§ 329.2 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder

at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues

and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ 329.6 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ 330.2 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character

thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.

(6) Unless a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The \$5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE—IMPERIAL COUNCIL

On January 1st, each Temple owes sixty cents per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. For Temple Life Members, past Potentates, and delinquent members, a charge is made to Account 600, and a credit is made to this account at the end of the year to clear up the charges set up at the beginning of the year. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 207: DEFERRED REVENUE

The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 27th day of the 10th month, Shauwal, 1389 (marked 99 in red) is the 7th day of January, 1970 (also marked 99 in red).

What day in the Mohammedan year is May 21, 1970?

Finding May 21, 1970 in the Gregorian calendar it is found to be marked 233 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 14th day of the 3rd month, Rabi-ul-Auwal, 1390.

Now, waiving all formal ceremonies, we are open for business.

AFTERNOON SESSION

THURSDAY, JULY 3, 1969

ONE-FORTY O'CLOCK P.M.

The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened in the Grand Ballroom, Olympic Hotel, Seattle, Washington, on July 3, 1969, at 1:40 o'clock p.m., Imperial Potentate Chester A. Hogan presiding.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE HOGAN: At this time we are going to hear from the Chairman of our Shriners Hospitals for Crippled Children on the national level. I now call upon Past Imperial Potentate Harold Lloyd for his report.

NOBLE HAROLD LLOYD: Imperial Sir, Imperial Sirs, Past Imperial Sirs, Present and Past Grand Masters, Dignitaries, Representatives of this Ninety-Fifth Imperial Council Session: This week we have had the opportunity of being exposed to the splendid hospitality of the great Northwest, in the City of Seattle, where, if you have the time and the mind, you can fish, hunt, swim, ski, and go boating, and you name it — all in a magnificent setting that nature has provided for us.

Along with this, you have been allowed to listen to the music of the Shrine Bands, see the Parades with their colorful units and the clowns that delight the children and also the adults. It has been a wonderful week.

Now, I believe you feel as I do, that Masonry and the Shrine have flourished in the soul of freedom — and, as in Masonry, also in Shrinedom, I have found myself surrounded by men of good will, full of the joy of living.

We are here today, of course, as delegates and officers to carry on the work of this magnificent organization.

As Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, it has been my privilege each year to come before this body with a report on our status and our progress in the functioning of this great humanitarian endeavor which

we all rightfully believe is one of the world's greatest philanthropies — and I am sure we are proud of the harmonious spirit that has existed and the way everyone connected with our Hospitals has worked so hard on their behalf. Naturally, we're proud and happy for the number of unfortunate children that we have been able to help.

I might add that the report each year, almost without exception, is one filled with accomplishment, with optimism and certainly with dedication.

This past year has been a most interesting year in the long and glorious history of Shriners Hospitals for Crippled Children. It has been an eventful year of achievement and has added more jewels to a magnificent crown of glory unparalleled in the restoration of helpless children.

We look back with great pride on the November 2nd, 1968 dedication of the Boston Unit, Shriners Burns Institute, where the participants were notable and the public acclaim most gratifying. The Boston Unit is now open and operating since the completion of the construction in Boston. This Unit takes its place with honor in our international program that is truly one of the most rewarding philanthropies.

On a more recent note, impressive cornerstone laying ceremonies were held June 1, 1969 for our new Hospital in San Francisco. Work is progressing well and occupancy is scheduled for the Spring of 1970. May I add that this was an extremely impressive ceremony because of our Imperial Potentate, Chester A. Hogan, along with scores of Shrine and public dignitaries was joined by the Grand Master of California, Robert A. Crigler, along with all of his Grand Lodge Officers in the ceremony of laying this cornerstone.

Also, the San Francisco Unit has started a special pilot program for the care of spina bifida cases and the 7-bed Intensive Care Unit includes 3 beds for the newborn. This interim study went into effect in early June and it will make for a smooth transition to the new building when it is completed. It is anticipated that the entire cost of construction will be covered by the amount of proceeds of the East-West Games received down through the past years.

Another memorable chapter involves the Erie Unit, where needed renovations are in progress to greatly improve their facilities. Renovation is also under way at Galveston, where the Unit needed a rearrangement of space.

Further, the Springfield Unit is under renovation, which will be completed by July of this year, making it a much improved facility.

Also an important field where we show strength is in our public relations work. Thanks to the National Hospital Evaluation Committee, some very valuable information was compiled. Out of this has come our first Imperial Council Public Relations Code and a Manual for all Units to follow in this vital work.

Again, let me repeat an observation I made last year, that it is important to note that continued emphasis this year was placed on broadening the base of all our Hospitals, making them teaching units as well as highly specialized centers for patient care and treatment. This dual role lends a unique and important characteristic to our Shriners Hospitals that helps assure a maximum complement during the foreseeable future.

A problem of difficulty we are having at the present time is the spiraling cost of our Hospitals and this trend of operational costs is going to exceed the present income, which we certainly must curtail and avoid. One of the reasons for the large increase in cost of operations in the Units is because of spiraling cost of professional and nursing salaries in our Hospitals, a part of which is due to the ever-increasing living costs throughout the country.

I am sure you know that one of our objectives is the modernization and the rehabilitation of all of our Hospitals as they are needed, an objective that the Shrine is very proud of because it helps us to be able to give the wonderful individual and personal care that a child receives in these Hospitals — these magnificent temples of mercy that make them so different from other hospitals.

I should like to point out that we have improved our services, improved our techniques to the point where the patients' stay in our Hospitals is much shorter than in past years. Our rate of turnover provides a report that shows we do much more work and handle many more cases in a given time than ever before.

I am also sure that most of you know that the tremendous cost of research in the Burns Hospitals far exceeds the research in the Orthopedic Hospitals. I should also

like to repeat that we are carrying or materially aiding over 6,000 children every year — 6,000 reasons for taking a renewed pride in the Red Fez we wear.

At this time I should like to express, on behalf of our Joint Board of Trustees and Directors and, in fact, for all of our Nobility, our sincere appreciation to the dedicated people who staff our Hospitals and also to our local Boards of Governors, and a special salute to the Chairmen of these Institutes. It is a personal privilege to express my thanks to the men I work with so closely on our Joint Board of National Trustees and Imperial Directors. I am grateful to them for their experience and great knowledge of our benevolent cause. All of these men are completely dedicated in helping little crippled children.

Also, to all of our most important committees — the Investment Committee, the Finance Committee, the Insurance Committee, the Study Committee, the Budget Committee, the Rules and Regulations Committee, the Salary, Personnel Retirement Fund Committee, the Jurisprudence and Laws Committee, the National Shrine Hospital Day Committee, the Shrine Football and Athletic Committee, the Medical Records and Research Committee, and so many others who have rendered their service to the great satisfaction of all deserve our thanks and gratitude.

Also, an extra "Thanks" to the Building Committee, who have been working doubly hard this year because of an extended program we have had in relation to new hospitals and rehabilitation of many of the older ones.

To all of these fine committees and their outstanding Chairmen, a special tribute.

Certainly, thanks to the Imperial Treasurer, Thomas Melham, for his devotion and tireless efforts to that important office.

I wish to extend thanks to the expanded Wills and Gifts Committee, work which has provided seminar sessions in different areas of the country and brought a great knowledge of need to Temple Officers and Temple committees. We will be hearing from its splendid Chairman, Walter C. Guy, later in the Session.

Also an appreciation to our National Secretary and Imperial Recorder, George M. Saunders. I am personally indebted to him for the tremendous help he has given to me and my office as National Chairman. I believe that George can always be relied upon to perform the duties of his office in a most excellent manner.

I also wish to express gratitude to all of the fine Nobles and Chairmen who are greatly responsible and give so much of their time for our wonderful football games, circuses, basketball games, baseball games, horse shows, dances, and just about every other form of wonderful promotion that have helped to bring millions of dollars to our Hospitals in the last several years.

I also wish to offer a most appreciative "Thank You" to our Executive Administrator, Miss Eleanor Baird, whose knowledge of all of our Hospitals is tremendous and her outstanding reports to all of our Board members regarding the conditions that exist in all of our Hospitals.

And to our Surgical Advisory Board and its Chairman, Dr. Carroll B. Larson, who has brought to this office a vast knowledge, both medical and administrative. Also a double thanks for the splendid service he is rendering in the office of Executive Medical Director.

Another "Thank You" to the exceptional guidance and advice that Dr. Guy Caldwell has given in the office of Honorary Chairman of the Surgical Advisory Board.

Also a big "Thanks" to all of our doctors in all of our Hospitals, especially to our Chief Surgeons, for their experience and dedication.

Appreciation is likewise due to our General Legal Counsel, Clarence Phillips, for the fine work he has done for the Shrine this year. I also feel that the Shrine is indebted to Mr. Paul Bach for his legal services on its behalf.

I am most happy for this opportunity at this time to express my gratitude and indebtedness for the cooperation that I have received from our Imperial Potentate, Chester A. Hogan. He has been a most popular Potentate and everywhere he goes people seem to love him. His work in this great office this year has been exceptional and all Shrinedom can be proud of the leadership that he has given to our great Shrine organization. (Applause)

Naturally, I am looking forward to working with our incoming Imperial Potentate, J. Worth Baker. This Noble is a very personal friend of mine, with many talents to bring to this Office, and I am sure will carve his own special niche, rendering service to our Ancient Arabic Order.

And at this time I should like to join with all the Nobility in thanking you gentlemen, the Delegates to this Ninety-Fifth Imperial Council Session, for your many, many efforts and contributions in regard to the great altruistic work the Shrine has been carrying on these many years.

Gentlemen, as you are aware, we have, these last few years, seized upon a rare opportunity to do something for mankind. To the best of my knowledge, once again the Shrine has been a forerunner these past few years, as we are the only Hospitals, three Burns Institutes to be exact in the country, dedicated solely to burns in children. We shall continue to seek answers to the question, "How best can a severe burn be treated?" And, as answers are found, we will share them with the medical profession so that people everywhere might benefit from the knowledge we gain.

I believe that each of us can be exceptionally proud and experience a great feeling of accomplishment in the name of humanity as the result of the miracles that are made to happen in our Hospitals. Our benevolent work is truly, "The soul of the Shrine."

I believe we grow stronger each year — our accomplishments become more outstanding and our public image is increasing in brilliance. We have so much for which to be thankful and so much yet to do. Each succeeding year allows us to gain greater glory in the administering of help to little crippled children. For this, let us all be thankful.

Thank you, gentlemen, for your patience this afternoon in listening to my report. (Rising applause.)

I have one other note and that is that I am sure that our Joint Board would like to join with me in expressing your deep sadness on the passing of Walter Seeger, a man who occupied this chair, as Chairman of the Board of Trustees. Walter, I believe, was a Trustee for at least some fifteen years. I don't think any man on this Board has ever contributed more than Walter Seeger and, of course, we also recognize the passing of our beloved Chick MacGregor. His life was cut short in the middle of all his activities and he gave so much of himself to Shrinedom and to the great philanthropic cause that we all carry on. These gentlemen are going to be a great loss and will be sorely missed.

Now, a matter has come to my attention that several Nobles have asked about. However, before we bring that up, Imperial Sir, perhaps we have now first arrived at that wonderful moment. This is a moment which I think is one of the finest — the traditional one in relation to which there have been a number of contributions to be forwarded at this time. I know we are not going to be left standing here empty-handed because two or three of the boys have already indicated to me they have something to present.

Now, Nobles, we will do this informally. We will ask you to use the microphone down here in the front and I wish you would line up quite informally and then, when you speak, first give your name and Temple and then follow this with your brief remarks.

IMPERIAL POTENTATE HOGAN: Noble Lloyd, I have here a check for \$2,500 for the Shriners Hospitals for Crippled Children from the Association of Oriental Bands.

I have another check from the Ararat Temple Potentates for \$500 credit to be given to the R. C. Royals Donation.

Then, last but not least, the Shrine East-West Game, Islam Game, \$280,136.

Chairman Harold, these are the ones I have for you.

(The checks were tendered to Noble Harold Lloyd.) (Applause)

NOBLE HAROLD LLOYD: I certainly thank you for these tremendous donations. Now, who has the next check?

NOBLE ROGER WILLIAMS (Palestine Temple): I am Roger Williams, Potentate of Palestine Temple in Rhode Island.

I am pleased today to be the first to approach the podium because Palestine Temple enjoys the position of being the first Temple in America to establish a program for

crippled children. Our R. B. Francis Lawton Home, I believe, was the design upon which the Imperial Program was founded.

We are pleased to present to you today, Illustrious Sir, a check for \$20,000 from the 2500 members of Palestine Temple and we are happy to announce this follows contributions of \$35,000 that have transpired since our last Session. It is the beginning of \$100,000 that I shall deliver before my term expires.

I should like to introduce our young member, Herman Lippman, Jr., who last week celebrated his 85th birthday and 60th year as a member of Palestine Temple, to deliver this check to you, Imperial Sir.

NOBLE HAROLD LLOYD: Thank you, Noble Williams. You warm the cockles of my heart, I can assure you of that. We are happy to receive this donation to be delivered to me by Noble Lippman.

Who is next?

NOBLE RAY H. SCHMIDT (Hadji Temple): Imperial Sir, I am the Potentate of Hadji Temple, the baby Temple at Pensacola, Florida.

While our check this year is not too large, it does represent a great deal of effort and, as our Grand Master of Florida said this morning, we are determined and come hell or high water we will have more next year.

We have to present to you a check in the amount of \$1250.50.

NOBLE HAROLD LLOYD: Noble Schmidt, I am sure we all realize your contribution and, of course, we are happy to get this amount of money. We realize the amount of effort it takes. In fact, it takes just as much time and effort to get this amount as it may larger amounts and we certainly thank you and ask that you carry back our thanks and appreciation to your Nobility.

NOBLE ISAAC M. BILSKY (Al Chymia Temple): Imperial Sir, I am Isaac Bilsky, Potentate of Al Chymia Temple.

It is my privilege and pleasure, on behalf of the Temple and in honor of one of the dearest Shriners we all know here, who is familiar to many of us in this room, to present this check. It is presented in honor of our oldest Past Potentate, oldest living Past Potentate, John B. Vesey. We made a presentation just a couple of weeks ago to him representing 60 years as a member of our Temple and, as you all know, he is with us again this year.

NOBLE HAROLD LLOYD: Thank you very much, sir. I have a special warm spot in my heart for Al Chymia because that is where I went into line and had a great time there. Of course, John Vesey belongs to all of us and we are most grateful.

Let me announce that this check was in the amount of \$8500.

NOBLE ROBERT A. KAISER (Ismailia Temple): I am Robert A. Kaiser, Potentate of Ismailia Temple, Buffalo, New York.

This is a great honor for me because in the history of Ismailia Temple we have never gotten in line here at the Imperial Session. This is the first time we have ever gotten up here. Of course, we cannot compete with some of you people that have been doing this for many years.

We have had many projects. In fact, we just built a new Mosque and haven't had any circuses for many years. However, two years ago we started up again and this year we are getting back on the trail. I hope you will see us in line from now on with larger checks.

We have \$1500 to present and get started with and, Imperial Sir, I hope you will see us back here often.

NOBLE HAROLD LLOYD: Thank you, Noble Kaiser. That was a check for \$1,500. Thank you very much.

NOBLE JOHN SATTERSTROM (Khiva Temple): I am John Satterstrom, Potentate of Khiva Temple, Amarillo, Texas.

Imperial Sir, in addition to our donations to the Burns Institutes, I have a check for \$14,022.92, a portion of our Shrine Bowl Game.

NOBLE HAROLD LLOYD: Thank you very much, Noble Satterstrom. That was very thoughtful of you.

NOBLE ERNEST C. ELWOOD (Islam Temple): Imperial Sir, I am Ernest C. Elwood, Junior Past Potentate of Islam Temple.

Imperial Sir, Imperial Sirs and Representatives, I am most happy to present today a check of the net proceeds of the 44th Annual Playing of the Islam Shrine East-West Football Game in the total amount of \$280,136. (Applause)

Imperial Sir, I should also like to add for the record that this 44th Game just about equates to a total contribution of over \$6 million from Islam Temple for Shriners Hospitals for Crippled Children. Thank you, sir.

NOBLE HAROLD LLOYD: Thank you, Noble Elwood.

Did you hear that amount, gentlemen? It was \$280,136. This is very gratifying, gentlemen. Keep up the good work.

NOBLE ELVIN C. STENDELL (Islam Temple): Imperial Sir, it is my pleasure again to announce that we have some other contributions from Wills and Bequests totalling half a million dollars.

Earlier this year I presented a similar amount to our Imperial Sir Chic Hogan and it is my great pleasure to do the same again. These wills and bequests, as you know, are the very lifeblood of the Hospital. I think our Wills and Bequests Committee has done a tremendous job — how about yours? Thank you very much, sir.

I also invite all of you to come to our 45th Game on December 27th.

NOBLE HAROLD LLOYD: Thank you very much, what was the amount, George?

NOBLE GEORGE M. SAUNDERS: It was a half-million dollars.

IMPERIAL POTENTATE HOGAN: Wait a moment. The way I understood the officers down there in January, it was \$547,000.

NOBLE HAROLD LLOYD: Did you hear that, gentlemen? I don't think we need to repeat that. That is magnificent.

Who is next?

NOBLE J. K. DAVIS (Kalif Temple): Imperial Sir, I have a check here for the sum of \$10,500 which was presented to me to give to you through Kalif Temple from the Imperial Turtle. (Laughter) This happens to be \$20,000. The Imperial Turtle has given to the Crippled Children's Hospitals in the last five years. I am happy to present this check to you, Imperial Sir.

NOBLE HAROLD LLOYD: I thank you for that magnificent amount — \$10,500 from Illustrious Potentate Davis.

NOBLE LEONARD K. WRIGHT, JR. (Bahia Temple): Imperial Sir, I am Leonard Wright, Past Potentate of Bahia Temple, Orlando.

It is my pleasure to present to you and certainly a privilege to be able to add a contribution as the result of our Third Annual Paper Day Sale in the amount of \$15,000.

In addition, Sir, we have started a program, as you are aware, of furnishing orange and citrus concentrates to our Hospitals. We have spent to date some \$10,000 on that program.

It is indeed a privilege and a pleasure to present this check to you from Bahia Temple.

NOBLE HAROLD LLOYD: Thank you very much, Illustrious Sir. That was in the amount of \$15,000. We are certainly all very grateful to you, for this check and for your efforts in behalf of our Hospitals.

NOBLE ROBERT J. WALKER, JR. (Al Sihah Temple): Imperial Sir, I am Dr. R. J. Walker, Potentate of Al Sihah Temple, Macon, Georgia.

I would ask your indulgence and also ask all of the Nobles of Al Sihah Temple who are within the sound of my voice to please stand for we need each other to keep the faith.

From their hands and from the hands of 3500 more Nobles of Al Sihah Temple, I present this offering to you. Of course, we know that this \$2500 is merely a material thing. However, we also know that those who give of themselves give the most and we dedicate ourselves to humanitarianism, charity and brotherhood. Thank you, Sir.

NOBLE HAROLD LLOYD: Illustrious Potentate Walker, and all your goodly group, we thank you so much for your contribution of \$2500.

NOBLE ROBERT L. LEEDS (Oleika Temple): Imperial Sir, I am Robert L. Leeds, Chief Rabban, Oleika Temple, Lexington, Kentucky.

The check I am about to present in dollars and cents in no way approaches the magnificent amounts of many of the other contributions but the reason behind this makes me proud to present this to you.

This is a check for \$500 as a result of a bequest under the Last Will and Testament of one of our fine members. This man was a member of our Marching Patrol and for many years he dedicated and gave of himself to our Hospital on Sundays and other days. He wanted his death to be remembered. His name is William L. Frost. Therefore, I present this check to you.

NOBLE HAROLD LLOYD: Illustrious Chief Rabban, as I said before, it is the effort and the thought that is put in for this philanthropy of ours that counts. We thank you very much for your fine donation.

NOBLE C. LETCHER NEWCOMB (Kazim Temple): Imperial Sir, I am Letcher Newcomb, Chief Rabban, Kazim Temple, Roanoke, Virginia.

I am happy to present to you this afternoon a check in the amount of \$125,381.71 from Kazim Temple. (Applause)

NOBLE HAROLD LLOYD: Thank you very much for that fine presentation. That, fellow Nobles, is \$125,000-plus. Thank you very much.

NOBLE TOM C. RAUM (Midian Temple): Imperial Sir, I am Tom C. Raum, Potentate of Midian Temple, Wichita, Kansas.

I have four checks for you.

The first is from our Midian Chanters in the amount of \$35.

From the Midian Bowling Club in the amount of \$150.

NOBLE HAROLD LLOYD: Thank you, Illustrious Sir.

NOBLE JOHN H. OAKES (Zem Zem Temple): Imperial Sir, I am John H. Oakes, Potentate, Zem Zem Temple, Erie, Pennsylvania.

This is the first time that Zem Zem has ever had the privilege of coming before you with a presentation of this kind. Last week we presented \$1,000 for a building fund of the Erie Unit over in the Hospital. Today I am proud to present a token gift of \$1,000 to the building fund of the Erie Unit of the Shriners Hospitals. As soon as our audit of the Circus is completed, you will receive the balance, which also should be several thousand dollars. Thank you very much.

NOBLE HAROLD LLOYD: We are very grateful to you and your Temple, Illustrious Sir.

NOBLE KERMIT MCINTYRE (Osiris Temple): Imperial Sir, I am Kermit McIntyre, Potentate of Osiris Temple, Wheeling, West Virginia.

I am proud to present to you this check of the proceeds of our Shrine Circus for \$7,316.05.

NOBLE HAROLD LLOYD: Thank you very much for your fine contribution.

I have with me Richard C. Sterling, Potentate of Mount Sinai Temple and Potentate Welland S. Horn of Cairo Temple.

We have a check for \$18,000 of which we presented \$6,000 to Montreal, \$6,000 to Springfield and the balance to the Burns Institute. It is not a real lot but, nevertheless, we are proud of our accomplishments.

NOBLE HAROLD LLOYD: I wish to thank all three of you. Illustrious Sirs. We are very proud of you and, of course, that is some \$18,000 that we also are most happy to receive.

NOBLE FREDERICK J. TILLEY (Luxor Temple): Imperial Sir, my name is Frederick J. Tilley and I am Potentate of Luxor Temple, St. John, New Brunswick, Canada.

I am very proud to be able to present to you this check for \$5,000 which was made possible by the bequest of a beloved Noble, the late Norman Frazer.

NOBLE HAROLD LLOYD: Thank you, Illustrious Potentate, Fred. This is most gratefully received.

NOBLE ROGER E. NOOE (Araba Temple): Imperial Sir, I am Roger G. Nooe, Potentate of Araba Temple, Fort Myers, Florida.

Although a young Temple and small in numbers, we have a big heart and this year we have contributed over \$10,000 to the Crippled Children's Hospitals through various means.

We inaugurated an exhibition baseball game between the Kansas City Royals and the Atlanta Braves and I have here a check for \$2837.60 as a result of that Game.

NOBLE HAROLD LLOYD: Nobles, I wish to thank you very much for these splendid contributions.

NOBLE LLOYD C. BLAIR (Tangier Temple): Imperial Sir, I am Lloyd C. Blair, Potentate of Tangier Temple, Omaha, Nebraska.

In our State we have three Temples and I have with me today the Illustrious Potentate of Tehaema Temple, Tom Crisman, and Illustrious Potentate Ervin E. Peterson of Sesostris Temple of Lincoln, Nebraska, where our North-South Shrine Bowl Football Game is played in the Stadium each year. This has been going on now for the last ten years.

We are honored and privileged today to present to you the proceeds of the 1968 Game in the amount of \$70,000. We are in the process at this time of organizing and selling the tickets for our 1969 Game to be held in August, on August the 24th, and we will be over the \$700,000 mark after this Game. NOBLE HAROLD LLOYD: That is absolutely terrific, thank you very much. We really appreciate this.

NOBLE REGINALD D'ALTON (Karnak Temple): Imperial Sir, I am Reginald D'Alton, Potentate of Karnak Temple, Montreal, Quebec, Canada. This is one of the ten smallest Temples in Shrinedom.

NOBLE JOE SAWYER (Karem Temple): Imperial Sir, I am Joe Sawyer, Potentate of Karem Temple, Waco, Texas.

This is our first year in line here to make a contribution to the Hospitals. This would not have been possible at all except for our Immediate Past Potentate, Stanley Jaroe, who I will introduce to you at this time. Our gift this year is for \$4,444.37.

Also, Imperial Potentate, knowing your effort in connection with working with the Blue Lodges, let me say that part of this gift is made up from contributions from members of our Blue Lodges.

IMPERIAL POTENTATE HOGAN: Harold, do you mind my saying something about this Noble? They go through a great big deal down there on Christmas Day — the North-South Game. You certainly do it great down there.

NOBLE HAROLD LLOYD: Thank you very much. We are most happy that the Smoky Mountains use that much paper, believe me. (Laughter)

On behalf of the 2600 happy and contented members and from the proceeds of our annual football game, we present \$3100 plus a few cents in change and let me also

say we will be back. We are now in the process of distributing tickets for our September game and we hope to be able to double this at a later date.

NOBLE HAROLD LLOYD: Illustrious Sir, let me say that we are most grateful to you for your \$3100-plus.

NOBLE WARREN H. FAKE (Rajah Temple): Imperial Sir, I am Dr. Warren H. Fake, Potentate of Rajah Temple, Reading, Pennsylvania.

This is our eighteenth consecutive year that Rajah has held the college Pretzel Bowl Game, which has amounted to approximately \$30,000 per year given to the Shriners Crippled Children's Hospitals. Today, including this contribution, Rajah Temple has contributed \$460,000, close to half a million dollars. We hope to reach the half-million-dollar mark and over probably within the next two years.

Therefore, it is with pleasure that I give you this check for \$30,000.

NOBLE HAROLD LLOYD: Thank you, Illustrious Potentate Fake, for your \$30,000. We are grateful for it, and of course, we are all pulling for you to reach the half-million-dollar level.

NOBLE HAROLD LLOYD: Thank you very much.

NOBLE ELMER P. BROMLEY (Al Malaikah Temple): Imperial Sir, I am happy to announce that we deposited into the Endowment Fund of the Los Angeles Unit, Shriners Hospitals for Crippled Children, net proceeds of our seventeenth annual Football Game amounting to \$91,340.

NOBLE HAROLD LLOYD: Thank you, Elmer. I know how hard you boys have worked on your project and it is a marvelous football game, the same as the others we have around the country. Believe me, \$91,000 is an excellent contribution and is gratefully received.

NOBLE JOHN M. TERRY (Omar Temple): Imperial Sir, I am John Terry, Potentate of Omar Temple, Charleston, South Carolina.

The gentlemen with me are the Potentates of Hejaz, Sudan and Oasis Temples.

Speaking in behalf of the Illustrious Potentates and all of the Nobility of these four great Temples of North and South Carolina, from the Shrine Bowl of the Carolinas, it is indeed an honor and it gives me a great deal of pleasure to present to you for our Crippled Children's Hospitals, this check in the amount of \$400,000. (Applause)

NOBLE HAROLD LLOYD: Gentlemen, let me say that is indeed really a feat. I think that is a highwater mark. I am sure all of you Nobles heard that figure. Thank you very, very much. That is certainly tremendous.

NOBLE J. G. WILSON (Kosair Temple): Imperial Sir, I am Jack Wilson, Recorder of Kosair Temple from Louisville, Kentucky, home of beautiful horses and fast women. (Laughter)

NOBLE HAROLD LLOYD: Of course, there is nothing wrong with that. (Laughter)

NOBLE WILSON: Although I do not have the checks with me today, I would like to report that in the last year we have turned over checks to Shriners Hospitals for Crippled Children in the amount of \$5,000 — distributed as follows: \$1,000 from Kosair Temple; \$500 in the form of a will and \$3500 which was contributed by the International Association of Fire Chiefs, which had their International Convention at Louisville at this time last year. I should also like to add that this \$3500 contribution should grow because this is to be an annual contribution. (Applause)

NOBLE HAROLD LLOYD: Thank you, Noble. \$5,000, gentlemen, is what they have contributed.

I will now recognize our Treasurer, Imperial Sir Thomas W. Melham, who wishes to be heard.

NOBLE THOMAS W. MELHAM: Imperial Sir, if I may, pride of my own Temple prompts me to report that Tripoli Temple has earned \$55,000 net as a result of its

annual Packer-Bear Game in Milwaukee. This is a third of the profit. This \$55,000 brings our total contribution, equally divided between the Twin Cities and Chicago Units, to over \$500,000.

NOBLE HAROLD LLOYD: Thank you, Illustrious Sir, Tom. That is \$55,000. That is certainly a tremendous amount of money you have raised thus far.

Now, is this the finish of our contributions? I don't see how we can keep on going much longer. Gentlemen, I don't know what the total is but we will have that for you shortly. In the meanwhile, let me again express my deep and sincere thanks to all of you.

IMPERIAL POTENTATE HOGAN: In behalf of our National Chairman, Harold Lloyd, and your Imperial Potentate, may I say that I am grateful to all of you for these wonderful contributions and the fine work you are all doing for Shriners Hospitals for Crippled and Burned Children. God bless you and thank you a lot.

PAST IMPERIAL POTENTATE HAROLD LLOYD: Now, Imperial Sirs, to get back to the matter I spoke about and which several of the Nobles have inquired about, an activity that we call third party pay.

Let me first say I did not bring this up in my report because it is more or less of a sort of trial horse that we are going through and has to do principally at the present time with one of our Canadian Hospitals at Winnipeg. They have been a little in distress with regard to the point of receiving or getting patients. There are many reasons for this, one of the principal ones which is Medicare. As you know, Medicare has been going on for a long time in Canada, way ahead of us, and I think at this time I would like to call on, because is very conversant with every phase of this that we are working on, the Chairman of our Study Committee, Past Imperial Potentate, George Klepper. I would like him to give you a little of the background with regard to third party pay.

PAST IMPERIAL POTENTATE GEORGE KLEPPER: Thank you, Mr. Chairman.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles and Representatives: This morning I was approached by the Imperial Sir in reference to the fact that he had received inquiries about third party pay and also the Chairman had some inquiries about third party pay.

Now, Representatives, I realize you have been here for a long time and I have no prepared paper on this matter because we did not know that it would be requested or that we would have to make reports in reference to this matter. Therefore, if you will bear with me and permit me, I would just like to tell you as briefly as I can the facts that we are confronted with with reference to third party pay.

This matter carries us back to July of 1966. We received a letter from the Administrator of the Winnipeg Unit to the effect that they had no patients on the census and that the Hospital was only about half-filled with patients and that it was necessary to take some drastic action or she would be unable to keep the staff together in the Hospital.

Now, when this happened, there was a Special Committee appointed which consisted of Dr. Larson, Dr. Saltier (who was on our Committee), Dr. Caldwell, Harold Lloyd, George Saunders, Marsh Porter, Mr. Ibach and myself, and we went to Winnipeg and spent three days there. We went entirely over the situation with reference to the Hospital there.

You must bear in mind they adopted an insurance program which technically made no indigent children in that area and you also must bear in mind that the Winnipeg Unit is in an area that is not particularly highly populated—it is an area where we have the proposition of moving the children a long distance.

Now, confronted with these facts, we found our Hospital was suffering from lack of census. Therefore, we tried several propositions during these three days. We discussed many angles on what we could do. We finally conceived the idea of working out a plan such as we use in our three Burns Centers, that is, a plan to tie in our Hospital to the medical school of Manitoba.

On the second day that we were there, we met with the Dean and the head of the University and the head of the Department of Orthopedics and discussed the possibility. We found that they were very anxious to have a connection where they would have enough patients in a hospital that they could qualify in reference to the requirements

of the Medical Association as a teaching institution. That is, where the orthopedic doctors that were being trained could have enough patients in one hospital so that the school in the hospital could qualify under their requirements. Therefore, they were most cooperative and most anxious to try to work something out.

Bear in mind that the doctors there are paying under an insurance program operated by the Province. Therefore, it was necessary to make an Affiliation Agreement which would be approved by the Board of Trustees.

This has been up before the Board at our mid-winter meeting in 1967 and 1968 and there was an Affiliation Agreement approved. There were eleven orthopedic doctors on the Board at Winnipeg, at the School of Manitoba, and there are only fourteen orthopedic doctors in the whole Province. Of those eleven, nine of them were anxious to affiliate with our operation there in the Hospital and would be willing to bring their patients into our Hospital.

In bringing their patients to our Hospital, they would be entitled to take third party pay for their services. They were receiving and are receiving third party pay in other places.

As a pilot experiment, we adopted that program at Winnipeg.

Now, we have not been able to get it completely under way because it is necessary to refurbish our operating room there and also complete a second operating room within their facilities that we never have completed. We also need another room for these patients after operation. These things were required and they are standard and we are in the process of having that done and we hope to be able to bring a report to you within a year that this experiment is under way and is in operation.

Now, while this was going on, many of you who have been back here through the years know we took two additional Hospitals into the Orthopedic Chain, one in Houston, Texas and one at Erie, Pennsylvania.

I want you to bear in mind that the use of the term "Hospital" is incorrect. Neither one of these institutions were hospitals — they were actually convalescent homes. There had never been an operation performed in the Houston Unit insofar as I know as the records show, and I am likewise certain that is true in connection with the Erie Unit. Operations were performed in hospitals and the patients were brought there for convalescence.

In relation to the Houston Unit, when we took it over, the Hospital had been operated by the Temple there, Arabia Temple and every patient in the Hospital was a welfare patient. There were no Shrine patients that we have any records of insofar as the records disclosed the patients taken over.

We were faced with the proposition of either closing the Hospital until we could make a Hospital out of it or continue the operation that was then in existence at Arabia Temple.

They asked there if we would let them continue the proposition of third party pay to the doctors on the patients that we handled in the Houston Unit, which is now being put into a form of Hospital and will be, I am sure, for our next annual meeting, in full operation as a hospital. However, until that is done, the patients practically are welfare patients. We will, of course, get Shrine patients into that Hospital as soon as we have it in operation.

Now, this is not any criticism of the situation in Texas because prior to that the crippled children were sent to the Scottish Rite Hospital at Dallas and they did work to get their patients and they kept their hospital full. However, after our Hospital is completed there we will have Shrine patients.

It was necessary to use third party pay in Houston before we could actually operate it in any way and it was also true in the Erie Unit. Those are the three Hospitals that we are using third party pay in.

I might say that we are not yet at Winnipeg but we will as soon as we get everything prepared there to satisfy the medical staff of the University.

Now, there may be some questions. Let me also add that the question of third party pay came up in reference to the San Francisco Unit because we put the Spina Bifida Section in there, which calls for a lot of additional medical attention other than orthopedics and so this involved the proposition of enlarging our staff and putting

men on that staff that could do the work. However, they are not using third party pay but they requested it and it has been discussed before the Board of Trustees and the Board of Directors.

I don't want to burden you with this but I hope I have explained it to you. It may not be clear but I do want you to know that we have a problem.

Title XIX provides for health and care of every crippled child in the United States and every State has adopted that program on the basis of income to families from \$2700 up to \$3,000 in some States.

Our records indicate that six years ago approximately 50 per cent of our patients were referrals from orthopedic doctors, coming in and recommended originally from a doctor because that doctor had the patients, the patient was indigent, the Shrine had the facilities and so he referred them to us. However, today this same doctor can take that same patient to the hospital within his own city and be paid for performing the necessary operations. Therefore, we have a completely different situation facing us.

Our Imperial Potentate this year discussed with many of your Temples the proposition about the necessity of having an organization within your Temple to work on the proposition of census for those Hospitals within your area where you send your patients. I want to stress the importance of doing this very thing because we are unable — that is, the Study Committee, to do this alone. Of course, we have done a tremendous amount of work. Every man on the Committee has donated his time and devoted a lot of his time to this particular work and trying to find the answers here.

I have to confess to you that we really do not know the answers. We do not know what the eventual effect will be but I can assure you of one thing — that the Shriners Orthopedic Hospitals will continue to operate. They will continue to give the best service available and we, the Shrine, will keep them full of patients.

This is the way the Study Committee feels about it and if there are any questions from anyone, if I am able to answer them, I shall be happy to do so. (Applause)

PAST IMPERIAL POTENTATE HAROLD LLOYD: Thank you, Imperial Sir.

I believe at this time that Bob Turley wishes to speak on the subject.

NOBLE ROBERT TURLEY: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Fellow Representatives: I hope that I speak in behalf of every Representative here when I express to the Board of Trustees, to its Chairman and to Imperial Sir George Klepper our appreciation for the candor with which the Board of Trustees, through George Klepper, explains to us the problems which the Shrine Hospitals face. Now, Imperial Sir, George, I have three questions to ask. I think I know the answers but I want to be sure about them.

Am I correct in believing that our Hospitals themselves are not accepting either third party pay or pay patients?

PAST IMPERIAL POTENTATE GEORGE KLEPPER: That is correct. The only hospitals which are, are the three I mentioned. There has, however, been authority given by the Board of Trustees to Dr. Larson to select two other Hospitals to try to work this out and see if third party pay could be put into operation that would be successful. However, please bear in mind that this has not been done without the knowledge of the Hospitals themselves.

When we had our meeting in December pertaining to all of the Administrators and the Doctors and the Board Chairman of each Hospital, these things were all discussed and it was indicated that we were seeking a situation of seeing that this could be successful worked. We had requests from Hospitals where they wanted us to try it out but it has not been tried out in any of the other Hospitals and there are none at the moment that are set up where they are authorized to do what you are saying. Does that answer your question?

NOBLE ROBERT TURLEY: Let me ask you this — is the practice of admitting patients of staff doctors who themselves accept third party pay for their own professional services on an experimental basis only in these three Hospitals that you have mentioned?

PAST IMPERIAL POTENTATE GEORGE KLEPPER: There is only one that applies and that is at Winnipeg. Now, in Winnipeg, the open staff or extended staff as it

should be called will only be an additional staff for orthopedic doctors. There are doctors in the room, I am sure and you know, when you associate with a hospital, that you have to agree to bind yourself to following the prescribed rules and regulations of the profession within that Hospital. Therefore, you generally have one person who calls the shots insofar as that is concerned within the hospital—namely the Chief of Staff.

We made an agreement, which was approved by the Board of Trustees, with the Manitoba Medical School on affiliation of members of burns. Then we made an agreement that any of the doctors that associated themselves with the Shrine Hospital in Winnipeg would be bound by the rules and regulations of the Shrine and our Rules and Regulations provide there will be no exceptions.

The only place there will be a deviation but not an exception is that when a doctor who is on the staff calls the Administrator and says "Do you have a room?" and the Administrator says "Yes, we have a room," then the doctor, knowing the rules and regulations, knows this must involve an indigent patient. He also knows that the patient must be under fifteen years of age. He then brings his patient to the hospital and that patient occupies the bed. Then, immediately, the history of the patient is taken. All of this, as I say, is in the agreement. The history is taken and then the Board subsequently passes on it. At the time they meet, whether it is once a week or any other period, they pass upon the application. Now, if that child, for any reason, does not qualify, the Rules and Regulations provide that the doctor must remove the child from our Hospital and place it in a regular hospital.

Those are the only agreements we have in reference to this proposition because in Houston and in Erie we have to continue the operation that has been going on through the years until we are in a position to operate a Hospital in those two areas.

NOBLE ROBERT TURLEY: I think, Imperial Sir, you may have answered the second and third question both—that is to say that even in the Hospitals where this experiment is being tried, every patient taken in, whether sponsored by a Shriner or admitted on application of the staff doctor, has an application which is ultimately submitted to the Local Board of Governors for its approval?

PAST IMPERIAL POTENTATE GEORGE KLEPPER: That is absolutely correct.

NOBLE ROBERT TURLEY: Imperial Sir, just one other thing.

I would like, if I may, to ask this Convention simply to pledge to you and to the Board of Trustees that when we go back to our Temples and to our Cities and to our States we will begin to beat the bushes for patients for these Orthopedic Hospitals in order that these problems can be solved—in order that these Hospitals which we have and love and support, can be utilized to their fullest and that this Convention pledge to you and to the Board of Trustees its continued confidence and support. (Applause)

PAST IMPERIAL POTENTATE HAROLD LLOYD: Thank you, Bob. We appreciate that immensely.

Are there any further questions in relation to this matter?

NOBLE WILLIAM E. MATTISON: I would like to address this to Imperial Sir George Klepper.

I would like to ask the definition, Sir, as to the difference between a welfare patient and a Shrine patient.

PAST IMPERIAL POTENTATE GEORGE KLEPPER: Well, Bill, all we know is that when we took over the records of the clinic, every patient we could find was processed by Dr. Smith, who was head of the Welfare Department of the area there at the time and they were all paid patients. Now, on the other hand, I am sure there were some sponsored prior to that time and I know there have been some sponsored since. However, that is the situation we found at the time we went into the clinic.

NOBLE WILLIAM E. MATTISON: Now, I haven't been on the Board down there since the Imperial Council took it over but, as I recall it, we pass on the application just as it is done in the Burns Institutes insofar as a Shrine-sponsored child coming to the Hospital is concerned.

PAST IMPERIAL POTENTATE GEORGE KLEPPER: I know, Bill, you are doing it now. I know that is correct.

NOBLE WILLIAM E. MATTISON: And the operations, of course, are being performed adjacent to our Hospital, in the Herman Hospital.

PAST IMPERIAL POTENTATE GEORGE KLEPPER: That is correct.

NOBLE WILLIAM E. MATTISON: At any rate, my group said we ought to set the record straight, at least some of them, because the fact is that we are operating in the Hospital down there and we did want some information with respect to welfare patients as compared to a Shrine patient. Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: Nobles, Bob Turley of the J&L Committee made a motion, do you understand the motion?

(Cries of "No.")

IMPERIAL POTENTATE HOGAN: Will you come up here, Bob, and again explain and present it.

NOBLE ROBERT TURLEY: I asked, and I put it in the form of a motion, that I think this Convention should express its appreciation to the Board of Trustees and to the Study Committee for what they are doing and pledge the Convention's support to the solution of this problem of patient census, and express its confidence in the Board of Trustees.

I move you, Sir, that this be done by acclamation.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: It has been moved and seconded. All in favor indicate by saying "Aye," opposed "No." The motion is carried.

I will now recognize Imperial Sir Carlyle Brock.

PAST IMPERIAL POTENTATE O. CARLYLE BROCK: Imperial Sir and my fellow Representatives, I should like to clarify the situation insofar as the Erie Unit is concerned.

Since and before the take-over by this Imperial Council, all patients there have been Shrine patients. We pass upon them all by a committee each week and sometimes more often. We accept no third party pay at the Hospital. The Shrine receives no insurance or other pay in the Erie Unit.

Our Chief Surgeon receives a salary of \$3,000 a year, which is far less than that received by the Chief Surgeons of other hospitals. However, if there is any insurance money or any welfare money, then the surgeon and the hospital where we have our operating done are free to accept that so far as it goes, and then the Shrine pays the balance because, at the moment, our operating is done, until our building is completed with our own operating facilities, at the Hammet Hospital. Therefore, the Erie Unit does not accept any third party pay—it is only accepted by the operating hospital or the chief surgeon, if it is available and if it is not available, then it is not accepted and the Shrine makes up the difference.

IMPERIAL POTENTATE HOGAN: Thank you, Carlyle.

PAST IMPERIAL POTENTATE HAROLD LLOYD: Thank you, Imperial Sir Carlyle Brock. (Applause)

If there are no further questions we shall proceed.

NOBLE ROBERT RAINEY: I am Dr. Rainey, Potentate of Moolah Temple in St. Louis.

It has been my privilege to have served as a non-voting member on the Board this year and we have heard discussion regarding third party pay and other types of pay and it brought to mind to me a number of years ago when I was first appointed in the Line and started attending our circus parties, hearing Harvey Beffa say that the Shrine Hospitals were the only hundred per cent charity that he knew of. In other words, we supported entirely the cost of operation of our Hospitals.

Now, we are accepting, or at least considering and experimenting with third party pay and I understand it is national policy, for example, that if we accept an orthopedic child with a foot deformity and, let's say, we treat him as an out-patient and, let's say, the family has enough money to pay for his orthopedic shoes, we now have a policy of requiring that family of the child to pay for his corrective shoes. To me, why do we accept the patient if we don't do the whole job? (Applause)

PAST IMPERIAL POTENTATE GEORGE KLEPPER: Dr. Rainey, I don't know that you directed any particular question to me. However, I might say that one subject I did not touch on and which might be of some interest to all of you is that we have made a survey of all our patients in our Hospitals. This runs about a thousand patients on an average and we find at this time, and this survey was made between sixty to ninety days ago, that 62 per cent of our patients have some type of insurance. Now, most of that insurance is fringe benefit insurance in reference to the union association of the father or mother. We have discussed (and this could come under the category of third party pay) and there is a school of thought which thinks it is wrong to give the insurance companies a free ride which, of course, we do when we take these patients.

However, in reference to the proposition of experimenting with this program, we are experimenting in Winnipeg to work out a program there because we feel it is the only solution.

Now, in reference to Houston and Erie, as I explained to you, the doctors are taking money but if I let the inference come about that the Shrine was taking money, I did not mean to leave that inference. I know that the Erie Unit is getting some referrals from Temples in the area but these doctors on the staff there are taking third party pay. They asked for it and we gave it to them.

Houston asked for it and we gave it to them without full discussion before the Board of Directors and the Board of Trustees because it was either that or close down the operations, as I explained to you originally.

Now, I don't want to take up any further unnecessary time but I will be glad to answer any question that might be proposed.

PAST IMPERIAL POTENTATE HAROLD LLOYD: Thank you, Sir.

Gentlemen, this is a very important matter and with the consent of the Imperial Sir we shall continue to enlighten you gentlemen to the fullest extent. Are there any further questions?

If not, Imperial Sir, I would like to move the adoption of the report of the Chairman of the Board of Trustees.

(The motion was severally seconded.)

IMPERIAL POTENTATE HOGAN: It has been moved and seconded that we adopt the report of the Chairman of the Board of Trustees. All in favor indicate by saying "Aye;" opposed "No." The motion is carried. (Applause)

PAST IMPERIAL POTENTATE HAROLD LLOYD: I just want to thank you gentlemen for your splendid cooperation and thank you men and your Temples for those wonderful contributions you presented here this afternoon.

IMPERIAL POTENTATE HOGAN: George, the Representatives are asking for the grand total pertaining to these Hospital contributions. Do you have that figure as yet?

NOBLE GEORGE M. SAUNDERS: Not as yet, Imperial Sir.

IMPERIAL POTENTATE HOGAN: Let me say, Nobles, that we are working on these totals and you will get them as soon as we receive them up here.

I would like to recognize Imperial Sir George Mattison.

NOBLE GEORGE MATTISON: Imperial Sir, Chic, and Chairman of the Board of Trustees, Harold Lloyd, and Nobles: I think I am in a position to give this Convention a little information with regard to the discussion that just preceded. I refer to the status of the Erie Unit, status of the Houston Unit and the status at Winnipeg. These are the three Hospitals that have been discussed.

First let me say that the Houston Unit is practically 100 per cent completed and they will be an operating Hospital within thirty to forty-five days, not more than that.

Regarding the Erie Unit, the plans and specifications are now in the hands of the contractors. We have eight bidders on this Unit. These bids are returnable this month and in some six to eight months the Erie Unit will be a complete operating Hospital. At the present time all operations are performed in the Hammet Hospital at Erie.

As to the Winnipeg Unit, I think this was mentioned but it is going to be necessary to have a recovery room and an additional operating suite and remodeling of the suite there now. All of this is still in the discussion stage. No money has been

expended, no work done on the Winnipeg Unit and nothing will be done until after Dr. Larson and the architect and Miss Baird have gone into the matter, which I understand they are going into next week.

I thought all of might be interested in knowing the status in relation to these Units. (Applause)

IMPERIAL POTENTATE HOGAN: Representatives to this Ninety-Fifth Imperial Council Session, I felt so deeply about this subject that I asked Noble Bob Turley, Past Imperial Potentate George Klepper and Chairman Harold Lloyd to bring this explanation to each of you so that you understood it. I was asked, as I was traveling around, about this matter of third-party pay and, therefore, it also involved a question in my own mind, whether I was for or against it. However, I am hopeful that it has now been satisfactorily explained to you. I don't believe we had any motions or anything on the floor prior to this discussion and so we will now proceed with further business.

(At this point business was conducted in the Iowa Corporation.)

IMPERIAL POTENTATE HOGAN: Nobles, I presume you are all interested in the amount of dollars received in relation to the various contributions. The figure I have indicates a receipt of \$1,346,000. Isn't that great. (Applause)

(At this point business was conducted in the Iowa Corporation.)

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at 4:10 o'clock p.m.)

MORNING SESSION

FRIDAY, JULY 4, 1969

NINE-FIFTEEN O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened at 9:15 o'clock a.m., Friday, July 4, 1969, at the Olympic Hotel, Seattle, Washington, Imperial Potentate Chester A. Hogan presiding.

(At this point business was conducted in the Iowa Corporation.)

IMPERIAL POTENTATE HOGAN: At this time I will recognize the Chairman of our Wills and Gifts Committee, an individual who has done a fabulous job, Past Imperial Potentate Walter Guy.

NOBLE WALTER GUY: Imperial Sir, Imperial Sirs and Representatives: Contrary to the impressions that have been given and irrespective of the fact that our Comptroller reports to me that last year the work of this Committee in the Temples resulted in an increase in endowment funds of some \$22.5 million, yet that is relatively unimportant.

Furthermore, in view of the stress of time and the late hour, my comments will be confined to about two or three minutes and therefore very sketchy.

I am glad to report to you that as a result of your efforts there has been a steady, constant and successfully increasing flow of wills processed by Central Office for the past eight years, both in the numbers of wills and in the dollar value. Thanks are to be extended to these individuals and those Temples that have joined in the work of a Committee dedicated to strengthening the structure, financial structure that undergirds our Hospitals.

More Temples have joined in the program. More Temples are setting up effective Wills and Gifts Committees in their Temples. More Temple publication editors are devoting more reading space to the Hospital program and to the financial structure that undergirds it.

The Cabiri has joined with us in this program and for the first time in the history of my memory, I heard at our Jesters meeting the other day reference to this program and comments were made with reference to a contribution made by a great Jester in the amount of some \$2500.

Therefore, fellows, I have a feeling that the program is gaining strength and momentum.

Thanks are also due to our some twenty-three Regional Directors scattered over North America, who are endeavoring to aid you Temple Officers in the conduct of this work.

Our thanks to our Central Office staff, from George Saunders on down — our Public Relations and Publicity Director, to our Legal Department, to our Comptroller.

Now, the funds that were so significantly presented at our meeting yesterday afternoon — may I explain briefly that most of those funds are classified as restricted or endowment or capital funds and morally and almost legally cannot be expended for operating purposes. I caution you not to gain the impression that as a result of figures totalling in excess of a million dollars that the Shrine has oodles of money because this oft-repeated remark is facetious and erroneous. Reference to the reports in your hands, those mailed out by the Central Office, clearly reflect that you and I must redouble our efforts if we are to operate within our income.

And now I wish to say to our incoming Imperial Potentate that the Wills and Gifts program, those of us interested in that objective, will not fail him in his year.

Thank you, gentlemen.

I move the adoption of this report.

(The motion was severally seconded and, there being no discussion was voted upon and declared to be carried.)

IMPERIAL POTENTATE HOGAN: Thank you very much, Walter, for that fine report.

At this time I am going to recognize our Imperial Treasurer, Past Imperial Potentate Tom Melham, to make his Treasurer's Report.

NOBLE THOMAS W. MELHAM: Imperial Sir, Imperial Sirs, Representatives to this Imperial Council: This green book of reports of the fiscal year ending December 31, '68, which I understand was mailed to all the Representatives prior to your coming to Seattle, contains all of the pertinent data regarding operations of the Iowa and Colorado Corporations. Therein are brief and full facts on the finances, including the examination by our independent auditors.

Before moving adoption of the Treasurer's Report I would like to make just a few remarks.

To those of you who have perused this book of reports and particularly those who have done so for the first time as Representatives, you may have wondered at the appearance of negative cash balances that exist in certain corporate figures. Over-drafts also appear in places. You can be sure we are not in trouble. In many cases these are due to our long-established policy of temporarily investing in short-term Certificates of Deposit, Federal Notes or Bills until the funds are needed for the purpose.

For 1968 we have earned over one-half million dollars in this type of interest in the Colorado Corporation — a new high.

For the Iowa Corporation we picked up interest on temporaries over \$55,000.

In addition, there was a \$13,125 amount in interest on \$525,000 of United States 2½'s purchased quite a few years ago. Thank Heaven they mature next year.

Interest in both corporations totals approximately \$569,000.

Further, none of our banks have ever charged us for any over-draft and I can assure you I don't think they are going to try it. (Laughter)

This session concludes my third year as your Treasurer — three years to ponder the vastness of our Fraternity and Hospital undertaking; our huge endowment fund, with market values, as of the end of 1968, of \$374 million, contained in 165 banks and trust companies throughout North America.

I cannot help but think as I examine the individual reports of these banks noting the difference in investment management of our monies in these depositories.

I think of the \$125 million in corporate bonds with a market value as of the end of the year of \$102 million. More particularly, we have of this amount some \$46.5 million in bond maturities, corporate bond maturities, with maturities of twenty years and beyond. I wonder, as you may wonder, what the purchasing power of those bonds will be at maturity, especially with the inflation we have had. Now, the consensus of opinion of investment men is that whatever we are in now, we will still be beyond and geared to an annual inflation of 2 to 4 per cent.

Having sat with the Investment Committee, I can assure you we are earnestly concerned with the condition of these bonds and all other problems in the handling of our money by these banks and that we are alert to the current and past operations, thanks

again to the computer that we have, which gives us more adequate information while it is still current.

This leads me to the personnel of the Treasurer's Department, a staff of eighteen persons in all, most of them with upwards of seven years of service to our organization. These men and women put in many hours of overtime in order to stay abreast of their routine, which is a part of our business, along with a large number of requests that come in to us from standing and special committees. I commend them and I commend them to you for their attention to the various requests. They are dedicated folks, yes, and we don't, of course, pay overtime.

My special thanks to Lew Molnar, first, as Head of the Accounting Section and as Assistant to the Treasurer. He has constantly demonstrated good judgment. His development of a high esprit de corps in the Treasurer's Office is a constant desire to extend our services. He is a great comfort to me.

These three years have been pleasant and, I believe, productive years in this Department. We all feel a distinct sense of being another service unit in the Central Office. There is room for differences of opinion, even with Imperial Officers and committeemen, but these are honest differences and I can assure you they are most always resolved.

I interpret the By-Laws to grant a measure of independence to your Treasurer for he is elected by the Representatives of the Imperial Council. He is charged with certain duties, he is answerable to you more than anyone else. I cannot conceive the office to be purely as a check-signing job nor could I submit to such a philosophy. Sooner or later the implementing of any additional items involves the Treasurer's Department. This was intended originally and reiterated on occasion by amendments to our By-Laws. I hope you concur.

Thank you for your attention.

I now move the acceptance and approval of the report of the Treasurer for both the Iowa and Colorado Corporations as contained in the 1968 Book of Reports and this oral addition.

(The motion was severally seconded, voted upon and was declared to be unanimously carried.)

IMPERIAL POTENTATE HOGAN: Thank you very much, Tom, for that excellent report.

(At this time business was conducted in the Iowa Corporation.)

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives to this Imperial Council Session, in order to comply with Section 504.2 of the Colorado By-Laws, I move that we strike from the Rolls the names of those who have not registered at the Session for the last two years.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE HOGAN: At this time I would like to recognize Imperial Sir Gardiner Wilson, who has a report.

PAST IMPERIAL POTENTATE GARDINER WILSON: Imperial Potentate, this is not a report but, for the record, it is a point of inquiry.

Yesterday the Representatives were asked to approve and they no doubt all understood it from stem to stern, the action of the Board of Directors and the Board of Trustees with reference to this third party pay and so-called open staff.

This disturbs me a little because I, for one, feel that this is somewhat of a drastic departure from our history in the past and for the record only and not to be technical, I think that the representations in reliance on which the Representatives gave their approval should be clear on the record. Therefore, for the record, I ask these questions:

Do we understand clearly that these Representatives have been asked to approve a temporary experiment only and not the establishment of policy?

Secondly, do we understand that third party pay and so-called open staff which some characterize as only expanded staff, does not mean that any Board of Governors of any Shrine Hospital loses its right and its duty to approve the eligibility of every patient admitted to every Shrine Hospital? (Applause)

IMPERIAL POTENTATE HOGAN: Inasmuch as Bob Turley made that motion, I will ask him to appear at the rostrum.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: The motion that was made yesterday was not a motion to approve third party pay in the Hospitals in any general sense and as far as the record is concerned I would like for it to show that I personally have opposed third party pay in our Hospitals and hope that we can at all times in the future continue to operate the Shriners Hospitals upon the same basis as that upon which they have operated in the past forty years.

Our Articles of Incorporation of the Colorado Corporation state specifically that our services shall be without charge to the patients or to their families or to their guardians.

The By-Laws of the Colorado Corporation contain a provision which says in specific terms that no pay patients shall be admitted and, of course, I don't believe that your Board of Trustees would try to, by policy established there, undo what the Articles of Incorporation and the By-Laws of the Corporation provide. On the other hand, there are problems which face these Hospitals and which have been of urgent concern to the Board of Trustees. The Board of Trustees, including Imperial Sir Wilson, have been concerned with these things for some time.

I asked yesterday of Imperial Sir Klepper three questions and I believe the record will reflect his answers to those questions in behalf of the Board of Trustees to say, first, that there have been no patients in our Hospitals, any of them, who have been charged for services rendered in Shriners Hospitals; there have been no patients charged by our Hospitals; there have been no such patients accepted by our Hospitals.

I think the record will also show, in answer to the questions then posed, that the experimental program that has been undertaken in Winnipeg is that of an experimental nature only and that neither the Board of Trustees nor the Colorado Corporation is committed to any permanent or long-term program of third party pay hospitals.

I think the record will also show, in answer to a question that I posed to Imperial Sir Klepper yesterday, that the local rules in each of these Hospitals, including the Winnipeg Unit, provide for approval by the Local Board of Governors of every application for every patient. Even though, as in our Burns Institutes, some of our patients are accepted temporarily on an emergency basis, the applications are later submitted to the Board of Governors of the Unit and if they are disapproved by the Board of Governors, then that patient has to be removed.

The record should be clear, I believe, that the answers that were given yesterday and the motion which I had the privilege of making, was to the effect that we as Representatives to this Session pledge ourselves to go back to our Temples and give the Board of Trustees help in producing enough patients that we will solve the patient census problem and that we vote our confidence in the Board of Directors and the Board of Trustees, not that we approve any permanent or long-range plan of third party pay, which I personally oppose.

Thank you, Sir. (Applause)

IMPERIAL POTENTATE HOGAN: At this time I recognize Past Imperial Potentate George Klepper.

PAST IMPERIAL POTENTATE GEORGE KLEPPER: Imperial Sir, Imperial Sirs and Representatives: I realize we have been here a long time and I also told you yesterday that I wanted to give you a report as concise and as fast as I could and thus I only hit the high points.

However, for the record, I want you to know that this came up before the Board of Trustees and the Board of Directors at six meetings — three meetings prior to the annual meeting and three mid-winter meetings.

These things have been fully discussed and they have been done with the support of the Board of Directors and Board of Trustees.

I also want the record to show that Judge Wilson was at all of the meetings and thoroughly understands what we are buying and what we are trying to do at Winnipeg, Houston and Erie. (Applause)

PAST IMPERIAL POTENTATE GARDINER WILSON: I want to answer that, Imperial Potentate.

I appreciate the kindly comment of the gentleman from Memphis. I am a member of the Board of Trustees and, as he should know, I raised this very issue at the meeting of the Board of Trustees and we deeply disturbed by it.

So the issue really isn't whether I individually understand what open staff or expanded staff really means, whether it means that a local doctor can ease somebody into our Winnipeg Unit or any other Unit without the approval of the Board of Governors — it is unimportant what I personally understand — but I just wanted to have this on the record because it might be quoted next year or two years from now — the representation made to this Imperial Council of 750-odd Representatives before they approve anything. (Applause)

IMPERIAL POTENTATE HOGAN: Thank you very much.

Please understand we are not taking third party payment at this time.

NOBLE ROBERT L. LEEDS: I am Bob Leeds, Chief Rabban of Oleika Temple. I just want to ask this one question.

In view of the fact that the Articles of Incorporation of our Colorado Corporation and its By-Laws strictly prohibit any acceptance of third party payments, how then can we even, on an experimental basis, ever accept one single case from everybody.

IMPERIAL POTENTATE HOGAN: Let me call upon Bob Turley, a member of the J&L Committee, to answer that question.

NOBLE ROBERT TURLEY: I hoped it would be clear that our Hospitals have not accepted third party pay.

The experimental program, as I understand it from Imperial Sir Klepper and from others, is that doctors in Winnipeg who themselves are paid by insurance carriers or Medicare or Medicaid, under the laws of the Province, may accept for their services, their own services, pay from the Medicare or Medicaid program, but our Hospitals do not make any charges to the patients. Our Hospitals have not accepted any payments from the government or from any insurance carriers.

Now, our Articles of Incorporation and By-Laws, of course, do not of themselves govern the doctors in their personal relationships with their patients. As I understand from the explanations you have heard and I have heard, it is only these doctors who are being permitted to receive the funds in third party pay hospitals as they are described to us. This actually doesn't mean third party pay hospitals but only means hospitals in which members of the medical staff are permitted to accept compensation from the government.

If I am incorrect in that belief, Bob, then I want to know. I am assured by half a dozen people back here that this explanation is correct.

NOBLE ROBERT L. LEEDS: All I wanted was, as an elected Representative to this Imperial Council from Oleika Temple, was to be able to go back home and tell my people that this Imperial Council has assured us that there will be no acceptance of third party payments by our Hospitals under this experimental program at any time.

NOBLE JOHN B. VESEY: When explained to us yesterday we were told that these operations took place in another hospital. The operations were taking place in one hospital and then the patient was removed to the Shriners Hospital. There was no pay for occupancy of the Shriners Hospital but the doctor did get some pay in the other hospital which probably was a pay hospital and that eliminates the question we are arguing about.

Is that true, did I understand that correctly?

NOBLE ROBERT TURLEY: It is my understanding, Illustrious Sir Vesey, that as to the Houston Unit and as to the Erie Unit, you are exactly correct; that as to those two Units, as a matter of fact, there are at the present time no surgical facilities.

IMPERIAL POTENTATE HOGAN: I will recognize Imperial Sir Wingenter.

IMPERIAL SIR WINGENTER: I concur in what Brother Turley said. I sat at the meeting when this was discussed and there are no payments being taken at this time. However, my reason for coming up here was not so much to discuss the question but to give you a little food for thought.

These insurance companies are having a free ride. You heard Walter Guy talk a few moments ago in relation to Wills and Bequests. He also indicated he had received a check in the amount of \$2500 from the Jesters. Now, what is wrong with the

Hospitals or the insurance companies making a donation to the Wills and Bequests Committee for services rendered outside of this? Why do we have to give the money we should normally get away to an insurance company? We accept Wills and Bequests every day. We have asked you to go out and develop them. Therefore, there is a little bit of money that they can give to this Committee.

Thank you very much. (Applause)

IMPERIAL POTENTATE HOGAN: If there is no other discussion, we will close the issue at this time. (Cheers and applause.)

(Business was conducted in the Iowa Corporation at this time.)

NOBLE BOB VETTER: We have three reports with regard to the Hospital Corporations that we wish to present at this time.

The first report has to do with the approval of revisions, adjustments and departures to the previously approved budgets for the year of 1968.

OPERATIONS

Income for operations was budgeted at \$19,502,289; actual revenue for operations amounted to \$18,945,172, or \$557,117 less than the estimated.

Operating expenditures for 1968 were budgeted at \$17,848,841, while actual operating expenditures amounted to \$19,198,473, representing a total departure from the budget of \$1,349,632.

Items of actual departure or increase in expenditures were:

	Budget	Actual	Increase/ (Decrease)
Orthopedic Hospital Expense	\$12,151,943	\$13,084,948	\$ 933,005
Burns Institute Expense	4,299,217	4,713,460	414,243
Administrative Expense	1,075,181	1,015,737	(59,444)
Payments to donors and beneficiaries...	225,000	251,432	26,432
Non-operating and other expenses	97,500	132,896	35,396
Total	<u>\$17,848,841</u>	<u>\$19,198,473</u>	<u>\$1,349,632</u>

The item of building and equipment depreciation expenses, authorized by the Board of Trustees in 1968 as an annual charge to each hospital, accounts for the major part of the total departure of \$1,349,632. This depreciation item was not included in the hospital budgets and for 1968 amounted to \$1,272,660. This amount actually represents a disbursement from the Operating Fund to the Capital Reserve Fund.

The Current Fund balance at January 1, 1968 was \$1,327,831. Operating revenue for the year totaled \$18,945,172 and Operating Expenses were \$19,198,473, resulting in a deficit for the year of \$253,301. In addition, we had Operating Fund transfers to Endowments and other Funds in the amount of \$91,757, and \$266,986 was retained in custodial accounts at year end for transfer to current funds, which left a balance at December 31, 1968 of \$715,787.

BUILDINGS AND EQUIPMENT

The 1968 approved budget for building and equipment was \$9,298,009. Actual expenditures amounted to \$3,015,826, or an unexpended balance of \$6,282,183, to be reappropriated.

The Capital Reserve Fund balance at January 1, 1968 was \$8,921,911. Revenue for 1968, representing the depreciation expense transfer, totaled \$1,272,660. Actual expenditures amounted to \$3,015,826, which was \$1,743,166 more than the depreciation funds transferred. In addition, we show \$195,874 losses on investments of the Capital Reserve Fund. All of the above resulted in a balance at December 31, 1968 of \$6,982,871.

The total of the individual Unit Building Funds at December 31, 1968 is \$596,274. This amount which is on deposit at the units plus the Capital Reserve Fund of \$6,982,871. gives us a grand total at December 31, 1968 of \$7,579,145 available for Building and Equipment.

Imperial Sir, I move the approval of the departures from the 1968 Budget.

(The motion was severally seconded and, there being no discussion, was voted upon and carried.)

NOBLE BOB VETTER: You approved a tentative budget for the year 1969 at our last Imperial Council Session, which was based upon the budget for the previous year. This was done in order to allow the incoming administration to have an approved budget for the first six months of the subsequent year, or until the next Imperial Council Session. We have now been furnished with, and herewith submit for your approval, a budget which has been developed to meet the requirements of the administration for this year.

A copy of this budget will be reported in detail in the record of these proceedings.

ANNUAL REPORT OF GEORGE M. SAUNDERS
SECRETARY

Imperial Potentate, Chairman of the Board of Trustees, Officers and Members of the Imperial Council, A.A.O.N.M.S. and Shriners Hospitals for Crippled Children.

CHICAGO, ILLINOIS

GREETINGS:

Your Secretary respectfully submits the following detailed statements of the transactions of the Secretary's Office for the fiscal period January 1, 1968 to December 31, 1968 both dates inclusive.

The schedules in the Report of the Imperial Auditor which follow reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospitals.

The work of the Wills and Gifts Committee under the able leadership of Past Imperial Potentate Walter C. Guy continues to reflect progress in our benefits received for the use of the Shrine's great charity work. While this may be true it is also a fact that the rate of increase in the annual cost of operation of our hospital units is far greater than the rate of increase in our usable income for such expenses. It must be remembered that in the very beginning the Board of Trustees set a policy that none of the corpus of estate receipts would be used and that only the income would be used for operation. Thus with this practice we have been able to continue to build our endowment accounts. If we ever changed this policy we would then not have the income from these funds to use for operation. We encourage more and greater interest on the part of the Nobility to aid in this most important work of the Committee headed by Imperial Sir Walter C. Guy. We know from the little experience we have had at this early date that the cost of operating a Burns Unit is several times more than the cost of operating one of our other Units and with the fast rising costs of operation overall we must look to the future. All Nobles are urged to interest themselves in the work of the Wills and Gifts Committee.

Our sincere thanks are extended to the dedicated members of the Board of Trustees, Board of Directors, Local Boards of Governors, Doctors of the Surgical Advisory Board, Professional Staff Members and all employees of every Unit of Shriners Hospitals for Crippled Children for their fine work and devotion to the ideals of our work so affectionately referred to as the World's Greatest Philanthropy.

To the Building and Equipment Committee, Salary Committee, Budget Committee, and all other Committees of the Board of Trustees, especially the Study Committee, I want to extend my personal thanks for their co-operation and certainly their many hours of hard work on behalf of Shriners Hospitals for Crippled Children. They deserve the

plaudits of every Shriner and every crippled child made well in our Temples of Baby Smiles for their efforts.

With continued growth, the work load of the General Offices in Chicago increases in direct proportion. I would be remiss if I did not extend my personal gratitude to such dedicated people as the Assistant to the General Counsel and his staff, the Assistant to the Treasurer and his staff, the Director of Public Relations and his staff, and the Assistant to the Secretary and his staff. Their loyalty and devotion to duty has earned them the heartfelt gratitude of all who come in contact with them as they carry out their assigned duties.

The Shriners Hospitals for Crippled Children—Orthopedic and Burns Units—is truly the soul of the Shrine. The work of the World's Greatest Philanthropy has gone on for over four and a half decades, and with the dedication and love for the children of the world shared by the Men of the Red Fez it will continue to grow so long as the Temples of Shrinedom stand.

Cordially yours in the Faith,

A handwritten signature in cursive script, reading "George M. Saunders".

TO THE BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
CHICAGO, ILLINOIS

We have examined the combined statement of assets and liabilities of Shriners Hospitals for Crippled Children, Colorado, Canadian, Massachusetts, California, Texas and Pennsylvania Corporations and Mexican Association, as of December 31, 1968 and the related combined summary of financial activities and combined statement of changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Hospitals maintain their General Funds on an accrual basis of accounting. All other funds are maintained on a cash basis and therefore income is not recorded until actually received and expenses are not recorded until actually paid.

In our opinion, the accompanying combined statements present fairly the assets and liabilities of Shriners Hospitals for Crippled Children as of December 31, 1968 and the revenues realized, expenses incurred and changes in fund balances for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year except that, as explained in Note 4 to the combined financial statements, depreciation on property, plant and equipment has been charged to operations for the first time in the year ended December 31, 1968.

NOTES TO COMBINED FINANCIAL STATEMENTS

1. ACCOUNTING METHOD:

The accounts of the general funds are maintained on the accrual basis of accounting. The accounts of all other funds are maintained on the cash receipts and disbursements basis of accounting.

2. ASSET CARRYING VALUES:

Assets are recorded at cost, if purchased, or at fair market value at date of receipt by gift or bequest. No valuations are recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

3. ENDOWMENT FUNDS:

The endowment funds include funds restricted by the Boards of Directors of the Corporations as well as those restricted by devisees and donors.

4. PLANT FUNDS:

Prior to January 1, 1968, land, buildings and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. For the year ended December 31, 1968 provision for depreciation in the amount of \$1,272,660 has been included in the hospitals and burns units' operations. A corresponding amount of money has been designated to be transferred from the General Funds to the Capital Reserve Fund. The Capital Reserve Fund was formerly designated as the Operating Reserve Fund. For comparative purposes for 1967, the Operating Reserve Fund has been reclassified under plant funds rather than as a part of current funds. The Board of Directors intends the "Fund" to be used for capital improvements to plant assets.

5. RETIREMENT FUNDS:

Contributions to the two retirement funds during the current year amounted to \$456,000. The retirement funds are non-contributory. The current year contributions actually represent the 1967 cost as the unfunded liability at December 31, 1968 has not yet been determined. As of January 1, 1968 the unfunded liability of the plan amounted to \$944,000. The net assets of the two retirement funds at December 31, 1968 were:

	<i>Employees' Retirement Fund</i>	<i>Surgeons' Retirement Fund</i>
Cash	\$ (9,647)	\$ 1,594
Securities (market value of Employees' \$4,172,233 and Surgeons' \$708,173)	4,214,535	640,343
Mortgages	350,556	
Due to general fund		(40,000)
Totals	<u>\$4,555,444</u>	<u>\$601,937</u>

TO THE BOARDS OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
COLORADO, CANADIAN, MASSACHUSETTS, CALIFORNIA,
TEXAS AND PENNSYLVANIA CORPORATIONS AND
MEXICAN ASSOCIATION

We have examined the statements of assets and liabilities of Shriners Hospitals for Crippled Children, Colorado, Canadian, Massachusetts, California, Texas and Pennsylvania Corporations and Mexican Association, as of December 31, 1968 and the related statements of revenue and expenditures and statements of changes in fund balances for the year then ended. Our examination of each entity was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Hospitals maintain their General Funds on an accrual basis of accounting. All other funds are maintained on a cash basis and therefore income is not recorded until actually received and expenses are not recorded until actually paid.

In our opinion, the accompanying statements present fairly the assets and liabilities of the aforementioned entities as of December 31, 1968 and the revenues realized, expenses incurred and changes in fund balances for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year except that, as explained in notes to the financial statements, depreciation on property, plant and equipment has been charged to operations for the first time in the year ended December 31, 1968.

NOTES TO FINANCIAL STATEMENTS

1. ACCOUNTING METHOD:

The accounts of the general fund are maintained on the accrual basis of accounting. The accounts of all other funds are maintained on the cash receipts and disbursements basis of accounting.

2. ASSET CARRYING VALUES:

Assets are recorded at cost, if purchased, or at fair market value at date of receipt by gift or bequest. No valuations are recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

3. ENDOWMENT FUNDS:

The endowment funds include funds restricted by the Board of Directors of the Corporation as well as those restricted by devisees and donors.

4. PLANT FUNDS:

Prior to January 1, 1968, land, buildings and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. For the year ended December 31, 1968 provision for depreciation in the amount of \$1,029,110 has been included in the hospital and burns units' operations. A corresponding amount of money has been designated to be transferred from the General Fund to the Capital Reserve Fund. The Capital Reserve Fund was formerly designated as the Operating Reserve Fund. The Board of Directors intends the "Fund" to be used for capital improvements to plant assets.
